The Deadly Wound on Daniel's 4th beast's Head was received*** when Pagan Rome is conquered by Herulli King Odoacer in 476 AD. Romulus the boy (last) Roman emperor, was sent into exile.	Vigilius is made Pope. Papal Supremacy begins and non-Catholic persecution increases. The Deadly Wound on Daniel's 4th beast's head is healed by the restoration of Rome under Justinian 1 when General Belisarius takes Rome in 538 AD and most of Italy in 554 AD. The 2 Roman capitals: East (Constantinople) & West (Rome) are joined by Justinian 1, Emperor of the East under his rule.	The False Prophet of Rev 19:20 and the Little Horn of Dan 7: 8 is the succession of Popes. The 2 horned beast of Rev 13:11-18 has horns like a lamb (biblical symbol for Christ) and speaks like a dragon (biblical symbol for Satan). It has the appearance of a Christian church but Satan is in its heart (see Matt.15:11 & Mark 7:15). The image of the beast is the Roman Catholic Church government with its civil/political horn and its religious horn made in the likeness of the Pagan Roman Government. This prophesied Little Horn speaks with his declarations, supposedly infallible words and papal bulls and causes the people of the world to commit idolatry by worshipping the image of the beast (Roman Catholic Church Government) and to take the symbolic mark (Roman Catholic Babylonian doctrine) or number of the beast's name, Rome (in numerology ROMAN = 666, "the number of a man" Rev.13:18) on their right hand (work & actions) or on their forehead (belief & thought) or face persecution to death at the hand of the kings and their armies who give their allegiance to him. Revelation 13: 11-18 As before during the Holy Roman Empire's reign the beast (Rome) will enforce Roman Catholic Sunday rest & Worship and doctrine only to be observed. The "Venerable Day of the Sun" was first proclaimed the official Roman lawful day of rest by Constantine the Emperor in 321 AD. Later at the Church Council of Laodicea (364 AD) the church outlawed resting or Judaizing (observing God's 4th commandment) on the 7th Day Sabbath established by God when He sanctified it and declared it to be a sign. See Gen. 2:2-3. Deut.5: 12-14, Ex 31: 17, Ez 20:12. See instructions for God's law in Deut.6: 8-9 & Mark 10: 17-27	Little Horn (Religious Govt. Dan. 7:8-25 During the 1260 years reign of the Holy Roman Empire millions of non-Roman Catholic Christians and others were killed at the hands of the Popes by crusades, inquisitions and genocides. Translating, having or reading from the bible was forbidden and punishable by death. See the historical lives of John Wyclif, William Tyndale, the Huguenots, the Waldenses and other martyrs. 42 months = 3.5 years of 360 day yrs. or 1260 years - also known as 3 1/2 times or time, times and half a time
Using prophetic code of 1 year for 1 day based on Ezekiel 4: 1-6

*** Some Historists hold that the last half (3 1/2 years) of the 70th week of Daniel will not occur until Christ returns converting the Jewish people leaving a huge time gap before the completion of the prophecy.
*** Some Futurists hold that the last half (3 1/2 years) will not occur until the antichrist (little horn) reigns at the end of the age for that period of time (leaving a long time gap in the prophecy) and is defeated by Christ when He returns.
*** Some Futurists hold that the last full week (7 years) of the 70th week will not occur until the antichrist (little horn) reigns at the end of the age for the last half of that week (3 1/2 Years, leaving a long time gap in the prophecy) and is defeated by Christ when He returns.
*** Some Historists hold that the 1260 year reign of the Papacy over the Holy Roman Empire was from 538 AD to 1798 AD. See the events occurring on those days above.
*** Some Historists hold that the deadly wound was in 1798 when the Pope was imprisoned and the healing will be when Protestants return to the Roman Catholic Church and it rules Europe once again during the tribulation.
