

# 2019 ICTPA 32<sup>nd</sup> Annual Conference San Francisco Bay Area/Silicon Valley

## About the Conference

The International Chinese Transportation Professionals Association (ICTPA) is proud to announce its 32nd Annual Conference to be held May 16-19, 2019, in San Jose, California, the heart of Silicon Valley, known worldwide for consumer and transportation technology development. ICTPA's conference is recognized as the leading U.S.-to-Asia platform for information exchange, networking opportunities and business development. It is the top venue to present new findings and learn about the latest technical information in transportation. Detailed conference information is at: <http://www.ictpa.org/>.

## Call for Papers

In keeping with the Silicon Valley location, this year's conference theme is "Innovation in Transportation." ICTPA welcomes papers and presentations demonstrating innovation in any of the following topics:

- **Transportation Planning and System Development:** including but not limited to modeling, simulation, policy, pilots, impacts of MaaS, AV, CV, micromobility, etc.
- **Transportation Infrastructure:** including but not limited to infrastructure design, complete streets/active transportation, V2X, SPaT, fleet electrification, EV charging, etc.
- **Transportation System Operations & Maintenance:** including but not limited to ridehailing, integrated fare payment, traffic safety, vulnerable road users, ADAS, microtransit, etc.
- **Other Related Transportation Topics**

## Publication Opportunities

Submitted papers will be peer-reviewed. All accepted papers will be published in an online proceedings. Selected high quality papers will be published through further reviews in Journal of Traffic and Transportation Engineering (English Edition), Journal of Beijing Jiaotong University, and Journal of Southeast University (English Edition, EI).
