

Licensed Clinical Psychologist Job Description

Twin Cities Center for Psychology & Wellness is currently seeking a full -time (flexible hours), MN State Licensed Psychologist (LP) to work in our St. Paul & Forest Lake clinics. LP will be responsible for patient care activities, including but not limited to: case planning, psychological testing, psychological report writing, treatment planning, case consultation, care coordination, team meetings, and others services deemed necessary to carry out clinical responsibilities of the position. This position will be supported with a clinic psychometrist whose primary responsibility will be to administer test batteries to patients.

Requirements:

- Psy.D. or Ph.D. in Psychology required.
- Current Psychology licensure from the State of Minnesota.
- Excellent oral and written communication skills in order to interact effectively with clients and other staff and to prepare required evaluations and other written materials.
- Competency in psychological evaluation with children and adults.
- Demonstrated organizational skills.
- Ability to work with diverse populations.
- Ability to work with interpreters in order to provide service.
