Strathmore Girl, Second In Province Receives B. Of M. Scholarship

Sixteen-year-old Sandra Jane MacLean of 11 Neptune Boulevard, Strathmore, has been awarded a Bank of Montreal Canada Centennial Scholarship of \$750, the bank has announced.

Young Sandra, the ward of Mr. W.M. MacLean, is a graduate of Lachine High School. She plans to study chemistry at college.

Her award is one of 13 for first-year university study offered by the B of M in Quebec, and one of 50 across the country.

Sandra is a member of the Royal St. Lawrence Yacht Club; she attends Strathmore United Church; and she lists singing and swimming as her principal hobbies.

Sandra's application for the scholarship was one of 657 by boys and girls in this province — all of them top-ranking 1960 graduates of their respective high schools.

Across Canada, 2,208 students applied, and each application had to be accompanied by the recommendation of the student's principal, so that there was considerable "pre-selection" in the schools.

Winners were decided upon within the last week of provincial selection committees composed of leading educationalists in the provinces concerned.

The 50 awards of \$750 now announced are the first step in a seven-year plan announced by the B of M last May to provide bank-aided university study.

The program will culminate in 1967, the year of the centennial of Canadian Confederation and the bank's 150th anniversary, when two final Canada Centennial awards will be made. One award will be in arts and one in science — each in the amount of \$5,000 for study anywhere in the world.

The scheme provides for a total of 124 awards in the years 1960-67, ranging from \$750 to \$5,000. When the plan was announced, G. Arnold Hart, president of the B of M, said the bank hoped the scholarships would provide "a tangible and worthwhile observance of the national centennial to the future national advantage."

Miss Sandra MacLean, 11 Neptune Ave., Strathmore, has been awarded a \$300 scholarship by the Montreal Lakeshore University Women's Club, Miss MacLean, a student of Lachine High School placed second in the grade 11 examinations for the province.

Womens Club Presents Scholarship

The second \$200 scholarship has been divided equally between Miss Marion Harmer, 10 Tampico Ave., Pointe Claire, a student of John Rennie High School and Miss Lise Novak, 100 Braebrook Ave., Pointe Claire, a graduate of St. Stephen's School, Dorval.

Miss MacLean and Miss Novak will attend McGill University and Miss Harmer will continue her studies at Bishop's University. Miss MacLean holds a McGill entrance scholarship and the Bank of Montreal Centennial. Miss Harmer has been awarded a Nelson entrance scholarship to Bishop's.

These scholarships are offered each year to the women students of the Lakeshore who write any one of the three sets of grade 11 and grade 12 Province of Quebec examinations. The winner must be enrolled in an accredited Canadian university. The scholarships are awarded on the basis of academic achievement only.

SANDRA McLEAN, graduate of Lachine High School and winner of B of M Centennial and Montreal Lakeshore University Women's Club Scholarship. Miss MacLean stood second in the Province's Protestant High School graduation exams.

Lake St. Louis Anglers and Pollution

Two more letters have been exchanged in the pollution controversy. The Reporter prints them in their entirety for the benefit of its readers.

To The Council of Dorval

We have your letter of August 26 which was signed by His Worship, the Mayor. May we make it very clear that this is an argument between the Lake St. Louis Anglers Inc. and the Council of Dorval. It is in no way intended a personal affair between Mr. McHugh and Mayor Pratt.

The Executive of our Organization are disappointed, that in our argument against the local pollution situation, we have encountered such vigorous opposition by the same gentlemen from whom we expected cooperation, if not full support. Also, it is very disturbing that a request for that which rightfully belongs to all Lakeshore citizens should be termed as selfish.

Mr. Pratt's statement that our motives are political rather than social is as ridiculous as the rest of his letter. It leaves us with the impression that in an effort to evade the issue he has resorted to a politician's smear tactics and that those words are not indicative of the Councillors of Dorval. No Sirs; We are not a political organization and we will not play politics. The spirit of our constitution

exemplified by the four words — CONSERVATION — EDUCATION — PROTECTION — RESTORATION — are what we stand for, and stand for those worthy aims we shall. Water pollution as our enemy. We have and we will continue to fight it here, there and everywhere.

Your Mayor's words regarding the local, non-abusing municipalities (Lachine, Dorval Island, Beaconsfield, Baie D'Urfee) are nonsensical, for regardless of what he uses as argument, he cannot deny the fact that those municipalities do not pollute our lake, whereas Dorval dumps hundreds of thousands of gallons of untreated sewage into our lake every day. Whether Beaconsfield was ordered to treat its sewage or not makes no difference here, but if Dorval were to show some initiative and proceed immediately with a sewage treatment plant she also would undoubtedly receive Provincial aid.

Mr. Pratt made a very unfortunate statement when he mentioned that the non-abusing towns were in danger of having their drinking water spoiled by their own cesspools. He failed to mention or chose to disregard that the Town of Dorval Island's drinking water has already been spoiled, not by their own cesspools but by the sewage dumping of Dorval and her upstream partners in this pollution crime.

We congratulate His Worship for his humanitarian intentions in his personal ambition to fight pollution on a national scale. We wish him every success and offer him our moral support. However, we would suggest that by starting his campaign right here at home and especially in the Council of Dorval, he would then be in a more stable position to ask other local municipalities and far-off areas to mend their error of their polluting ways.

