Sponsorship, Marketing & Exhibit Opportunities

ICA 2025 – 66th ANNUAL WORLD CONGRESS

OCTOBER 9-11, 2025

NASHVILLE, TENNESSEE

Help Advance Patient Care and Ensure Excellence in Cardiovascular Medicine and Surgery by Becoming a Distinguished Partner

The International College of Angiology is approaching its 66th Annual World Congress this year, jointly sponsored by Midwest Cardiovascular Research Foundation, and we are extending our invitation for you to participate as an industry supporter at ICA 2025. For exhibitors to maximize their exposure to our multi-disciplinary scope of physicians and surgeons we are offering an excellent opportunity for sponsorship. As health care delivery to patients with complex vascular disease improves, a multidisciplinary approach is often needed to care for these patients. This program will address these approaches to make treatment plans more effective.

We are planning to provide the latest innovations in cardiovascular medicine and surgery to colleagues from around the world. The congress is designed to offer new ideas, convictions, strategies and tactics that directly affect physicians, surgeons, allied health care professionals and basic and clinical investigators. The global goal of this congress is to communicate a commitment by providing needs-based education that fosters change in target audience knowledge, competence and performance to ultimately improve patient outcomes. This will be accomplished through invited internationally recognized keynote guest speakers, symposia, oral and poster presentations and exhibits, quality attendees, and superior content, highlighting the most challenging and controversial topics and procedures performed in interventional medicine. This forum will provide an opportunity for networking, sharing knowledge, partnering research and clinical investigation.

Your contribution to the 66th Annual World Congress will help our Society continue its long tradition of scientific excellence and provide you with an opportunity to be showcased as a supporter to our membership and attendees. Our Annual World Congress attracts renowned cardiovascular physicians and surgeons presenting their cutting-edge research and technology.

The various levels for sponsorship, marketing and exhibit opportunities are described in this prospectus. Premium locations in the exhibitor hall go fast, so please return your Exhibitor Application as soon as possible to ensure the best location.

The authenticity and creativity that sets Nashville apart also makes a Music City meeting a one-of-a-kind event. With a work hard, play hard attitude, Nashville has perfected the art of mixing business with pleasure. The excitement that naturally surrounds a meeting in Nashville drives attendance – often to record-breaking heights.

We thank you for your support and consideration in ICA 2025. We look forward to personally greeting you in October at our Congress.

Sincerely,
Randall W. Franz, MD, RVT, RVPI, FACS, FICA
Chairman, ICA Board of Directors
Program Chairman, ICA 2025

Congress Description/Objectives

The overall mission of the 66th Annual World Congress of the International College of Angiology is to bring together basic and clinical scientists to share current knowledge and techniques in angiology to update the pathophysiology of disease, clinical diagnostic methods, and treatment for improved healthcare delivery and future research.

The objective is to offer a serious academic forum to those physicians and allied healthcare personnel interested in research, education and clinical investigation in the field of cardiovascular medicine and surgery.

The intention is to provide an in-depth review of the spectrum of topics related to the management and treatment of patients with cardiovascular medicine and surgery. Special emphasis will be placed upon evolving trends, therapies, and minimally invasive treatment of cardiovascular disease. The congress will feature internationally renowned faculty, and recognized leaders will discuss state-of-the-art techniques in the management, diagnosis and treatment of vascular disease. The focus will be on surgical, percutaneous and medical management from peripheral vascular disease to coronary and cerebrovascular disease and abdominal aortic aneurysms offering a comprehensive review of what is new in management, techniques, approaches and prevention.

This Congress is designed to offer a serious academic forum to those physicians and allied healthcare personnel interested in research, education, and clinical investigation in the field of cardiovascular diseases. The congress is intended to provide an in-depth review of the spectrum of topics related to the management and new treatment modalities, including diagnosis, assessment, intervention, risk factors management and surgery.

At the conclusion of this activity, the attendees should be more confident in their ability to:

1. Examine concepts related to cardiovascular diseases.
2. Discuss strategies to improve patient outcomes in managing cardiovascular diseases.
3. Analyze treatment strategies that involve complex patient situations with multiple contributing risk factors.

