

2019 Beatrice Victor Senior Olympics of Staten Island

SCRABBLE

Monday, September 23, 2019

LOCATION: YMCA at 651 Broadway

CHECK-IN: 11:45 AM

START: 12:00 Noon

AWARDS: 1st, 2nd, and 3rd Place in age categories

32 Maximum players

If you have a spinning scrabble game and are willing to let us use it at the tournament, please bring it with you. Thank you.

RULES:

There will be 8 tables available for our use. Up to 4 players per table.

Everyone will play 2 games – players will change tables after the first game.

Person pulling the lowest letter at the table will go first and then turns will pass to the person on their left.

Play will follow the official scrabble rules with no variations. The Official Scrabble Dictionary 6th Edition will be used.

Anyone at the table can challenge a word. If the word is incorrect the player removes the tiles and loses his turn. If the word is correct the challenger loses his next turn.

The game ends when one person uses all their tiles and there are no tiles left in the bag.

One person at the table will keep score for the table. The person who goes first gets the choice of keeping score.

There is no timer, but we ask players to keep the game moving.

If there is any disagreement during the game, please bring the concern to one of the coordinators of the event to make a decision.

There will be 3 winners in each age group based on total score of both games (adjusted for number of players at the table if necessary).

PLEASE WEAR YOUR T SHIRT