It cannot be disputed that His Worship and you, the Councillors of Dorval, were confronted with this local pollution problem when you took office. We also understand that the problem was not yours in the making, but you did take office knowing that the problem existed and by so doing you accepted the responsibility to solve it. Somehow you must find the moral backbone to carry out your

LACHINE GENERAL HOSPITAL "THE DOOR THAT NEVER CLOSSES".

Your friendly, neighbourhood hospital — The Lachine General — service all the growing Lakeshore communities, some 125,000 people. The percentage of bed-patients admitted shows that they come from the following districts:

FUTURE PILOT - Air Cadet Guy Lemieux, who is 22 years old prepares for a take-off in a Harvard trainer, while undergoing R.C.A.F. training during the summer months. Air Cadet Lemieux is the son of Mr. and Mrs. Pierre Lemieux, 267 Georges V. Dorval.

Dorval Resident Buried Saturday

Mr. Damase H. Boyer, a longtime resident of Dorval died last week at the age of 71. Funeral Services were held at The Presentation of Our Lady church last Saturday with interment in the parish cemetery. Mr. Boyer, who had spent all of his life in Dorval, was employed by the Canadian National Railways until he retired a few years ago. Predeceased by his wife, he is survived by his daughters Lily, of Dorval; Isabelle, Mrs. H. Smith of Cornwall; Pearl, Mrs. E. Booth of New Westminster; Mary, Mrs. A. Berthiaume of Chateaugay; and three sisters: Mrs. A. Vallancourt, Ville St. Pierre; Mrs. A. Rousseau, Pointe Claire and Mrs. O. Brisson of Pointe Claire.

POLICE CHIEF INVESTIGATION CONTINUES

A further private meeting of the committee investigating the circumstances surrounding the recent suspension of Dorvals Director of Police & Fire has been called for Friday evening, September 9th.

The committee which is composed of Mayor John Pratt and City Councillors, has asked Chief Noel to appear and also expects to hear testimony from Mr. W.W. Owen, General Manager, Canadian Underwriter's Association.

Chief Noel and Mr. Owen were not present at an earlier meeting were witnesses J.N. Pryce and J.J. Amyot answered questions put to them by the committee. Mr. Pryce is director of Fire Protection, Engineering Division C.Y.A., and Mr. Amyot is Chief Engineer, Municipal Fire Protection Division, Quebec Branch, C.U.A.

Red Cross Blood Clinic

The Red Cross must collect and distribute 2,000 pints of blood each week to the 114 hospitals affiliated to its free blood transfusion service in the Province of Quebec. Be generous and come and give blood at the Dorval Circle clinic which will be held on Monday, September 19th, from 1:30 p.m. to 4:00 p.m.

Thousands of lives are saved each year in Canada through the free blood transfusion service inaugurated in 1948, said Dr. J. Marc Fortin, Medical Director of the Red Cross Blood Transfusion Service. No substitute has been found for blood yet and each drop generously given by a volunteer donor is precious and is treated as such, said Dr. Fortin.

From the time the donor is selected until the transfusion is completed, the pint of blood is handled by well-trained personnel. The blood itself is carefully grouped, typed, and tested serologically.

After the blood has been collected, it is immediately refrigerated and stored at from 38 to 40 F. until transfused. Before blood is given to the patient, a sample of the donor's blood is carefully cross-matched with a sample of the recipient's blood to make sure that they are compatible. The cross-matching is done by highly trained technicians at the hospital's laboratory and for this all important test and for the administration of the blood the hospital charges a fee which does not exceed \$5.00.

Careful administration ensures the best use of the blood. Thus, the recipient is protected from start to finish. It is for the patient's welfare that the blood is collected, and every effort is made to see that it reaches him safely.

"The donation of a pint of blood is not a painful or uncomfortable experience," Dr. Fortin said. "Most donors feel no sensation at all during the time the pint of blood is being withdrawn, and only a very small percentage of them have any sensation afterward. Perhaps four or five donors out of every hundred have a slight feeling of weakness after the donation, but this is quickly alleviated by 10 or 15 minutes' rest and some refreshments."

A minimum of 3,000 pints of blood are necessary to fill the weekly requirements of the hospitals in the Province of Quebec.

Back To School Traffic Safety

The Dorval Safety Council draws to the attention of every motorist the necessity for greater care when driving on city streets. With thousands of children returning to school after a care-free summer vacation, the motorist is faced with the added responsibility of being ever alert for the sudden darting of a child across his path. HELP KEEP OUR CHILDREN SAFE FROM TRAFFIC ACCIDENTS.

John
Pratt
says

From Winnipeg

Last week I had the honour and pleasure of attending the first Area Conference of the Canadian Branch of the Commonwealth Parliamentary Association, which was held in the Legislative Chamber in Winnipeg. I was one of eleven delegates invited to attend from the Federal Parliament and each of the ten provinces were asked to send four delegates each. Nine provinces responded but, unfortunately, British Columbia was unable to appear as that province is in the throes of an election.

Sir Alister McMullin, K.C.M.G., President of the Australian Senate, also attended in his capacity as Chairman of the Commonwealth Parliamentary Association, and left immediately after the Conference to attend another in Uganda, Africa.