Learning Objectives

After completion of this activity, participants will be able to:

1. Describe and Apply the Value of an Integrated Approach to the Diagnosis and Treatment of Cardiac and Vascular Disease
2. Assess and Differentiate Between Competing Technologies for Vascular Intervention
3. Choose When and How to Appropriately Apply Various Interventional and Non-Interventional Procedures in the Treatment of Vascular Disease
4. Describe New Developments and Techniques in the Diagnosis, Medical Management, and Treatment of Cardiac, Peripheral Vascular and Cerebrovascular Disorders to Make Improved Patient Care Decisions Based on Outcome and Cost
5. Enhance Knowledge in the Practice of Treating Vascular Disease
6. Identify and Explore New Research Problems for Future Collaboration

All presentations have a purpose while providing a balanced view of diagnostic and therapeutic options followed by constructive debate. These objectives are achieved through nationally and internationally recognized invited guest lectures, special symposia, oral and poster presentations and exhibits, highlighting the most challenging and controversial topics and procedures performed in interventional medicine. Submitted abstracts and invited guest lecturers serve as a major part of the program.

Needs Assessment

There is a lack of awareness about new management and treatment strategies.

- There is underutilization of novel devices to optimize patient outcomes.
- There is insufficient prophylactic use of pharmacological agents to optimize care.
- There is a lack of evidence-based practice integrating research with clinical experience to provide optimal care

As health care delivery to patients with complex vascular disease improves, a multidisciplinary approach is often needed to care for these patients. We are addressing the gaps needed to make these treatment plans more effective.

As outlined by the planners of the Heart and Lung RSS, healthcare team members need to improve their competencies pertaining to mechanisms and treatment of arrhythmias, appropriate use of cardiovascular invasive and non-invasive diagnostic modalities, new vs. conventional modalities for treatment of valvular heart disease, congestive heart failure diagnosis and management, current ACC/AHA Guidelines and applying appropriate criteria for the treatment of cardiovascular disease.

Implementation

Learners will be queried as to their anecdotal impressions of changes to their patients' outcomes as a result of changes they have made in practice performance. The following methods will be utilized:

Didactic lectures and Q and A (lectures provided for the instruction of learners) **Case study/review** (provides an account of an actual problem or situation)

Group discussion (provides an opportunity for interprofessional learners to think together constructively for purposes of learning, problem solving, decision-making and/or improving human relations)

Formal debate (allows controversial topics to be explored from pro and con points of view, engaging audience response to debaters)

Ancillary tools used to sustain long-term changes consist of follow-up cases and patient reminders.

Core Competencies

The following core competencies that will be used in this activity are:

ACGME/ABMS, Patient Care and Procedural Skills, Medical Knowledge, Practice-based Learning and Improvement, Interpersonal and Communication Skills, Professionalism, Systems-based Practice

Educational Partner and Accredited Provider

Midwest Cardiovascular Research Foundation is the educational partner and accredited provider for this program. This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Iowa Medical Society (IMS) through the sponsorship of the Midwest Cardiovascular Research Foundation. The Midwest Cardiovascular Foundation is accredited by the IMS to provide continuing medical education for physicians.

66th ANNUAL WORLD CONGRESS | OCTOBER 9-11, 2025
Lowes Vanderbilt Hotel | Nashville, Tennessee

SPONSORSHIP/SUPPORT OPPORTUNITIES

To meet the needs of this multidisciplinary specialty society, the Program Committee for the **ICA's 66th Annual World Congress – ICA 2025** has developed scientific programming to bring together basic and clinical scientists to share current knowledge and techniques in angiology to update the pathophysiology of disease, clinical diagnostic methods, and treatment for improved healthcare delivery and future research.

The ICA Annual World Congress relies upon the generous support from industry in the form of sponsorships and unrestricted educational grants to provide an in-depth review of the spectrum of topics related to the management and new modalities, including diagnosis, assessment, intervention and risk factors and surgery to patients with cardiovascular and vascular disease. Special emphasis will be placed upon evolving trends, therapies, and minimally invasive treatment of cardiovascular disease. The congress will feature internationally renowned faculty, and recognized leaders will discuss state-of-the-art techniques in the management, diagnosis and treatment of vascular disease. The focus will be on surgical, percutaneous and medical management from peripheral vascular disease to coronary and cerebrovascular disease and abdominal aortic aneurysms offering a comprehensive review of what is new in management, techniques, approaches and prevention.

This program will provide a forum for the synthesis of **State-of-the-Art** information that encompasses the pathophysiology, clinical diagnosis, and treatment of cardiovascular diseases as they are encountered by primary care physicians, vascular, general, thoracic, cardiothoracic, and cardiovascular surgeons, neurosurgeons, cardiologists, internists, and cardiology and vascular interventional radiologists.

