"I Am" of Consciousness Therefore "I Am"

Alignment ~ Awakening ~ Ascension

On this **1111** a mass of the many have gathered to its utmost greatest, in a **Co-Collective and Conscious** Assembly of Light Beings, bearing a **Luminous Living Light Field** that is Expanding throughout this plane of Existence, in an **Energy Experience**.

1111 is a Portal, a Doorway, a Gateway to the **Inner-Temple of Love and Light**.

1111 is a **Coded Frequency** that is developing quickly within the **soul's spirit** as a Remembrance of Awakening, for one has been Asleep long enough.

1111 creates energy consumption to those willing to open up and receive the many gifts this **Code** has to offer. As the Energy begins to consume the entire embodiments makeup, the cellular level co-corrects the indifferences within and the debt of karmic patterns of one's life times.

11 is a **Code of Connectivity**, activating an opening of the Grail Codes, aligning, balancing and calibrating the body to be awakened and readily activated to its gifts we ALL have and are Now ready to open. It is life changing, and alters one's vibration to a greater and higher consciousness in an awakened state of continual intelligence.

The **Mastery Number of 11**, **doubles the developments** of one's Aspectual being, and the gifts begin to converge the **Masculine and Feminine** bodies of Oneness.

1111 brings forth a unique reveal of the **Coded DNA** that represents the God-Name, the Source, the Great Spirit. The **1111 Code** is an influential "**regeneration**" to strengthen and prepare one to Awaken, to Illuminate and Ascend to the Crystalline Light Body.

The **1111** is a **Code of Star Light Energy** that is
ALWAYS available, for it lives within.

Message ~

In a Veil beyond, there is a "**Presence of Her Essence**" coupled with **His Divine Cloak of Protection**. Within the **Codes of 1111**, we are an **Experience of Energy Expanding and Enlightening**.

From the Beginning, the **Highest Aspect of YOU**, Imbedded the **Energy of these 1111 Codes** within thee, as a **Key to Ascension**, that someday from your **Dream state**, you would **Awaken**. These Implanted-Seeds, are the **Energy** that Supports and Propels You **Forward into a Future**, laying a **Foundational Formula** to Unify you with Your **Sacred Code of 13**. As these two begin to **Emerge**, the **Embodiment** begins to **Illuminate** into the Multiple Synchronicities as Ebb and Flow.

1111 is a Divine Opening into a **Veil of Virtues** and a **New Reality** that **Creators are Creating**.

1111 is an Invitation for one to Step into their Service of **Self-Empowerment** as an **Enlightened Embodiment**, that is **Converging** these **Codes** in a **Consciousness** of the **Collective**.

1111 is a Divine Code that Lives Within. Today we are **Activated** in a **Rite of Self-Remembrance** as a **Doorway to the Divine**.

Within our **New Reality** is a Life-time of **Amazing Amenities** as the **Angels Align** us in this **Awakening** and **Accessional** Process.

Today, the Divine asks us to Separate from **Ties of Karmic Contracts** that no longer serve our **Authentic Selves**. Deep within the **1111 Codes**, is a **Consciousness** that helps us to let go of a **Clouded-Confusion** that may blind the **Sight to See** its Truths.

We must learn to **Trust** our **Inner-Intuition** and Reveal the Truths that will help set us Free. No longer, do we need to give away our **Power to Please** that of Other.

Let the **Energy** of this **Experience**, serve as a way to gain altitude into a Higher Plane of Existence, that will Alter our **Energy Fields** to **Emerge** these **Conscious Codes of 1111** with **Divine Feminine Sophia Consciousness of 13**.

***Once you begin to Answer Yourself from the many questions Asked,
You may Realize that you are Already Awakened.***

It is Time . . . Please go within and **Utilize the Keys of Life**, that can **Unlock** all **Mystery** of our **Memory** still in **Motion**.

***If the Path You are Walking is complicated by those you Follow,
then Let Go . . . and Lead thyself.***

Letting Go, ensures us that our **Path** leading to **Purpose** isn't as difficult as we have made it out to be. **The Key is Patience!**

1111 is a Gateway to Illuminate the Light from the Temple within. It is life changing and alters one's vibration to a greater and higher consciousness, and to an awakened state of continual Intelligence of the **I Am**.