To familiarize the delegates with the activities and problems of this "Keystone Province", we were taken on a most interesting and instructive tour which included Flin

Flon, Dauphin, Brandon, Minnedosa, Portage la Prairie, and, of course, Winnipeg itself. We also visited a typical Manitoba farm to see the day-to-day operations in actual progress.

Flin Flon is a fascinating settlement which was only pioneered some thirty years ago and is consequently a strange mixture of frontier life and modern amenities. Although it is situated in the midst of nowhere, nevertheless I saw the marks of civilization in the inevitable signs forbidding parking for more than fifteen minutes.

Most cities in Canada have a wonderful background of hardy pioneering effort, but the citizens of Flin Flon must have, in addition, a personal sense of achievement, as everything has happened in a few short years in their own lifetime. One elderly resident told me of seeing one of the first settlers standing up to his waist in a mixture of mud and snow while he hammered four stakes into the ground and covered them with canvas to make a home that night for his wife and children, who were huddled around a pathetic little fire in a nearby snowbank.

Flin Flon has no television as yet and is very anxious to receive such a service as soon as possible. However, her present isolation has not been without its reward. Flin Flon, with an area population of about 15,000 people, is able to produce stage productions of such shows as Oklahoma, with a cast of 56 and an orchestra composed of two pianos and an organ. What is even more impressive to a theatre man, is that they play to three thousand people at a top price of \$1.50, and make a profit. Twenty percent of the population buys tickets to support these efforts, enough to arouse the envy of even the most civic-minded towns in this country.

This spirit of self-sufficiency is not limited to the isolated settlements, but is typical of all the people in central Canada, and the country has every reason to be proud of Manitoba, the "Keystone Province".

POLLUTION

cont'd from page 1

responsibility. If you cannot bring yourselves to solve your share of this problem then we would suggest that you step aside and let other more capable Dorval citizens do it for you.

Stop trying to pass your responsibility for water pollution onto some other government. Face the facts that Dorval is polluting Lake St. Louis and by so doing it is committing an immoral and uncivilized act that must, for the sake of human decency, be stopped now.

Gentlemen! The choice is yours. Three dollars a year per head for an urgently needed cleanup, or the continuation of the present shameful and disgusting local situation. The health and well-being of you fellow citizens, or the health of pollution. Which shall it be?

We leave you with your consciences.

Mr. WG McHugh
Chairman of the Anti-Pollution Committee
Lake St. Louis Anglers Inc.

To Mr. W.G. McHugh

I have received a copy of a letter which you have addressed to the Council of Dorval in regard to pollution.

May I say, at once, that I am not accusing the members of the Lake St. Louis Anglers Inc. of being politically partisan, but that your series of letters addressed only to the City of Dorval, and apparently to no other municipality, left me with the impression that you personally had a political motive. I shall be only too glad to change my mind about this if you can give me one good reason why you are picking on the City of Dorval and not on any of the other municipalities which pollute our local waters.

I can only repeat that the City of Dorval will be obliged to proceed immediately with a sewage disposal plant if her neighbours will do likewise. Why do you not ask these neighbours to express an opinion on this proposition?

As I have tried so many times to point out the quickest method would be for the Province to order all the offending towns to act immediately and this would be much simpler and more efficient than trying to get so many municipalities to agree to act together. Here is a situation in which the municipality is begging the Province to force it and others to act on this problem, and the reaction the City of Dorval gets from you is abusive criticism for taking this initiative to clear up a disgusting situation. Again I ask you, why do you not join us in asking the Province to take the only action which can remedy this situation immediately and for the whole area? It is your failure to do this that has made me suspect your political motive. If I am wrong I am sorry and I hope you will join us in making such a request to the new government at Quebec. They have, in any case, made definite promises to do something and I have every hope and confidence that they will keep these promises.

Speaking personally, as your letter was addressed to the Council and not to me as Mayor, may I state that I have always been in favour of Dorval taking immediate action by itself. I am sure that most of the Council agree with me in this, but feel that it is unfair to ask the Dorval taxpayers to add to their already heavy burden when the result will still leave the waters in front of Dorval heavily polluted by the municipalities above. If the citizens of Dorval wish to make this generous gesture they have only to inform the Council and the necessary expense will be undertaken forthwith. A referendum is very expensive unless held at the same time as an election. I see no reason why one should not be held for this purpose at the next municipal election which will take place in Dorval next April.

R. John Pratt, M.P.
Mayor of the City of Dorval.

Letters To The Editor

The Editor,
The Dorval Reporter.

I have read with great interest the recent articles by Mr. W. G. McHugh concerning the pollution of Lake St. Louis by the bordering Lakeshore municipalities.

Although Dorval is not the only polluter, Dorval should set the example. If the citizens of Dorval can afford swimming pools, surely they can afford a sewage treatment plant.

Mayor John Pratt seems to be trying to sidestep his major election promise of ridding Lake St. Louis of pollution.

The Lake St. Louis Anglers are to be complimented for their persisting and continuous effort of having this sordid mess cleaned up.

Yours truly,
K.C. Whiland
736 - 12th Ave.
Lachine, P.Q.

The Editor,
The Dorval Reporter.

Through the medium of your paper, I would like this letter published so that some action may be taken by the Dorval City Council.