The 66th Annual World Congress-ICA 2025 is designed to meet the specific educational needs of medical professionals involved with the management and treatment of cardiovascular diseases as they are encountered by primary care physicians, vascular, general, thoracic, and cardiovascular surgeons, cardiologists, interventional radiologists, neuroradiologists, fellows and residents of the above specialties, vascular biologists, their staff and nurses.

Thank you for your support!

PLATINUM LEVEL \$100,000

- ☐ Ten (10) Corporate Registrations
- ☐ Eight (8) Tickets to the ICA's Welcome Reception
- ☐ Four (4) Tickets to the ICA's daily Breakfast Sessions (Thursday – Saturday)
- ☐ Two (2) Congress Bag inserts
- ☐ Recognition on slides projected during introductory remarks and session breaks.
- ☐ One (1) page advertisement in the final printed program

GOLD LEVEL \$75,000

- ☐ Eight (8) Corporate Registrations
- ☐ Six (6) Tickets to the ICA's Welcome Reception
- ☐ Four (4) Tickets to the ICA's daily Breakfast Sessions (Thursday – Saturday)
- ☐ Two (2) Congress Bag inserts
- ☐ Recognition on slides projected during introductory remarks and sessions breaks.
- ☐ One (1) page advertisement in the final printed program

SILVER LEVEL \$50,000

- ☐ Four (4) Corporate Registrations
- ☐ Two (2) Tickets to the ICA's Welcome Reception
- ☐ Two (2) Tickets to the ICA's daily Breakfast Sessions (Thursday – Saturday)
- ☐ One (1) Congress Bag Insert
- ☐ Recognition on slides projected during introductory remarks and sessions breaks.
- ☐ One (1) page advertisement in final printed program

BRONZE LEVEL \$25,000

- ☐ Three (3) Corporate Registrations
- ☐ One (1) Ticket for the ICA's Welcome Reception
- ☐ One (1) Ticket for the ICA's daily Breakfast Sessions (Thursday – Saturday)
- ☐ One (1) Congress Bag Insert
- ☐ Recognition on slides projected during introductory remarks and sessions breaks.
- ☐ Half-page (1/2) advertisement in final printed program

Marketing Support Opportunities

Industry Supported Symposia/Dinner	A symposium dinner is available and will be vascular/cardiothoracic focused. Function space has been reserved for 75 people per symposia. Pricing includes Food & Beverage as well as a simple Audio-Visual set; enhancements to this will be at the company's direct expense. Included is an e-blast to pre-registered attendees, promotional poster in the registration area along with promotional flyers handed out by ICA staff at registration. This evening event provides an informal setting for networking and socializing with the members and participants of our Congress. As a sponsor, your company will be permitted a brief speaking opportunity and have two representatives at the event. Your company will be recognized at the dinner and in materials distributed at the meeting.	\$35,000
Sponsor a Happy Hour	Present a keynote speaker and host a happy hour. Presentation (non-cme) would be on your choice of topic as well as speaker. Fee includes onsite signage and recognition on our website. Catering and AV costs are additional and paid for directly by the sponsor.	\$10,000 per happy hour
Breakfast Symposium (Thursday – Saturday) 3 breakfasts available	Sponsor one of our (non-cme) hour breakfasts, with your choice of topic and keynote speaker. Fee includes onsite signage and recognition on our website. Catering and AV costs are additional and paid for directly by the sponsor.	\$5,000 per day
AM Coffee Breaks (Thursday – Saturday)	Coffee breaks are offered each day throughout the meeting in the exhibit area of the meeting. The breaks provided networking opportunities for meeting participants. Your company will be recognized at the break and in materials distributed at the meeting.	\$5,000 per break
Luncheon Symposium (Thursday – Saturday) 3 luncheons available	Sponsor one of our (non-cme) hour lunches, with your choice of topic and speaker(s). Fee includes onsite signage and recognition on our website. Catering and AV costs are additional and paid for directly by the sponsor.	\$7,500 per day
Meeting Bags	Your company name will be prominently displayed on bags distributed to and used by each participant during the meeting and beyond. Your company will be able to have a flyer in the bag and will be recognized in materials distributed at the meeting.	\$5,000
Welcome Reception (Thursday)	This event will be held on Thursday evening, is for all attendees and their guests to gather for a traditional welcome to the Congress and will provide a relaxed setting for networking and socializing with the members and participants of the Congress. As a sponsor, your company will be permitted a brief speaking opportunity and have two representatives at the event. Your company will be recognized at the reception and in materials distributed at the meeting.	\$15,000
Faculty Dinner (Thursday)	This event is specifically for the faculty, their guests and ICA Directors and Program Organizers to thank them for their contribution to the Congress. As a sponsor, your company will be permitted a brief speaking opportunity and have two representatives at the event. Your company will be recognized at the dinner and in materials distributed at the meeting.	\$15,000
Meeting Bag Inserts	Your company will have the opportunity to include a flyer in the ICA 2025 meeting bags, which will be distributed to the congress attendees. This gives your company direct access. Limited to one flyer per company. Flyers are limited to one 8 ½" x 11" page. Sponsors are responsible for printing and shipping to site.	\$5,000 per insert
Final Program Ads	Advertising is available in the final scientific program, available onsite, distributed to all registered participants, and referenced by attendees during the Annual World Congress. The final program includes a schedule-at-a-glance, program agenda, daily listing of presentations and floorplan. Artwork to be provided by the sponsor and MUST be received no later than July 15, 2025 . No extensions can be made on artwork due date.	
Advertising Positions	Back of Final Program 1 Page Ad in Final Program	\$10,000 \$ 5,000
Physician-in-Training Travel Award	Support a Fellow, Resident or Medical Student to present and attend ICA 2025 with a paid registration fee, lodging at the congress venue for 3-nights and a transportation stipend. This award supports a physician-in-training to present their research at our annual congress and is dedicated to stimulating and encouraging interest in research among trainees. The congresses intimate atmosphere permits for the free exchange of ideas and development of collaborative research among senior and junior investigators. This award is open to physicians-in-training from around the world.	\$5,000 per physician

