Bad Weather Policy

Per Katy ISD rules: If there is lightning in the area, swimmers must clear the pool for 30 minutes after the last roll of thunder.

- If a storm is forecast to end within the first 30 minutes of practice, we will do a delayed start
- If a storm is forecast to end more than 30 minutes into the practice, we will cancel practice
- If a storm starts during practice, swimmers will be removed from the water and practice will be cancelled. Parents will need to pick up early in this case

We will do our best to notify parents and swimmers if we have to cancel or end a practice early due to a storm. We will send an email if possible, but we will always send a text message through **REMIND 101**.

If the weather is questionable, **please do not drop off your swimmer** without checking that there is a practice. We might not be there and your child would be alone.

General rule of thumb – if it is storming while you are enroute, practice will probably be cancelled.

get well soon

Please join us in sending best wishes and healing thoughts to Coach Sharon who will be having hand surgery this Friday. We hope to see her back on deck early next week.

Competitive Swimmers – Please have full equipment by Oct 1st. Shark School -- please have kick boards ASAP.