For some days now Parkfield Avenue has been jammed and this certainly makes the parking area around the D.F.A. busy food joint ideal, but alas we have now created a speedway for motorists between Graham Blvd. and Wright Crescent. Just a month ago a little girl was struck by a car near the intersection of Parkfield and Wright Crescent and before long I am sure that there will be many more accidents of this kind if the City of Dorval don't put up some Stop Signs. It is my opinion that these Stop Signs should be placed at the intersections of Wright Crescent and Parkfield.

Let us not wait for the first fatal accident before this is done.

Yours truly,

Jack Batley

C.W.L. Annual Card Party At St. Veronica's School

A card party sponsored by the St. Veronica's Parish Council of the C.W.L. will be held in the school auditorium at St. Veronica's on September 30. The event, in support of the Land Programme Year, will include a fashion show by Juliette. Door prizes, table prizes and refreshments will make this an interesting evening out at the beginning of the fall season.

Mrs. E. Raus is the General Convener who will be assisted by Mrs. L. Keiller, Mrs. L. Dolan, Mrs. B. O'Connell, Programme Convener, Mrs. M. Cantwell, Ticket Convener, Mrs. J.G. Dolan, Door Prizes, Mrs. L. Boucher, Fashion Show, Mrs. F. Ganley, Refreshments, Mrs. T. Kaliski, Raffle Mrs. J. McTavish, Publicity. Local models will be featured in the

showing of hats and dresses by Juliette.

Little League

In the playoffs of the finals the Dodgers meet the Red Sox in two games this week. The second game will be played on Thursday evening at Courtland Park and spectators are urged to get out and cheer on these hard hitting Little Leaguers through these exciting last games of the baseball season. In the semi finals the Dodgers beat the Senators in two straight games; the Senators brought the second game up to a close fifth but lost out by two runs. The Red Sox defeated the Giants two games to one.

Harmony, Inc., Start Fall Season

Although some of the Dorval members of Happy Tone Chapter managed to go away to summer cottages, or spend their time on the new DRA golf course while their husbands organized wonderful DRA Pool activities, other members of Harmony, Inc. on the Lakeshore, spent their time sewing doll's clothes! Mrs. Walcott and her neighbors on lower Wright Crescent are slightly cross-eyed, but enthusiastic over their efforts in conjunction with Mrs. Rodgers of Valois in this project of dressing a teen-age doll in bridal gown and providing a trousseau for it. The doll will be on display in Templemen's store window on September 15th.

Mrs. Pougnet has rounded up

some more members, so that when the first of the regular rehearsals start on September 12th, there will be several cars from Dorval travelling on to the new High School on Cote St. Luc north of Decarie Blvd., where the meetings will be held, 8-10:30 p.m. every Monday thereafter. Now that the DRA activities are slowing down, Mrs. Pougnet hoped to see more of her husband, but being such an active member of Harmony Inc., herself it looks as if the Pougnet's are never going to get together! Any woman interested in four-part harmony, on a strictly amateur level is invited to get in touch with Mrs. Pougnet at ME 1-0515.

IN FOCUS

By K. M.

PICTURE OF A HAPPY MAN Gordon Glencross when this picture was taken in August, 1959 with his baby daughter Wendy was a carefree and happy man who did not know that within a few days he would be stricken with polio. In the Dorval Reporter, Sept. 10, 1959, concern was expressed for this Dorval father of four, in hospital and paralyzed. One year later — in last Saturday's Weekend Magazine section of the Montreal Star an article by Mr. Glencross was printed entitled, "I Never Found Time For My Polio Shots." The article tells about the onset of the polio, his struggle to stay alive, his rehabilitation, and return to his family. It is a story with a moral. Mr. Glencross is today a happy man. He is home with his family and back at his job full time. He has lost some of the old carefree freedom but he is able to walk with braces and canes. He knows that he has come a long way. Lorna and Gordon Glencross pass lightly over their own courage and determination when they tell the story; they emphasize the kindness of neighbours who have helped them in so many ways and are still quick to help with heavier jobs like cutting the lawn. Five neighbours have arranged a car pool so that transportation is provided each day of the week, to the Bell Telephone Co. where he has resumed his job. "It is good to live in such a neighbourhood." Most of all Mr. Glencross wants to repeat and repeat the message "Get your polio shots!"

AT THE EL PASO The De Courcelles Chapter of the I.O.D.E. are planning a Fashion Show on September 19. Raymonde Dress Salon is supplying the clothes and there will be women's fashions featured also.

The I.O.D.E. will be sponsoring the Senior Citizens Social Club which will meet at St. Marks this year, and hopes also to be able to adopt a child through the Foster Children Plan.

CONGRATULATIONS to Sandra Maclean, winner of one of the Bank of Montreal Scholarships, the Lakeshore University Women's Club Scholarship and a McGill Entrance Scholarship; to Lise Novak who will share the second L.U.W. Club Scholarship, and who also won a McGill Entrance Scholarship; and to Lorna Newcombe, awarded a J.W. McConnell Science Scholarship. . . . A story which should be mentioned about Lise — This young lady obtained a 100% mark in History which is a rare attainment in essay type examination. Her teacher, Mrs. W. den Dikkenboer should get honourable mention in this achievement note.

