Finished 53" x 71"

Have you wondered how you can use Ombre fabric? Well, here's an idea that's fun and looks so cool!

**Supplies**

- Ombre Ribbons pattern (\$10)
- Largest cutting board you can bring (I'll bring one)
- Rotary cutter with new blade
- Wonder clips (lots)
- Pins
- Scotch tape
- Scrap paper for labels
- 6 1/2" x 6 1/2" ruler, 6 1/2" x 24" ruler, 12 1/2" square ruler
- Gray or cream piecing thread
- Pencil and chalk for marking

TIP: wrap white fabric onto an empty bolt or large hanger.

**Fabric**

- White background 1 3/4 yards (Do NOT include any colors in it. It should be all white or read white)
- Ombre fabric: (1/3 yard each of 12 different fabrics)

*NOTE:* The fabric is light in the center, then medium shades on each side, then darkest on the 2 ends. Other ombre fabrics will work, but make sure they are colored as shown.

1-I used Ombre Confetti Metallic 20 by Moda Fabrics (still several websites selling these)

2-Here's an example that won't work. Can you see the colors totally change?

**VERY IMPORTANT**

PLEASE STARCH ALL FABRIC BEFORE COMING TO CLASS. You will be so happy you did as cutting and piecing will go smoother. I love these 2 options: Faultless Premium Luxe Finish and Sta-Flo liquid starch (1 part starch/1 part water) into spray bottle.

I'm looking forward to having fun with you and making this cool quilt design.
