# Cactus Wren Beginners Shotgun Program

## Are you new to shotgun sports?

- The **Cactus Wren Beginners Program** is offered by the Ben Avery Clay Busters to promote shotgun sports for those new to clay target sports.
- The Cactus Wren program is specifically formatted for **beginners** who are in need of instruction, coaching, and more shooting experience.
- This is a NRA Shotgun course of instruction. Participants shall be NRA certified for this program at course end and awarded NRA patches for level of shooting skills.
- Shotgun leagues provide the perfect venue to increase a shooter's skills through weekly participation and offer an opportunity to learn the rules and etiquette of competitive shotgun sports.
- Gun safety is emphasized at all times. All Cactus Wren participants must attend the Intro Seminar prior to actual shooting on leagues, so that the shooter understands the safety rules for shooting at the Clay Target Center and knows the basics to start league clay target shooting.
- Join now — and make new friends who are beginners like you, like to shoot and are looking for friends to shoot with.

## How do you join our league? And what you need to know...

- Enroll by using the sign up application in this brochure and send with League Fee to: Ben Avery Clay Busters, PO Box 72988, Phoenix, AZ 85050. Participants will be on a 1st come—1st served basis, until 25 slots are filled.
- If you do not own a shotgun, you will need a loaner gun from the Ben Avery Clay Target Center. Please let us know in advance, so we can help reserve a shotgun for you.
- Shotgun ammo: Only 7 1/2, 8 or 9 shot is allowed at Ben Avery's CTC. If you plan to use a loaner, it is important that you notify us as to your shotgun gauge preference.
- Participants will be responsible for Targets (approx. \$13-\$20 weekly, depending on sport.). You will need a shooter's card from the Ben Avery Clay Target Center for your targets. 20-gauge ammo will be provided free per grant funding of the **NRA Foundation**. For other gauges, shooters must provide their own ammo.
- Bring a hat, eye and ear protection. If you are concerned about recoil, wear shoulder insert pads. Please dress for your own protection. Ladies: No flip flops or spaghetti straps, please.
- Awards will be based on Lewis Class Scoring for fair competition.
