CAREER ENRICHMENT

Nurse Leaders/AONE Journey

From the rugged beauty of the Andes, to the crystal waters along the coast, to the endless green of the Amazon, Peru's landscape offers many worlds in one. Settled by Norte Chico, the oldest known civilization in the Americas, it has been home to ancient Inca kings and Spanish conquerors. Today, Peru's culture remains colorful and diverse.

Program Highlights

- 7 nights / 8-day journey through Peru
- Interact with **nurse leaders and allied medical professionals** from a variety of facilities in Peru.
- **Accompanying guest program** – alternate activities will be provided for guests who do not wish to attend the meetings
- *Nanda Journeys and the University of Pittsburgh School of Nursing are collaborating to develop this educational activity. Continuing nursing education contact hours are currently being determined. The University of Pittsburgh School of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC) (PO229). **8.0 CNE credits will be sought.***

Focus on health care

- **Meaningful interaction and collaboration** between travelers and health care professionals in Peru will focus on the greatest challenges facing Peru today in the equitable delivery of care.
- **Exchange information** with your Peruvian counterparts with a focus on the health care system: funding and governance; nursing practice: role of nursing, preparing nursing students for expanded roles, workforce challenges, quality & safety issues; nursing education: structure, role in health care policy development.

Focus on the community

- Giving back and engaging with the local community is an important part of your journey.
- Spend time in a **rural village** interacting with the local families and students in a local school. Visit a **rural clinic** to learn about access to care challenges faced in this community.

Program Leader: Bob Dent, DNP, RN, FAAN

2018 President, AONE

Bob is senior vice president, chief operating officer and chief nursing officer at Midland Memorial Hospital in Midland, Texas. He has more than 25 years of health care experience, including work as an RN, licensed nursing home administrator, chief nursing officer, chief operating officer and dean of the Health Sciences Center at a community college.

- He is passionate about health care leadership, the professional practice of nursing, and creating strong cultures whereby people can be and perform at their best. He has been in health care for more than 27 years and in leadership roles over the past 18 years.