GRADUATION EXERCISES for St. Stephen's High School pupils will be held in St. Veronica's school auditorium, on Friday evening, September 23. John Buell, Professor of English at Loyola, and author of The Pyx will be the speaker. . . . Informal interview with Lynn, new in a local newspaper is written by a Dorval resident.

SUMMER WINDUP PARTIES IN DORVAL There was an all day party for the youngsters at the Dorval Gardens Country Club last Saturday, with a lobster party in the evening for the grownups. . . . The Dorval Recreation Association Staff and Directors party was held at Ballantyne Pool this year after the pool closing, with swimming, barbecue and music by the Hi-Fi music makers.

THE FIRST BARBER IN DORVAL took enforced leave from his job for the first time in 36 years. Mr. Alex Lafrance, who has never lost time at his job through sickness was missed at his barber shop during the last month. A circulatory ailment kept him off his feet, immobilized for five weeks. Hospitalization and skin grafting have remedied his condition & old customers are glad to see him back at the job he has been doing since 1924 in Dorval.

We leave you with your consciences.

Active Program For Adult Education

There is an increasing interest in adult education study groups on the Lakeshore. This year there will be several opportunities for interested persons to join with others of like interests in discussions. These groups provide stimulating and thought-provoking discussions on many topics, and programmes of study are available to suit almost any taste.

In an effort to reach individuals who would like to take part in these programmes, a nation-wide campaign has been launched by the Encyclopedia Britannica of Canada in conjunction with the Canadian Association of Adult Education, which has a programme of study called "Living Library". Living Library offers Great Books as well as "page programmes" of a somewhat more informal nature.

There will be demonstrations of the two study methods across the nation during the month of September, and the Lakeshore has been chosen as the location for Quebec's demonstration.

This Demonstration of study methods and materials will take place on September 21st at 8:00 p.m. at John Rennie High School in Pointe Claire.

It is hoped that groups throughout Montreal as well as on the Lakeshore will send delegations to this

Great Books Group

A Great Books discussion group will hold the first meeting of its '60-'61 programme on Monday evening under the leadership of Bill Mitchell, York Rd. and Bill Westbrook, Rowan Avenue.

The group, which meets every second week, will be reading and discussing the Great Books Foundation selections covered in the first year course.

Formation of the group began last winter when the leaders, and several employees of the Bell Telephone Co. became interested in this type of discussion programme. As explained in its literature, the idea behind the Great Books discussion programme is simple. It is that adults can learn by reading selections from the classics of our civilization and then discussing them, to quote from the Foundation, "without the help of expert instructors".

The group has attracted other participants from the Lakeshore thus insuring a variety of occupations and backgrounds among the members.

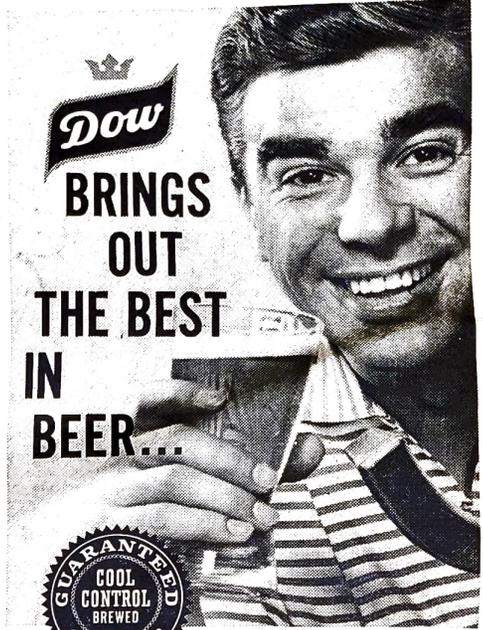

Demonstration. If the interest is sufficient a follow-up programme to help study groups get launched is planned. Individuals not already affiliated with groups interested in adult education are particularly urged to attend. The only prerequisites are an inquiring mind, a desire to increase learning, and a willingness to participate in group discussion. Formal educational qualifications are not necessary.

To date there have been several Great Books study groups in the Lakeshore area. Bill Mitchell, who leads one of these groups, is arranging

the Great Books part of the Demonstration.

The YMCA for several years has had study groups, some of these being "Package programme" as offered by the Living Library. Rix Rogers of the Lakeshore YMCA is presenting the package programme method of study at the Demonstration and plans to use some of the audio-visual aids which are available to groups.

Prof. H. R. C. Avison of the Extension Department, MacDonald College will give the keynote address.

This is to certify that Dow Ale is brewed by the exclusive Cool Control process. This process is continually tested, thereby ensuring uniform high quality.

TOO MUCH FOR ONE CHAMP TO HOLD - Gerry Proulx of Goffland, gives Al Johnston of Kanawaki a hand to display the trophies which Johnston won this weekend in the O'Keefe Quebec Professional Medal Play Championship at Belfoil. Johnston beat Proulx by one stroke in a sudden death playoff, after they tied with 36 hole totals of 138.

Sports

The Dorval Dukes are busily engaged this week in getting over last week's exhibition game against Pointe St. Charles and preparing for the league opener in Lachine this Friday night.