All artwork must be submitted to ICA for approval prior to use. Only confirmed ICA 2025 sponsors will be allowed to participate the ICA Annual World Congress. Sponsorship will be awarded on a first-come, first-served basis, and based upon receipt of application and full payment.

YOUNG INVESTIGATOR RESEARCH AWARD COMPETITION

The International College of Angiology would like to foster young physicians and needs your support to help them attend this congress!

The purpose of this competition is to encourage young physicians, fellows, residents, research fellows, medical students and trainees to engage in high quality research, which forms the basis for future achievement in the pathophysiology of disease, diagnosis and treatment. The Scientific Committee will judge entries on originality, innovativeness, scientific merit, presentation, and relevance. The finalist will deliver a 15-minute oral presentation. The International College of Angiology reserves the right to publish the prize-winning manuscript in the International Journal of Angiology. The 1st place winner will be given a cash award in the amount of USD \$1000; 2nd place winner, USD \$750, and 3rd place winner, USD \$500. All will receive a one-year Associate Membership in the International College of Angiology plus a travel stipend (towards hotel accommodations at the Congress Venue) of up to \$2000 and complimentary registration for the entire congress (A Value of \$150). Previous recipients of a Young Investigator Award will be ineligible.

Requirements

- Applicant's academic rank cannot be higher than Associate Professor or Lecturer and must not have held this position for more than 3 years.
- The scientific work is mainly the result of the applicant's effort.
- Materials must be original, unpublished, and not previously presented.
- Only one (1) submission per author will be considered. The candidate must be the sole or first author and must be present at the Award Ceremony to receive the award.
- The submission must be accompanied by certification from the candidate's Head of the Division that the candidate executed the work, that the candidate's academic rank is not higher than Associate Professor or Lecturer, and length of time in this position.
- Any finalist who cannot personally present their work will be ineligible for the award.

Procedure

The full manuscript **MUST** be submitted along with the abstract. The manuscript should conform to the guidelines for the International Journal of Angiology and should be 8 to 12 pages in length. Abstracts **MUST** be submitted in the format indicated on our abstract form. A signed disclosure statement **MUST** be submitted with your abstract. There are three awards in this category—medical, surgical and basic research. The purpose of the award is to encourage young physicians, surgeons and basic research scientists to engage in high quality research which forms the basis for future advancements in patient health care.

There are three awards in this category—medical, surgical and basic research. Each award will be presented in the name of the sponsoring company. Each sponsoring company will be acknowledged in all promotional materials and in the final printed program.

An acknowledgement of your support of the Award Competition will be printed in the final scientific program, as well as listed on our website for the congress and all promotional announcements. This is your opportunity to invest in future physicians and advance practice providers.

