

Region eleven's meetings First Wednesday of the month Chicky's Paradise in Almont at 7:30 pm. Last Wednesday of the month Total Sports in Harrison Twp at 7:00 pm.

Okay well September is done what a crazy month. Labor Day, Boobapalooza, Shine on For Shelby, and then our End of Summer Tour Sunday. Labor Day nothing much just rode tried to stay dry. Boobapalooza real good ride enjoyed the ride and all the people. Tried to stay dry. Shine on For Shelby same thing good ride good people. The Region really likes helping those two causes out, Money and Time well Spent. End of Summer Tour Sunday went good, T's Rockin Roadhouse. Good location and good food hope to use them again.

Moving on from the fun and games heading into Business. Region 11 has some spots open that we really need to fill, allow me to explain. Secretary and Web Mistress has stepped down. Paula Tocco will be missed and very hard to replace but this does need to happen So anyone that wants to fill this spot please contact me mail@rsnooks.com or 586.524.6907 we will allow you to do this.

Another spot is on the Summer Tour Committee. Linda and Douglass Scott are moving to Ohio, good for them Bad for the Region. Again, allow me to explain. Linda and Doug joined the Summer Tour Committee a will back trying to replace Dan Ross. Dan Ross very hard-working member he is. Well Linda and Doug did a good job equaling Dan Ross and his dedication. Which allowed the Summer Tour Book to move forward without a hitch. Now the Region needs someone to fill these shoes.

I know this sounds like it would be hard to compare to these members if you were to step up and fill their positions. But you need to know we as a group will help you. Our Region is a family, and we don't let anyone fail, We Will Get It Done. Contact me at mail@rsnooks.com or 586.524.6907 let's fill these spots.

In Closing Ride Safe. Rubber side down Shiny side Up.
