- Fly By Pinnacle Peak At PinnaclePeakPark.com

Park Happenings

As we celebrate the 10th anniversary, let us pause and thank the dedicated volunteers who maintain the trail, and support the many activities at the Park. Volunteers make it possible to host interpretive tours, astronomy talks and sunset hikes; welcome groups of school children at the Park; and help answer visitors' questions while on the trail and ensure their safety. Last year, volunteers logged more than 6,995 hours, valued at \$149,413.

The Friends of Pinnacle Peak Park was founded to assist in maintaining the wonderful character of the Park and to support improvements and educational opportunities through fund raising activities. Your donations help support the volunteers, and bring educational exhibitors like Southwest Wildlife, Liberty Wildlife, and the Herpetological Society (snakes and lizards) to the Park.

Donate at PinnaclePeakPark.com or at the trailhead.
