*Iron Art*TM *by* **ORION**

From our humble beginnings as an iron workshop manufacturing gates and fences in 1983, Orion Ornamental Iron, Inc. has grown into an established and well-known national brand in the drapery hardware industry. Our diverse collections, many of them award-winning, cover a wide range of décor styles and drapery hardware functions to meet the needs of today's designers.

We are best known for our Iron ArtTM collection. It includes a varied array of over 150 finials, traditional rods with rings or traversing systems with manual or motorized draw options, coordinating rings and brackets in a wide variety of choices, and plenty of accessories, all available in 35 beautiful Iron ArtTM finishes. And since customization is our specialty, whether it's creating a finish, fabricating custom parts, or making a custom design, Orion can offer you a complete drapery hardware solution.

What's New

- New Italian Collection 7 New Finishes
- New Somfy's Movelite 35™
- New Clear Vue Collection - Acrylic Drapery Hardware

**Please call to inquire more information
about products**

Our most popular Iron Art™, Bohemia, and Italian finials with expedited shipping.

Two finish collections determine the shipping speed. Express It! finishes are shipped the next business day while Quicken It! finishes are shipped within 3 business days. Choose from eight finials in our Iron Art™ line, three finials in our Italian line, or nine Bohemia Crystal finials for either line. Complete your set with mounting hardware, rings, and accessories!

Iron Art Line - 1" and 1½" rod sizes, eight finials, and eight finishes. Coordinate with accessories, brackets, and rings.

Milano Collection

Roman Shades on Drapery Hardware

Shown as assembled set. Available as round 5/8" diameter rod only. Available While Supplies Last.

Fina Collection

Thin Line Drapery Hardware

Available for 1/2" rod diameter only. Finials as exterior fit only. Rod and rings not included.

3D Drapery Hardware

Finials in Front of Rod

Explore new window designs with the ability to have the finial in front of the rod. Finials can also be manually adjusted to be above or below the rod simply by changing their position to enhance the window covering presentation.

Combined with our master carriers, which help reduce light gaps, this system is also great for tight areas where you may not be able to fit the finial you would like to use when using conventional drapery hardware.

Nearly all our finials are available for use with the 3D system (some exceptions are listed on page 27). Rods are 1" diameter in either round hollow smooth (Iron and Italian) or hammered styles (Iron only). Choose from 35 Iron Art™ finishes, 5 Italian finishes, or your own custom finish.

3D Drapery Hardware

Finials in Front of Rod

3D Drapery Hardware can be used with single or double rod systems. Back rods in the double rod system are the same length as the front rod, including their end caps. Straight master carriers allow the drapery to pass the end brackets, giving you maximum window coverage. Begin your order by selecting your 3D Drapery Hardware Kit from the selections below.

3D Drapery Hardware Kits:

3D Single Kit:

- Two 180° U-Bends for one iron rod.
- Two straight master carriers for rings.
- Four rings (two for each straight carrier).

3D Double Kit:

- Two 180° U-Bends for one iron rod.
- Four straight master carriers for rings.
- Eight rings (two for each straight carrier).
- Two end caps for one back rod.

3D Double Kit for Italian Finishes	3D-DIT

Kit images shown with additional rings.

Drapery Hardware:

1" Round Hollow Rods

- Available in 35 Iron Art™ finishes, 5 Italian finishes, or your own custom finish.
- May be used with Bypass Rings.

1" Round Hollow Hammered Rods

- Available in 35 Iron Art™ finishes, or your own custom finish.
- **Not for use with Bypass Rings.**

Finials

- Choose from almost any Iron Art™ finial, all Italian finials, and all Bohemia Crystal finials. (See exceptions listed under Finials.)

Brackets

- Brackets ordered for use with the 3D system include lids and set screws to keep rods secure.

Rings

- Choose from any style of ring.

Overlap Master Carrier Set (optional):

- Works with center open draperies and rings for complete drapery closure in the front.

Finishes:

Iron Art™ drapery hardware is available in 35 Iron Art™ finishes, or your own custom finish. Italian drapery hardware is available in five Italian finishes: Brushed Nickel, Black Nickel, Oiled Bronze, Satin Copper, and Satin Gold. *Polished Chrome is not available for 3D Drapery Hardware.*

Rods:

Choose from 1" diameter round hollow rods in smooth or hammered styles. Order by your rod length tip to tip. (See measurement guidelines on page 29.)

