SECTION I – RELEASE OF MEDICAL AND LEGAL LIABILITY / ACCIDENT WAIVER

I hereby assume all of the risks of participating and/or volunteering in events and activities held, planned, and/or sponsored by the Pittsburgh Roleplaying Organization. I acknowledge that these events and activities are an extreme test of a person's physical and mental limits and carry with them the potential for accident, serious injury, disability, property/personal loss, and/or death. Risks include but are not limited to those caused by terrain, facilities, temperature, weather, condition of athletes, equipment, vehicular traffic, and actions of persons including but not limited to participants, volunteers, spectators, staff, agents, and employees of the organization and organizers of the events. These risks pertain not only to athletes and participants but also are present for all other persons attending events. I acknowledge that the Pittsburgh Roleplaying Organization and those persons operating on behalf of the organization have taken reasonable precautions to mitigate the risks associated with these events, and I accept that inherent risks nevertheless exist in participating in said events and activities.

I certify that I am physically fit, have sufficiently trained for participation, and have not been advised by a qualified medical professional to refrain from these types of activities. I hereby consent to receive medical treatment that may be deemed advisable in the event of injury, accident, and/or illness during events. I understand that in the event of injury, accident, and/or illness during events my personal medical insurance will be the primary form of coverage, and I will be responsible for any and all medical expenses, co-pays, etc., incurred.

I acknowledge that this Release of Legal and Medical Liability / Accident Waiver form will be used by the organizers of events in which I participate and that it will govern my actions and responsibilities at said events. I will conform to and observe the rules, regulations, and policies of the organization and those of the PRO LARP rules systems, safety guidelines, and Member Code of Conduct.

I will not bring to events blades more than 3 inches in length, firearms, explosives, other weapons, alcohol, or illegal drugs and will refrain from the use or consumption of these items during events.

Unless I submit to an officer of the organization a written and signed request stating the opposite, I will allow the organization to photograph and/or videotape me participating in events without compensation or expressed permission and to use those images and footage in any and all ways the organization deems appropriate and for as long as it deems necessary.

In consideration of my application and permission to participate in events, I hereby take action for myself, my executors, administrators, heirs, next of kin, successors, and assigns as follows: (A) Waive, Release, and Discharge from any and all liability for accidents, personal injury, disability, death, property damage, property theft, or actions of any kind that may hereafter occur to me at events or during my traveling to and from events, the following entities or persons:

I understand that if by any action, intentional or otherwise, I violate any element of this agreement, it could result in my expulsion as a member of and from events held by the organization and in extreme circumstances could be subject to legal action.