While Coach Ken Morris was pleased with the showing put up by his boys in the 10-1 loss to the "Pointe", the tactics used by the team from the City League have created a few injury problems. Mike Pilonis still recovering from a concussion and Bob Skanes is on the limp from a knee injury. Rough tactics have no place in any league and it is understood that firm action is being taken to stamp it out.

The rest of the team have now largely shaken off an assortment of sprains and bruises and should be ready to roll by Friday.

This year's edition of the "Dukes" will feature a number of

new faces with only a few of last year's key players remaining eligible.

Bill Sansom is back at the quarterback position already showing the benefit of a year's experience. Roger Nicholson is once again operating at fullback and Mike Deserres is running in his familiar spot at wingback. Wayne Audette played a bang up game as a halfback the other night and should be one of the keys to this year's offense.

Rich Cannings and Bernie Rodwitt have come along nicely and will likely be the first string tackles although some of the new boys will give them some competition.

Ted Fraser is showing well as a strong guard and will be joined at the other guard position by newcomer Brian Donnelly who is operating like a veteran in scrimmages.

Despite some lack of experience Coach Morris feels that he has the makings of a good squad this year

and is sure that his boys will be strong contenders for league honours.

The Dukes will play their first regular game at home, Saturday, September 17 at Ballantyne Park starting at 10:00 a.m. against Westlake. Practices are being held nightly at Ballantyne Park and any prospective candidates who would like to try out are still welcome.

The Dukes really play their hearts out as anyone who witnessed their last exhibition will testify. Get out and support them with your cheers - you'll enjoy yourself!

These thirteen promising young Quebec students are among the 50 from all parts of Canada who will shortly begin their college careers in the Arts or Sciences at the Universities of their choice under the Bank of Montreal Canada Centennial Scholarship Plan. Each of these students will receive a scholarship of \$750, in this, the first year of the Bank's seven-year Plan.

We, at the Bank of Montreal, congratulate these exceptional young people. We are happy to assist them in their pursuit of

a higher education in fields where they will have the opportunity - through scientific research and pursuits in the public service - to contribute in some notable way to the common good of the nation in the years ahead.

To all of these students we extend warmest wishes in their endeavours to qualify for the additional valuable scholarships to be awarded each year until 1967, when the Plan culminates in Canada's Centennial Year.

HERE ARE THE ADDITIONAL AWARDS FOR WHICH THESE STUDENTS MAY QUALIFY.

48 SCHOLARSHIPS OF \$1,500...

In the Spring of 1961, the top 16 of these 50 students will each be awarded a B of M Scholarship of \$1,500 for second year university training.

In 1962 and 1963, provided at least good second class grades have been maintained, these same students will each be awarded a B of M Scholarship of \$1,500 per annum... leading to graduation in 1964.

24 FELLOWSHIPS OF \$3,000...

In the Spring of 1964, the top eight of these 16 students will each be awarded a B of M Scholarship of \$3,000 for one year's study anywhere in Canada or abroad.

In 1965 and 1966, provided a satisfactory standard of work has been maintained, those same students will each be awarded a B of M Scholarship of \$3,000 per annum for further study leading to their Doctorate.

2 BANK OF MONTREAL CANADA CENTENNIAL AWARDS OF \$5,000

In 1967, to culminate this seven-year plan, the two top students - one in Arts and one in Science - will be chosen, from all 50 original participants in the plan to receive the Bank of Montreal Canada Centennial Awards of \$5,000 each for a further year of study anywhere in Canada or abroad.

Thus, to each of these two winners - if they have been participants throughout the plan - the Bank will have provided financial assistance amounting to \$19,250.

Scholarship Students are chosen on merit alone - academic standing and character - by independent selection committees of faculty members of Canadian Universities. THE B of M HAS NO PART WHATEVER IN THE DECISIONS OF THE COMMITTEES.

AUTHORS and ARTISTS

By Mary Ellen Scott

PASSION WITH A GIGGLE

No, Virginia, don't be shocked; I said "with a giggle," not a "snigger." For "TUNNEL OF LOVE," Norma Springford's current offering at the Mountain Playhouse is just full of giggles and gales of laughter at Nature's greatest joke on man and, of course, on woman. Playwrights Joseph Fields and Peter De Vries have wrung the last chuckle possible out of a basically very, funny idea, but the fact that they have carried it as "far as it can go" and further, no one in the audience seemed to mind. For this cheerful acceptance of what might have been considered vulgar or embarrassing, or both, Walter Massey's well-paced direction and the cast's smooth vivacity are jointly responsible. Looks as if the hot, hepped-up sex life of these suburban New Yorkers will carry on until frost makes the Mountain Playhouse too frigid even for them.

Two young couples, one of whom seem to be to beat the Dionnes, (she's progressively bulkier in maternity smock right through the play), the other knocking themselves out with fertility tests, temperature taking and all the other gimmicks frustrated moderns try to get themselves in the same leaky boat with the rest of us, is basically a very funny notion. Add a temptress, well-stacked, in the person of Beryl Baxter, her baby by the man whose wife wants one, and you've got trouble with a capital T.

The converted barn turned charming home was convincingly executed by Arthur Voronka. Gladys Richards was charmingly voluble as the fruitful Alice Pepper, but Henry Ramer as her perpetually roving mate was less convincing, perhaps because personally, I couldn't see why any gal would want him! Walter Massey played the leading role of the conventional man who pays too heavily for one slip in the dark and did the dual honours of director and leading man with aplomb.

