Greetings!

Summer is here! I hope you have a chance to recharge and refresh over the summer.

As we prepare to choose our leaders for the coming year, I hope you'll consider joining our team! Active participation allows for both personal and professional growth. It also provides the opportunity to network with colleagues, receive continuing education and volunteer in the community. Many hands make light work and you can make a difference! Just click on the link and write your name in!

We will be hosting a Regional CE meeting with SFVDAS on Wednesday, July 31 @ 7p. Registration information will be going out soon, so watch for it!

I appreciate what each of you do for the dental community and am grateful that you are part of the community here at PVDAS. Being able to support one another is a wonderful thing!

Warmly,  
Claudia Pohl, CDA, RDA  
President

## PVDAS Director's Report

June 2024

CDAA held their annual member's meeting during the Educational Conference in April, 2024. CDA President Carliza Marcos joined us for the meeting - and for champagne & chocolate at the party. PVDAS received the award for the largest local in CDAA!! PVDAS member Mercedes Hermosillo was recognized for achieving Life Membership this past year.

Elections were held electronically this year. The CDAA Officers for 24-25 are:

President: Christy Burton

1st VP: Linda Willyerd

2nd VP: Wendy Pio

Secretary: Kelly Thomas

The Education Conference was a great success, with 13 CE offered during the two day conference. Great location (right on the San Francisco Bay), great food and time for learning and socializing. It will be held in SoCal next year April 25-26, 2025, so mark your calendar now!

CDAA's next Board of Directors meeting will be held on Saturday, June 22, 2024 via zoom.. All are welcome - just let me know and I'll send you the info!

*You should have received a notice from ADAA last week regarding the new database and portal. All users need to set up an account in the new ADAA portal.*

**ADAA** is excited to announce the launch of our new database management system and website! This upgrade provides an enhanced, user-friendly platform that simplifies purchasing, membership renewal, event registration, and contact information management.

For security purposes, you must set up an account in the new portal. Please read through these important instructions before logging into the new system.

Note: You will not be able to use the 'forgot password' feature until you have created your account in the new portal for the first time.
