Dear Parent/Guardian or Participant,

The volunteers and staff at Saving Grace Farm's Therapeutic Programs (SGTP) look forward to having you participate. SGTP provides therapeutic equine activities to individuals, families, and groups, with all types of special needs and differing abilities. In order to participate, you must complete the attached application forms and send them in to us. Please note that one of the forms is a physician's form. SGTP requires all applicants with *diagnosed special needs* to obtain a physician's form and statement clearing the participant of any contraindications that might restrict the client's participation in our programs. This packet *must* be completed before the client can *ride* in the program.

*The farm will be required to regretfully decline the client for riding, for the safety of the client, staff, and volunteers if:

- The physician does not clear the client for riding.
- Any form is not completed by the *authorized* individual (i.e. parent, guardian, or physician).
- The student has any condition which could be considered a contraindication (riding would be harmful).
- The instructor finds, that for *any* reason, it would be unsafe for the student, volunteers, staff, and/or horses to accept the client into the program

***Please Note:** Students may still be able to participate in ground activities with the horse, even if they are unable to ride. We have many other activities that are fun and have a powerful therapeutic effect on individuals. However, if the SGTP staff finds that the client may be a danger to themselves or others while on the premises of the farm, the staff reserves the right to remove the client from ground activities as well. *Any client on the premises of the farm must complete a liability release form.* SGTP reserves the right to decline/remove a client from activities due to safety or behavior at any time during their relationship with SGTP.

Once SGTP has received the application, we will schedule an evaluation with you/the client and then consult with you to determine a lesson time for the student each week. Class times and sizes are limited. If we cannot fit the student into the current schedule, they will be placed on a waiting list and we will contact you as soon as an opening becomes available. We will consider those on the waiting list first when scheduling the next session.

Lessons at SGTP last approximately 30 to 60 minutes and occur in sessions. Sessions are scheduled each year and listed on our services page online. Lesson Tuition for 8 weeks is \$320 (\$40 per lesson). Actual cost is approximately \$640, however we scholarship the difference. We ask that tuition is paid at the first lesson for the entire session, however payment arrangements can be made. Scholarships or funding assistance programs may be available upon request. You may ask for the scholarship application from the office. Scholarships are limited and on a first come, first served basis. For information on other funding assistance programs please call our office.

Please return this application to: Attn: Director

Lesson Policy

Saving Grace Farm's Therapeutic Programs are here to help individuals with special needs experience life to the fullest and offer a unique opportunity for human empowerment, connection, healing and joy through equine assisted activities. In order to maximize the number of clients we can help, and offer the best programs possible, we have a few policies in place to aid in our program running more smoothly. We understand that sometimes there are extenuating circumstances and we try to be as considerate of your situation as possible.

- Therapeutic Riding or Equine Assisted Activities are \$40 per lesson for individuals
- Lesson tuition is due on the first date of service
- Lessons should be paid for per session *(6-8 weeks) Arrangements may be made for bi-weekly or monthly payments with director permission
- Students should arrive 5 to 10 minutes prior to lessons to ensure they are ready and prepared to begin
- If a student is going to be late, please contact the instructor/director in ADVANCE. Being late limits your lesson time, so please try to avoid this if possible.
- If Saving Grace cancels for any reason, we will hold a make-up or credit your payment to the next session.
- If a student will be absent, please notify the instructor immediately. We ask that you give at least a week notice if possible. When given a week notice, the instructor will schedule a make-up or give a credit. However, if the instructor is not given one week advanced notice, Saving Grace reserves the right to cancel the lesson and retain the fee. In the case of illness or extenuating circumstances, the farm may make an exception and grant a make-up, at the Director's discretion.
- "No shows" (skipping lessons, with no advanced notice or less than 4-hours notice) will not be granted a make-up lesson, and the fee will be retained. True emergencies are an exception, per Director discretion. Three "No shows" are cause for dismissal from the program per Director discretion.

We will attempt all means necessary to ensure you or your child every opportunity to participate in the programs here at Saving Grace. We simply ask that you offer us as much consideration for our time and programs as we in turn offer you and your family. At Saving Grace, we try to emulate mutual respect and trust, and we hope that you will see this, as you participate in the wonderful programs we have to offer here.

Thank you for your participation in the programs at Saving Grace Farm.

Janna Griggs
Executive Director
