

Look What the Lord Has Done

"Come and see the works of God; He is awesome in His doing toward the sons of men " (Psalm 66:5, NKJV).

I was reading some testimonies of good things God has been doing during the past few months, and my heart began to fill with joy and faith as I read. I felt so thankful as I remembered the goodness of the Lord! An old Gospel song came flooding into my mind which goes like this:

"Look what the Lord has done , Look what the Lord has done . He healed my body, He touched my mind , He saved me just in time . I'm going to praise His name , each day is just the same , Come on and praise Him , Look what the Lord has done. "

Dear friend, there are upgrades awaiting us in the heavenly realm. There are miracles which have already been released to the sons and daughters of the Lord but (sadly) we are still waiting to see them manifested on the face of the earth. This is because we need to look at the Lord with the eyes of faith and expectation.

We need to see again the numerous and wonderful things He has already done in our lives and let our hearts get filled with thanks and faith. Something that grieved the heart of God deeply during Israel's forty year sojourn in the desert was the way His people seemed to grumble about everything!

The Lord had done great and mighty things for them, freeing them from slavery, protecting them from Pharaoh's forces, parting the Red Sea for them, etc; but when they had a need in their lives, they lifted up their voices and criticized the Lord who had blessed them so much, complaining about what they did not have at that moment, instead of being thankful and simply asking Him for what they needed.

He has done great things for you and me. He is a good Father whose heart is filled with heavenly dreams for us. The Psalmist writes *"He is awesome in His doing towards the sons of men,"* and He truly is! He has saved us, and brought

us into His family, and made us joint heirs with Jesus. He has filled us with His amazing and glorious Holy Spirit, and He is constantly looking to take His children to higher ground.

Like any father, our Abba God only wants the best for us and to see our lives fulfilled and fruitful in every way. He is with us and for us – we are set up to win! Dear friend, you may have been going through a time of discouragement and difficulty, but things are changing today.

Turn your thoughts to the goodness of the Lord and how He has never failed you in the past. He is good always, and He is coming through for you this time like He did before! What you think about, focus on, and speak about is what you will begin to see coming forth in your life, so fix your eyes back on Jesus!

There are fresh revelations and renewed faith flowing out from the miracles of the past. Things can only get better than they even were before, because He is calling us from glory to glory in this exciting story!
