

Pentwater Sportfishing Association “Teach A Kid” Fishing Tournament Results - 2025

The 2025 ‘Teach A Kid’ event was held on June 28 and the 29 eager young fishermen had a perfect day on the water. Eleven boats took out 29 youngsters and fished until the Noon weigh-in at the Village Marina. The goal is to teach young anglers the ‘how to’ of big lake fishing and appreciate the resource available in Lake Michigan for the future of our sport.

As the coolers of fish lined up for the weigh-in, PSA provided the picnic lunch for the kids and supporters to get everyone ready to cheer for the big fish and congratulate the kids.

Grand Prize Big Fish was caught on the Shark Bait boat by Keegan – a 20.95 lb King Salmon. Keegan received a custom-built rod and reel along with a trophy and other prizes.
