Thursday	July	13	10:00-1200	The Rise of the Jewish Gangster	Ronee Siegel - Activity Leader, Presenter - Bill Weiss - Many people don't know that organized crime is very much a part of the Jewish experience in America. Jewish gangs took their place alongside their Irish predecessors and Italian contemporaries in mastering the rackets in immigrant ghettos. Jewish mobsters dominated the booze trade during Prohibition, and the labor rackets before, during and after the Roaring Twenties. Jewish gambling operators started building modern Las Vegas as early as 1931, and extended their influence to gambling rackets all over the nation. The Mafia has gotten most of the blame for organized crime in America, while Jewish mobs have walked away with most of the profits. The Zoom link will be provided.	ronees@aol.com
