

Release of Students During Lunch Period**POLICY**

A student attending any school in Valley Stream Union Free School District Twenty-Four will not be permitted to leave his/her school building during the school day without being discharged into the custody of his/her parent or legal guardian or an adult designated by the parent or legal guardian.

No student will be released to an adult designee without prior written permission by the parent/legal guardian. Written permission from the parent/guardian to the adult designee will be for specific dates.

Upon request, the parent/guardian or adult designee must present proper identification to school authorities.

This policy takes effect immediately.
