In Memory of Kristopher Cuddeback

On May 5th, former Millerton Police Officer Kristopher James Cuddeback, age 23, died from injuries sustained from a motorcycle accident the previous week. Kris was sponsored in the police academy by the Village of Millerton in the fall of 2011, at the age of 20 and became a trained police officer just after turning 21 years old. Kris was well liked by all Millerton Officers as well as Sheriff's Office and New York State Police officers that he worked with in the area.

Kris joined the Rhinebeck Village Police Department while working as a Millerton Officer. He came to me one day and told me he had to talk to me. He was excited to tell me he was going to the Town of Coeyman's Police Department, but was very upset that he would have to leave the Village of Millerton Police Department. He had nothing but well wishes from the department and we told him that he might eventually be back if he was able to get his dream job, becoming a Dutchess County Deputy Sheriff. Kris wanted to follow in his father's footsteps – Detective Tom Cuddeback, detective with the Dutchess County Sheriff's Office. Kris continued to work in Coeyman's until he was appointed as a Dutchess County Deputy Sheriff in February of this year. We enjoyed having him back in Dutchess County and hoped he might eventually be assigned back in the Millerton area.

Kris was loved by all that knew him. He was helpful and generous and had a way of always being able to put a smile on a person's face. He did not make it back to Millerton on patrol, but the memories of this young ambitious police officer will stay with us in Millerton forever. Our heavy hearts go out to his Mom and Dad (Edie and Tom) and his whole family, many longtime residents living in our area.

Mariley Najdek and Village Benches

By Stacey Moore

Back in early October, when Mariley Najdek was very sick, she was asked if there was something she would like to see accomplished in the Village on her behalf. When Mariley quickly said she would love to see more benches in the Village, several not-for-profit organizations and individuals who loved and respected Mariley came together with a plan and immediately ordered benches to be placed around the community. Mariley loved her village and devoted many hours of her life to improve it one way or another. She would often

be spotted sitting on the bench in front of Irving Farm visiting with whoever may stop by or join her for a cup of coffee. As the benches pop up, please take a seat, enjoy the view and remember the woman, who, like both her parents and children, have made Millerton a better place for all to enjoy.