YOUNG INVESTIGATOR AWARD COMPETITION

We/Company select the following level of sponsorship for the ICA 2025 Young Investigator Award Competition:

- ☐ First Place Award \$1,000 plus a \$2,000 travel stipend
☐ Second Place Award \$750 plus a \$2,000 travel stipend
☐ Third Place Award \$500 plus a \$2,000 travel stipend

By signing this document, sponsoring company agrees that this is a legally binding contract. We agree to abide by all rules and regulations set forth in the prospectus and this application. Once we receive your application, an invoice representing the full amount will be generated. Full payment is due on-or-before **March 31, 2025**. No refund will be given for reductions in commitment or cancellations received after **March 31, 2025**, and obligate the sponsoring company to the full payment of the young investigator award competition.

PAYMENT INFORMATION

Fees are payable via credit card or check. *Please note that credit card transactions will be charged a 3.5% fee.* Checks must be drawn on a U.S. bank and are payable to: International College of Angiology and mailed to our Executive Office: 161 Morin Drive, Jay, VT 05859.

The International College of Angiology

66th ANNUAL WORLD CONGRESS | OCTOBER 9-11, 2025
Lowes Vanderbilt Hotel | Nashville, Tennessee

Exhibit Information

ACCESS TO EXHIBIT HALL

All workers and exhibiting company personnel must wear ICA badges or work passes during move-in and move-out. All personnel may enter and vacate the hall no more than 60 minutes prior to opening and after the closing of the hall. Access is prohibited after daily conference closing.

EXHIBIT HALL LOCATION AND BENEFITS

The exhibit hall will be located adjacent to the General Sessions. All meals and breaks will be located in the exhibit hall. Tables must be staffed during exhibit hours. Exhibitors are welcome to attend all scientific sessions.

Each exhibit space will include one 6' x 30" draped and skirted table and two chairs. Freestanding floor exhibits will be permitted only with the permission from the congress management but **MUST** not be any longer than 6'. In the event a free-standing exhibit is larger than 6' L x 30" W, the society reserves the right to charge an additional fee equal to that of a 6' x 30" space. Standing medical equipment may be used in lieu of a table, but requests must be sent in writing to the Society's Executive Director for approval.

CONDUCTING EXHIBITS

No drawings, raffles, or quiz-type contests of any type will be permitted. No bags or containers for collection of samples are to be distributed by an exhibitor. This applies to any envelope, folder, portfolio, box, etc., that provides carrying space for more than a single sample. Electrical or other mechanical apparatus must be muffled so that noise does not interfere with other exhibitors.

The right is reserved to refuse applications, which do not meet standards required or expected, as well as the right to curtail exhibits or parts of exhibits, which reflect against the character of the meeting. This applies to displays, literature, advertising, novelties, souvenirs, conduct of person, etc. The use of glitter, confetti, sand, popcorn or simulated snow types of material is not permitted. Additionally, adhesive-backed decals may not be given away or utilized.

INFRINGEMENT

Interviews, demonstrations, and the distribution of literature or samples must be made within the area assigned to the exhibitor. Canvassing or distributing of advertising matter outside the exhibitor's own space will not be permitted.

FIRE PROTECTION

All materials used in the exhibit area must be flame-proofed and fire-resistant in order to conform to the local fire ordinances and in accordance with regulations established by the local Fire Department. Crepe paper or corrugated paper, flame-proofed or otherwise, will not be permitted. Excelsior or other paper is not to be used in crating merchandise. Display racks, signs, spotlights and special equipment must be approved before use, and all displays are subject to inspection by the Fire Prevention Bureau. Any exhibit or parts thereof found not to be fireproof may be dismantled. All aisles and exits must be kept clear at all times, and fire stations and fire extinguisher equipment are not to be covered or obstructed.

SPECIAL NEEDS

Please contact the ICA office if you have a representative with a disability that will require special accommodations.

EXHIBIT PERSONNEL

All participants affiliated with the exhibits must be registered and must be employed by the Exhibitor or have a direct business affiliation. Each exhibitor will be issued the number of badges offered with the exhibitor level.

SHIPPING

Shipping instructions will be provided upon receipt of an exhibitor application.

SPACE ASSIGNMENT

Space assignment will be given to companies in the order in which applications are received. Following the June 15, 2025, deadline, exhibit assignments will be made on a space available basis. If space is filled by June 15, 2025, applications received thereafter, will be placed on a waiting list. Exhibitors wishing to avoid assignment of space adjacent to a particular company should indicate this on their application. Careful consideration will be given to such request. *The ICA and ICA 2025 reserves the right to alter the Exhibit Floor Plan at any time.*

REFUNDS/CANCELLATIONS

Cancellations received in writing on-or-before June 15, 2025, will be subject to a 25% administrative fee. Cancellations received after June 15, 2025, will not receive a refund.

