

# 2 O'Clock Ridge

Start: 8:51 am

Duration: 7 hour, 42 minutes (this include severnal well deserved breaks to enjoy lunch and the sunny day!!!)

Distance: 13.25 km

Alt (min/max): 1346m / 2497m which is a total of 1151m

This was a great day to stretch our legs and lungs.

The trail started across the road from campsite #12. We crossed 2 O'clock Creek by a log bridge but some maneuvered over the rocks to get across.

We started a steady climb through Spruce trees and Junipers. As we climbed the trail got progressively steeper.

We stopped for lunch at the edge of the tree line for some protection from the wind that was gaining force.

The final ascent with a spectacular panoramic view

The reward for the long and relentlessly steep climb
