## Life's a Beach

Our beach is the best around, thanks to our many volunteers and members who do their part to maintain our shared space. Whether it's through paying the membership dues or volunteering time and energy, we are able to ensure the beach and pavilion areas are clean, safe, and well-kept.

### **Thank You**

A special thank you to Shelly Riedlinger for her years of service as WLHA Board President. This Spring marks the end of Shelly's tenure as she has decided to step down. Shelly, along with her husband Tom are critical members of our HOA. Together, they have contributed countless hours, resources, and dedication to promote the welfare of our members and residents. We strive to continue the legacy Shelly leaves behind and maintain the standards she has set. Thank you, Shelly!

## Want to Get Involved?

### **Become a Board/Director Member:**

There are three seats expiring this year: Treasurer and two Director positions. If you are interested, please reach out to JoAn Holcomb for more information.

### **Volunteer:**

We are always looking for volunteers to help with events or committees. Please reach out or join us during one of our scheduled association meetings. Some of our committees are: Dock, Fundraising, and Grievance.

## YEAR IN REVIEW

It has been another great year for the Woodstock Lakepoint Homeowners Association in 2023. Thank you to each member who continue to pay the minimal membership dues. These dues are critical to the maintenance and upkeep of our shared property. As stated above, our beach is well sought after as witnessed by all of the Facebook debates :) Additionally, the dues help maintain the lily pads, buoys, picnic tables, bathrooms, sand, and website. Security cameras and lighting needs will be reassessed for possible install in 2024.

This year, we continued the tradition of voting for Yard of the Year (congrats to the Suttan family) and Most Improved Yard (no nominees, but we'll get them in 2024!). The most important award for the year is the Volunteer of the Year award which went to Brent Ray. Brent is responsive and has a great servant attitude. He is exactly the type of member we need to be successful. Thank you, Brent!

Thank you for another fantastic year, we look forward to seeing you in 2024!