PROTECTION TO THE VENUE

Exhibitors will be held liable for any damage caused to the facility, and no material or matter of any kind may be posted on, tacked, nailed, screwed or otherwise attached to columns, walls, floors or other parts or portions of the building or furnishings. Whatever may be necessary to properly protect the building, equipment or furniture will be installed at the expense of the exhibitor.

INSURANCE AND INDEMNIFICATION

Exhibitor agrees to carry and maintain and provide evidence of liability and other insurance in the amounts sufficient to provide coverage against any claims arising from any activities arising out of or resulting from the respective obligations pursuant to this contract. Exhibitor's insurance policy shall name the facility and ICA and ICA 2025 as additional insureds. Damage to the "Facility" premises by the exhibitor or appointed contractors will be the exhibitor's responsibility. Exhibitor will accept full responsibility for any damages resulting from any action or omissions of their individual staff and designated contractors in conjunction with the exhibit activities. The Facility and the ICA and ICA 2025 are not responsible for any loss or damage no matter how caused, to any samples, displays, properties, or personal effects brought into the Hotel, and/or for the loss of equipment, exhibits or other materials left in the meeting rooms.

In the absence of proof of a Certificate of Liability Insurance, exhibitor will be required to sign an Indemnity/Hold Harmless Certificate.

TERMS IN CASE OF DEFAULT

If any exhibitors fail to pay when due, any sum required by the Application for Exhibit Space, or if any exhibitor fails to meet any term or condition of the application or fails to observe and abide by these Rules & Regulations, the ICA and ICA 2025 reserves the right to terminate the contract immediately without refund of any monies previously paid. In any case, no refunds will be made on-or-after June 15, 2025.

SECURITY

All entrances to the exhibit hall will be locked when exhibits are closed, but the safekeeping of the exhibitor's property shall remain the responsibility of the exhibitor. The ICA and ICA 2025 assumes no responsibility for any losses sustained by exhibitors.

HAZARDOUS WASTE

Exhibitor assumes responsibility and any liability for removal or disposal of any material considered to be hazardous waste material. Exhibitor agrees to confirm to any local ordinances and regulations concerning the disposal of any hazardous waste. Any and all costs incurred in the removal or hazardous waste from the exhibit facility will be the sole responsibility of the exhibitor.

The International College of Angiology

66th ANNUAL WORLD CONGRESS | OCTOBER 9-11, 2025
Lowes Vanderbilt Hotel | Nashville, Tennessee

Exhibit Space Application *(continued)*

PAYMENT, REFUNDS AND CANCELLATIONS. Once we receive your application, and invoice representing the full amount will be generated. The full amount of the rental space is due and payable on-or-before **June 15, 2025**. Applications submitted after **June 15, 2025**, must be accompanied by payment IN FULL. Space will not be confirmed until payment is made.

Cancellations received in writing on-or-before **June 15, 2025**, will be subject to a 25% administrative fee. Cancellations received after **June 15, 2025**, WILL NOT receive a refund.

In the event that the ICA and ICA 2025 cancels the in-person Annual Meeting for any reason, including by not limited to, causes not reasonably within the Society's control, the Society in its sole discretion will determine the disposition of the funds paid by the exhibitor, which disposition could include, but not be limited to, a forfeiture of the entire amount paid a refund of all or part of the amount paid, or the crediting of some or all of the amount paid to a future ICA event. In no event shall the Society's liability to the exhibitor for damages incurred due to the cancellation of the Annual Meeting exceed the amount paid. The ICA and ICA 2025 will not be held liable for any costs incurred by the exhibitor, other than the cost of exhibit space rental.

It is expressly agreed by the exhibitor that in the event he/she fails to pay the space rental at the times specified, or fails to comply with any other provisions contained in these rules and regulations concerning his/her use of exhibit space, the ICA and ICA 2025 shall have the right to reassign the space location, or take possession of said space and lease same, or any part thereof, to such parties and upon such terms and conditions as it may deem proper. In the event of a default by the exhibitor.

