Dear Friends,

Millstone 4-H Camp has been providing life changing learning and recreational opportunities for children for over 75 years. As a part of 4-H in North Carolina the mission of the camp is to make these opportunities available to as many children as possible regardless of their parents' ability to pay. Because of this, the Millstone Advisory Council has decided to develop an annual fundraiser to provide camperships for our children and youth. The event is called 'Pickin' in the Pines'. The goal is to raise money to provide camp scholarships to as many children as possible.

Here at Millstone 4-H Camp, "It's all about the kids!". Here are just a few things past campers have had to say about their experience:

"Camp Millstone made me a better person and I made lots of new friends!"

"Camp made me less shy. I speak up more and I dance in front of people."

"I am more confident, I feel like I can make a change and I can trust people more."

"I am able to work together with other people better now. I can shoot a bow and arrow!"

"I loved everything about camp!!!"

"Millstone gave me more confidence, more friends, and a lot of fun!"

We ask that you consider supporting our effort by becoming a sponsor of the 'Pickin' in the Pines' fundraiser and/or by attending the event to help provide once in a lifetime opportunities for our young people who might not be able to attend without your help. We appreciate any support you can provide as we strive to serve the youth of our clubs, our communities, our country, and our world.

Enclosed is a list of benefits which may help you decide your level of sponsorship. 'Pickin' in the Pines' is co-sponsored by and fund raising operates under the auspices of the North Carolina Agricultural Foundation, Inc., a 501(c)3 non-profit, Tax ID # 56-6049304. Proceeds will benefit Millstone 4-H Camp. You will receive an official receipt for the tax-deductible portion of your sponsorship.

For more information about Pickin' n the Pines, please view the event website at go.ncsu.edu/millstone4hpickininthepines or contact Erehn Frye at enmoss2@ncsu.edu or 910/652-5905.
