

TWO BOBBIES

The background of the cover is a soft-focus illustration of a coastal town. In the foreground, a large brown dog with floppy ears and a red collar with a silver chain is looking towards the left. Next to it is a ginger and white cat with its eyes closed, appearing to be resting or sleeping. In the background, there are houses with balconies, a boat in the water, and trees under a bright sky.

*A True Story of Hurricane Katrina,
Friendship, and Survival*