If I were you, and I hadn't been to the theatre lately, I'd drive up to the Mountain Playhouse one evening this week and have a really good laugh.

ST. PAUL'S OPERATIC

TO PRESENT "PATIENCE"

St. Paul's Operatic Society announces that its production for the forthcoming season will be "Patience" by Gilbert and Sullivan.

Auditions for principals and chorus will be held in St. Paul's Church Hall, 44th Avenue, Lachine at 8 p.m. on Tuesday, September 13th. Anyone interested in taking part is invited to come to this casting rehearsal. At this stage all voices are welcome, although it is known that there is a particular shortage of men's voices, tenor and bass.

BUYERS MARKET

WITH ELLEN

Back to school goes that little daughter of yours. And who feels more chic than she with a hair-cut styled just for her by SALON MAXIME?

And with the brood back to school you can tackle the fall sewing. The brocades and lames now available in HARRISONS will put you in an inspired mood for creating something special for your most glamorous winter party.

Another dented fender? Oh mister, you should be more careful. Could be worse though, see DORVAL MOTORS right away, for body work is their speciality.

They're cheaper by the dozen! Not kids this time, but all sorts of pads, notebooks and construction paper for the back-to-school set - at MORGANS of course.

Buy a pal for your budgie! He'll be lonesome when you're away at school. Java finches, ideal budgie companion, are available in the pet shop BLEURY HARDWARE.

Now is the season to plant shrubs & bulbs for bloom in spring. Need a new spade or a rake for those autumn leaves? They are 20% off just now at BOYER HARDWARE in the village.

With trains to catch and buses to meet, that watch of yours should keep perfect time. If it doesn't, see RICHER JEWELLER for prompt expert attention to all repairs.

Want to capture these golden

Barlow Ganley Wedding

The marriage on Jenn Theresa, daughter of Mr. and Mrs. Francis James Ganley, of Dorval, to Mr. Kenneth Saxby Barlow, son of Mr. Eleanor Martineau, of Lachine, took place recently in St. John Fisher Church, Valois, the Rev. Father Norman Griffin officiating. Mrs. McInerney played the wedding music, and Mrs. Beverley Beaudoin sang during the ceremony. Stand-

ards of multicolor gladioli were used to decorate the church.

The bride, who was given away by her father, was gowned in white silk organza with a fitted bodice having a bateau neckline edged with lace appliques, and a three-quarter length sleeves, and a bouffant skirt appliqued with the same lace. Her shoulder-length veil of tulle illusion was held by

a white organza headdress, and she carried a prayer book covered with white gladioli blossom and stephanotis.

Miss Carol Ganley, as maid of honor for her sister, and Mrs. Patricia Breever, as attendant, were in frocks of printed silk organza over taffeta, the maid of honor being in pink and blue printed organza over pink taffeta, and the attendant in lilac and gold printed organza over mauve. They wore tulle hats to match their frocks, and carried bouquets of pink and mauve gladioli blossom.

Mr. Keith Morier acted as best man for Mr. Barlow, and the ushers were Mr. Larry Wilson and Mr. Allan Evans.

Mrs. Ganley, the bride's mother was in a gown of Copenhagen blue silk shantung with a feather hat and accessories of the same shade, and a corsage bouquet of red Sweetheart roses.

Mrs. Martineau, mother of the bridegroom, was in a gown of royal blue silk crepe and wore a shaded feather hat, matching accessories, and a corsage bouquet of pink Sweetheart roses.

STRATFORD LAYS PLANS FOR NEXT SEASON

Now is the time to make your resolution to go to Stratford next season. Plans made well in advance have a way of turning out, and Michael Langham announced this week the plans for the 1961 Season, which will be the longest season to date - 14 weeks. The plays to be presented are "Coriolanus," a very late Shakespeare play, "Love's Labour's Lost" and "Henry VIII."

The new Canadian drama, which will also be seen at the Festival Theatre is the first prize winner, "To the Canvas Barricade" by Donald Jack, in the recent Stratford Festival-Toronto Globe and Mail Play-writing competition. See you there!

SPEAKING OF NORMA SPRINGFORD . . .

. . . which were doing a few minutes ago. Norma Springford has been appointed General Manager of the Montreal Repertory Theatre. She will also head the MRT School of the Theatre. The Board could hardly have made a better choice. With her highly successful Mountain Playhouse, her background as a teacher of Theatre Arts at Sir George Williams University, and above all with her smart instinct for good box office and slick productions, she should be the shot in the arm which MRT, now barely on its feet again, needs to recover the prestige it had some years ago. English Montrealers will be so pleased!

The drawing for the CFOX Thousand Dollar Bill, made by Mrs. Olive Urquhart, Mayor of Pointe Claire, at the CFOX Studios, climaxed the two month contest on CFOX.

DeCOURCELLES CHAPTER I.O.D.E.

The DeCourceles Chapter of the I.O.D.E., Dorval, held a meeting at the home of Mrs. A. Armstrong, Pine Beach, on August 22nd, to finalize arrangements for the Fashion Show to be held at the "El Paso" Cafe on September 19th, by

Raymonde Dress Salon, Lachine. The Fashion Show is being held to raise funds to carry on the work of the Chapter particularly their major project which is the sponsoring of the Lakeshore Senior Citizens Club.