SPACE RENTAL AND ASSIGNMENT OF LOCATION. Whenever possible, space assignments will be made by the ICA and ICA 2025 in keeping with the preferences as to location requested by the exhibitor. The ICA and ICA 2025, HOWEVER, RESERVES THE RIGHT TO MAKE THE FINAL DETERMINATION OF ALL SPACE ASSIGNMENTS IN THE BEST INTERESTS OF THE EXPOSITION.

USE OF SPACE, SUBLETTING OF SPACE. No exhibitor shall assign, sublet, or share the space allotted with another business or firm unless approval has been obtained in writing from the ICA and ICA 2025. Exhibitors are not permitted to feature names or advertisements of non-exhibiting manufacturers, distributors or agents in the exhibitor's display, parent or subsidiary companies excepted. Exhibitors must show only goods manufactured or dealt by them in the regular course of business. Should an article of non-exhibiting firm be required for operation or demonstration in an exhibitor's display, identification of such article shall be limited to the usual and regular nameplate, imprint or trademark under which same is sold in the general course of business. No firm or organization not assigned exhibit space will be permitted to solicit business within the Exhibit Areas.

EXHIBITORS AUTHORIZED REPRESENTATIVE. Each exhibitor must name one person to be his/her representative in connection with installation, operation and removal of the firm's exhibit. Such representative shall be authorized to enter into such service contracts as may be necessary and for which the exhibitor shall be responsible. The exhibitor shall assume responsibility for such representative being in attendance throughout all exposition periods; and this representative shall be responsible for keeping the exhibit neat, manned and orderly at all times. For their own safety and protection, children sixteen (16) years of age and under will not be admitted to the exhibit halls at any time.

INSTALLATION AND REMOVAL. The ICA and ICA 2025 Management reserves the right to fix the time for the installation of a booth prior to the Event opening and for its removal after the conclusion of the Event. Installation of all exhibits must be fully completed by the opening time of the exposition. Any space not claimed and occupied three hours prior to opening, may be resold or reassigned without refund. No exhibitor will be allowed to dismantle or repack any part of his exhibit until after the closing of the Event.

EXHIBITS & PUBLIC POLICY. Each exhibitor is charged with knowledge of all laws, ordinances and regulations pertaining to health, fire prevention and public safety, while participating in this exposition. Compliance with such laws is mandatory for all exhibitors and the sole responsibility is that of the exhibitor. The ICA and ICA 2025 and service contractors have no responsibility pertaining to the compliance with laws as to public policy as far as individual exhibitor's space, materials and operation is concerned. All booth decorations including carpeting must be flame-proofed and all hangings must clear the floor. Electrical wiring must conform with the National Electrical Code Safety Rules, *unless the fire and safety code applicable to the facility are more stringent*. If inspection indicates any exhibitor has neglected to comply with these regulations, or otherwise incurs fire hazard, the right is reserved to cancel all or part of this exhibit as may be irregular and effect the removal of same at exhibitor's expense. Refunds will not be issued in the event of cancellation due to noncompliance with law. Exhibitors will not be permitted to store behind their booth background any excess material such as cardboard cartons, literature, etc. Excess supplies must be stored in areas which will be made available for such purpose. If unusual equipment or machinery is to be installed, or if appliances that might come under fire codes are to be used the exhibitor should communicate with ICA and ICA 2025 for information concerning facilities or regulations. Exhibitors must comply with City and State fire regulations. Exhibitors must comply with applicable federal, state, provincial, and local fire and safety regulations.

STORAGE OF PACKING CRATES AND BOXES. Exhibitors will not be permitted to store packing crates and boxes in their booths during the exhibit period, but these, when properly marked, will be stored and returned to the booth by service contractors. It is the exhibitor's responsibility to mark and identify these crates. Crates not properly marked or identified may be destroyed. The ICA and ICA 2025 assumes no responsibility for the contents of crates or boxes improperly labeled as "empty". Because of lack of storage facilities, it may be necessary to store empty crates and cartons outside the building. Every effort will be made to protect the crates from the elements, but neither the ICA or ICA 2025 nor its service contractors will assume any responsibility for damage to them. The removal and return of large crates that cannot be handled by hand trucks will be charged at prevailing rates. Crates, boxes or other exhibit materials unclaimed by the exhibitor after the Event will be removed at the exhibitor's expense. Exhibitors will be billed by the venue contractors for removal time and materials at prevailing rates.

