SUMMIT ASSISTANCE DOGS

Raise a puppy ... be someone's hero!

What's better than a soft, cuddly puppy? Maybe the feeling you'll get if that puppy grows up to become a life-changing partner for a person living with a disability. Service dogs can open and close doors, turn lights on and off and pick up dropped items - a real help for a person who uses a wheelchair. Looking for a dedicated puppy raiser who will love, socialize and provide initial training. You could become someone's hero by fostering a puppy for Summit Assistance Dogs. At least 10 new puppies will be eager to meet their raisers in April through June! Learn more at www.summitdogs.org/volunteer.

Snuggle a puppy today and change someone's life tomorrow!