Lachine-Dorval Y.M.C.A. Offers Fall Program

Fall program activities for boys and girls, teenagers and adults have just been announced by the program committees of the Lachine-Dorval Y.M.C.A. Programs ranging from swimming instruction and hobby groups for the youngsters to an interesting series of informal educational classes for adults will be offered, the 'Y' announced.

Swimming instruction classes for boys and girls 8 to 12 years of age will get underway Saturday afternoon September 24th. The classes which are for both beginners and experienced swimmers will be held at the Westmont YMCA pool with the girls swimming from 2:00 to 3:00 and the boys group having its instruction from 3:00 to 4:00. Registrations for the swim classes will be open commencing Monday September 12th. Saturday gymnasium classes for boys and girls will commence on October 1st and classes will be held for boys at Summerlea, Surrey Gardens and Dorval Gardens Schools. Girls gym classes will be held at Meadowbrook School and Surrey Gardens School.

A variety of hobby and craft groups will be offered to youngsters 8 to 12 and they include woodwork, leathercraft, lacing, copper foil and others. In addition there will be a carpentry class, a models club and a stamp club for boys. Most of the above groups will meet at the YMCA and are scheduled to get underway during the latter part of September.

A new art class for boys and girls will be held on Monday afternoon at the 'Y' for a ten week period starting September 26th. Qualified instruction will be provided. Registration should be made in advance.

Teen age 'Y' members 13 to 17 years of age will have an opportunity to participate in Hi-Y club program which provides many opportunities for education, recreation, social activities and Christian service.

DORVAL PERSONALS

ME 1-1628

As an added service to the Community, this column will be published weekly to cover Church Group and Club announcements as social items. The kind co-operation of our readers will be appreciated.

The Misses Marion and Margaret Gill, Patricia Pougnet and Elizabeth Ann Tweedy, all residents of Vinet Avenue, organized a variety show which was held at the home of the Gill family, the proceeds of which were handed in to the "March of Dimes. These young girls are to be congratulated on their enterprise and public spirit.

Congratulations to Mr. and Mrs. Lloyd A. Davies, Mimosa Avenue, who celebrated their twelfth wedding anniversary on September 5th.

Mr. and Mrs. W. Innes Cunningham Violet Crescent, motored to their cottage at Bevans Lake, Que., with their son and his family, Mr. Stanton Cunningham, of St. Bruno, Que., for the Labour Day week-end.

Mrs. H.R. Sawyer, LePAGE Avenue, entertained at a surprise baby shower last week in honour of Mrs. G.A. James, Strathmore Blvd.

The Misses Barbara and Beverley Edmonds, Wright Crescent, and Miss Danielle Lewis, Lachine, spent the holiday week-end in New York City where they were guests at the Hotel Paramount.

Birthday greetings to Mrs. E.M. Bryson, Rockcliffe Avenue, who celebrated her birthday on September 3rd. Greetings also to Mrs. R.J. Clatworthy, Dubord Crescent, whose birthday was September 4th.

Congratulations to Mr. and Mrs. W.J. Smith, Dorval Avenue, who celebrated their twenty-fourth wedding anniversary on September 4th.

Mr. and Mrs. V. Godbeer and their two children, O'Connell Ave., spent Labour Day week-end camping at Lake Memphremagog, Que.

The Kelly family of Tulip Avenue, returned home in time for school-opening from a vacation spent at Pointe au Chein, Que.

Congratulations to Mr. and Mrs. Donald Mason, Westwood Ave., who celebrated their wedding anniversary on Sept. 6th; to Mr. and Mrs. Alex Church, London Ave., who were married nine years ago today; to Mr. and Mrs. J. McGovern, Dubord Crescent, who will be married fifteen years tomorrow; Mr. and Mrs. K.M. Lee, Clement Avenue, five years on Sept. 10th; Mr. and

Mrs. G. McGowan, Strathmore Blvd., twelve years on Sept. 11th; Mr. and Mrs. J.L. Johnson, Dubord Crescent, eighteen years on Sept. 11th; Mr. and Mrs. N. Robinson, St. Louis Avenue, Sept. 11th; Mr. and Mrs. T. Martin, Hyde Park Ave., eighteen years on Sept. 12th; and Mr. and Mrs. John F. Carmichael, Pine Beach Blvd., also Sept. 12th.

Birthday greetings to Gloria Peanycook, Westwood Ave., six years old on Sept. 4th; John Jordan, Graham Blvd., ten years old on Sept. 4th; Mary-Elizabeth Conroy, Linnet Crescent, six years old Sept. 5th; Minique Quessnel, Goldfinch Ave., sixteen years old on Sept. 5th, as well as Eddy Mackisoc, Prince Charles Ave., seventeen years old and his young sister, Ellen, five years old on Sept. 4th.

Mr. and Mrs. T.E. Hern and their family, Neptune Blvd., returned home last week from a two month vacation spent in England.

Mr. and Mrs. L. Cunningham and their family, Strathmore Blvd. N., have returned home after having spent the past two weeks vacationing at Bevans Lake, Que.