OPERATION OF DISPLAYS. The ICA and ICA 2025 reserves the right to restrict the operation of, or evict completely, any exhibit which, in its sole opinion, detracts from the general character of the exposition-as-a-whole. This includes, but is not limited to, an exhibit which, because of noise, flashing lights, method of operation, display of unsuitable material, are deemed by the ICA and ICA 2025 to be objectionable to the successful conduct of the exposition-as-a-whole. Use of so-called "barkers" or "pitchmen" is strictly prohibited. All demonstrations or other promotional activities must be confined to the limits of the exhibit space. Sufficient space must be provided within the exhibit space for the comfort and safety of persons watching demonstrations and other promotional activities.

Each exhibitor is responsible for keeping the aisles near its exhibit space free of congestion caused by demonstrations or other promotions. Direct Sales. No retail sales are permitted within the exhibit area at any time, but orders may be taken for future delivery.

LITERATURE DISTRIBUTION. All demonstrations or other activities must be confined to the limits of the exhibitor's booth space. Distribution of circulars may be made only within the space assigned to the exhibitor distributing such materials. No advertising circulars, catalogs, folders, or devices shall be distributed by exhibitors in the aisles, meeting rooms, registration areas, lounges, or grounds of the host facility. Trade publishers are prohibited from soliciting advertising during the Event. Trade publications may be distributed from their booth, but automatic distribution is prohibited.

Exhibit Space Application (continued)

SOUND. Exhibits which include the operation of musical instruments, radios, sound projection equipment, public address systems or any noisemaking machines must be conducted or arranged so that the noise resulting from the demonstration will not annoy or disturb adjacent exhibitors and their patrons, nor cause the aisles to be blocked. Operators of noisemaking exhibits must secure approval of operating methods before the exhibit opens.

SOCIAL ACTIVITIES. Exhibitor agrees to refrain from sponsoring hospitality suites/rooms or other functions during official show activities, including exhibit hours, social functions, educational seminars, and any other related activity scheduled by the ICA and ICA 2025.

INSURANCE AND INDEMNIFICATION. Exhibitor agrees to carry and maintain and provide evidence of liability and other insurance in the amounts sufficient to provide coverage against any claims arising from any activities arising out of or resulting from the respective obligations pursuant to this contract. Exhibitor’s insurance policy shall name the Facility and ICA and ICA 2025 as additional insureds. Damage to the Facility premises by the exhibitor or appointed ontractors will be the exhibitor’s responsibility. Exhibitor will accept full responsibility for any damages resulting from any action or omissions of their individual staff and designated contractors in conjunction with the exhibit activities. The Facility and the ICA and ICA 2025 are not responsible for any loss or damage no matter how caused, to any samples, displays, properties, or personal effects brought into the Hotel, and/or for the loss of equipment, exhibits or other materials left in the meeting rooms.

In the absence of proof of a Certificate of Liability Insurance, exhibitor will be required to sign an Indemnity/Hold Harmless Certificate.

CARE OF BUILDING AND EQUIPMENT. Exhibitors or their agents shall not injure or deface any part of the exhibit building, the booths, or booth contents or show equipment and décor. When such damage appears, the exhibitor is liable to the owner of the property so damaged. Exhibitors will be held liable for any damage caused to the convention center and decorations may not be taped, nailed, tacked, stapled, or otherwise fastened to ceilings, painted surfaces, columns, fabrics, doors, windows, or walls. Glitter and adhesive backed decals/stickers (except for name tags) may not be used or distributed on the premises. Decorations may not block exit doors, fire extinguishing equipment, sprinklers, or emergency lighting systems. All decorating materials must be constructed of flameproof material or treated with approved flame proofing solution.

AMERICANS WITH DISABILITIES ACT. As applicable, Exhibitors acknowledge their responsibility to comply with the Americans with Disabilities Act, US with Disabilities Act, and any similar provincial or local legislation (individually and collectively, the “Act”). Exhibitor shall also indemnify and hold harmless the ICA and ICA 2025, and facility against cost, expense, liability, or damage which may be incident to, arise out of or be caused by Exhibitor’s failure to comply with the Act.

The ICA and ICA 2025 shall have full power to interpret, amend, and enforce these rules and regulations, provided exhibitors receive notice of any amendments when made. Each exhibitor and its employees agree to abide by the foregoing rules and regulations and by any amendments or additions thereto in conformance with the preceding sentence. Exhibitors or their representatives who fail to observe these conditions of contract or who, in the opinion of the ICA and ICA 2025, conduct themselves unethically may immediately be dismissed from the exhibit area without refund or other appeal.

By signature, I acknowledge that I have signing authority for the organization represented here, and that I have read and agree to the terms and conditions within this space application.
