These activities, programs, and events will hereafter be referred to as "the Activities," and the USDF, together with its sponsors, managers, property owners, officials, organizers and affiliates and their respective directors, officers, members, employees, agents, volunteers, representatives, and designated officials will collectively be referred to as "Event Sponsor."

In consideration of the Event Sponsor allowing Participant to participate in the Activities, now and in the future, Participant agrees as follows:

1. *Acknowledgment of Inherent Risks of Equine Activities/Assumption of Risks.* Participant acknowledges that there are numerous inherent risks of equine activities, whether preparing for, entering, attending, participating in, or leaving the Event. The inherent risks include those dangers and conditions which are an integral part of equine activities, including, *but not limited to:* (a) the propensity of an equine or other animal to behave in ways that may result in injury, harm, or death to persons on or around them; (b) the unpredictability of the equine's reaction to such things as sounds, sudden movements and unfamiliar objects, persons or other animals; (c) certain hazards such as surface or subsurface conditions; (d) collisions with other animals or objects; (e) the potential of a participant or other Participant to act in a negligent manner that may contribute to injury to the participant, Participant, or others, such as failing to maintain control over the equine or not acting within his or her ability; (f) the breakage or failure of tack or other equipment; and (g) the potential that an equine or animal may cause injury or harm to the rider or other persons or animals in the vicinity. *Participant is not relying on Event Sponsor to list within this document all possible inherent risks or all risks of participating in any of the Activities at any location.*

2. *Waiver and Release of Liability.* With full knowledge and appreciation of these and other inherent risks associated with equine activities and the Activities, Participant freely and voluntarily assumes the risks of the equine activities involved in any aspect of them. In this connection, Participant also voluntarily agrees to waive any and all rights to sue and hereby releases the Event Sponsor from all liability, loss, claims, or actions for injury, death, expenses, or damage to person or property resulting from the inherent risks of the Event, or resulting from any action or inaction by the Event Sponsor. This waiver and release is effective even if the injury, death or damage to person or property is caused by, or contributed to by, actions or failure to act of the Event Sponsor and which actions or inactions constitute ordinary negligence or a violation of any applicable law pertaining to equine activity liabilities. Neither Participant nor Participant's representatives shall make any claim against, maintain an action against, or recover from the Event Sponsor or its sponsors, directors, officers, members, employees, agents, volunteers, representatives, designated officials, or others acting on their behalf for injury, loss, damage or death of the Participant, to the Participant's horse, or to the Participant's personal property (regardless of ordinary negligence by the Event Sponsor or regardless of an alleged violation of an applicable equine activity liability law).

3. *Equine Liability Act.* Should the Activities take place in a state with an equine activity liability law, Participant acknowledges reading the applicable state warnings and/or provisions set forth below and on the next page (if any).

GEORGIA
WARNING

About The USDF University

The USDF University program is a benefit for all USDF members, adult amateurs, junior/young riders, and professionals, whether they are actively competing or just interested in learning more about their sport. Through the University program, USDF recognizes members who strive to continue their education in dressage and related equine subjects.

USDF University accreditation is automatically given to programs organized by USDF. Organizers of other programs wishing to receive University accreditation may fill out an application and submit it to USDF. Seminars, lectures, workshops, symposia, and other types of educational sessions that include sizable auditor content can qualify for USDF University accreditation. Each program's credit worth is determined by the USDF University Liaison, depending on its length and content.

In order to receive University credit for attending a program, attendees must be current USDF participating, group, intercollegiate/interscholastic members at the time of the program, fill out a simple form provided by the program organizer, and pay the \$5 credit fee (if applicable). University credit is cumulative and can be earned over an unlimited number of years. USDF tracks the credits earned by each member, and USDF University certificates and diplomas are awarded to members who have accumulated the appropriate number of credits. Because recognition is awarded annually, all University credit requests must be submitted to USDF by Sept. 30 to be awarded in that year. Members may view their University transcripts at:

www.usdf.org/calendarevents/university/universitysearch.asp

Educational recognition is as follows:

15 Credits =	USDF Certificate
30 Credits =	USDF Diploma
60 Credits =	USDF Bronze Diploma
120 Credits =	USDF Silver Diploma
180 Credits =	USDF Gold Diploma