Iron Art Rods	Italian Rods
Description	Description
1" Diameter Round Hollow Rod	1" Diameter Round Hollow Rod
1" Diameter Round Hollow Hammered Rod	

Finials:

Because of their size and branch shape, we don't recommend the 3D system for use with Iron Art™ finials 410, 416, 506, 711, 939, 954, 979, and 982, and Village Forge finials 600, 601, 603, and 606. All other Iron Art™ finials, Italian finials, and Bohemia Crystal finials may be utilized.

3D Drapery Hardware

Position the U-Bends from horizontal to vertical, and anything in between, with the use of our brackets with lids and set screws.

Brackets:

Choose from any of our Iron Art™ brackets. We will add lids and set screws to keep your rods secure, allowing you to position the 3D rod at various angles.

Rings:

Choose from any of our Iron Art™ rings. 3D Kits and Overlap Master Carrier Sets will come with two matching rings for each carrier.

Bypass System:

3D Drapery Hardware using smooth rods can be utilized with our Unique Collection support brackets and "C" Rings for one way draw.

Single rod system shown with one way draw in Italian finish Brushed Nickel.

Double rod system shown with one way draw in Iron Art™ finish Soft Pewter.

3D Drapery Hardware

Finials in Front of Rod

Overlap Master Carrier Set (optional):

This set works with center open draperies and rings for complete drapery closure.

Description	Item #
Overlap Master Carrier Set in Iron Art Finishes	MCS-IA
Overlap Master Carrier Set in Italian Finishes	MCS-IT

What's Included:

- One straight master carrier for rings.
- One overlap master carrier for rings.
- Four rings (two for each carrier).

Overlap Master Carrier Set with Rings.

Overlap Top View.

Single hammered rod system shown as center open in Iron Art™ finish black.

Measurement Guidelines:

- A) The distance from the end of the straight rod to the edge of the curve is 2½".
- B) The U-Bend projection is 3½".
- C) The front face of the U-Bend is 4" long, not including the finial.
- D) **Order your rod length tip to tip.**
- E) Available in 1" diameter round hollow smooth or hammered styles, single or double rod systems. Back rods in the double rod system are the same length as the front rod, including their end caps.

3D Drapery Panels

Finials and Stationary Panels in Front of Rod

Introducing our latest product addition, 3D Drapery Panels. Similar to our 3D Drapery Hardware, 3D Drapery Panels allow you to have the finial in front of the rod, perfect for tight spaces. But now the wrap around front portion of the rod can be used for stationary panels. Just give us the length up to 24" on each side.

Specially designed brackets provide support for the front panel rods. Bypass rings for the functional drapery behind the panels allow the curtain to pass under the support brackets.

Available for 1" smooth round hollow rods in 35 Iron Art™ finishes, 5 Italian finishes, or your own custom finish.

3D319DC Bracket

3D Drapery Panels

3D Drapery Panel Kits Include:

- Two 180° U-Bends for One Iron Rod
- Two Front Panel Rod Extensions Up To 24" Long
- Two 3D319DC Support Brackets
- Two Straight Master Carriers for Rings
- Four Bypass "C" Rings (Two for Each Straight Carrier)

Description	Item #
3D Panel Kit for Iron Art Finishes	3D-PIA
3D Panel Kit for Italian Finishes	3D-PIT

Order Along With:

1" Smooth Round Hollow Rods

- Available in 35 Iron Art™ finishes, your own custom finish, or five Italian finishes: Brushed Nickel, Black Nickel, Oiled Bronze, Satin Copper, and Satin Gold. *Polished Chrome is not available for 3D Drapery Hardware.*

Bypass "C" Ring

Finials

- Choose from almost any Iron Art™ finial, all Italian finials, and all Bohemia Crystal finials. Because of their size and branch shape, we don't recommend the 3D system for use with Iron Art™ finials 410, 416, 506, 711, 939, 954, 979, and 982, and Village Forge finials 600, 601, 603, and 606.

Single Bypass End Bracket

Rings

- Choose from any style of ring for the front panels.
- Use Unique Collection Bypass "C" Rings for functional rear draperies (330C or 7330C).

Single Bypass Support Bracket
Horizontal Plate
Bottom Weld
is available
(318SC-HP-3"P)

Additional Brackets

- Use Unique Collection Single Bypass End Brackets (1028SE or 7014SE).
- Use Unique Collection Single Bypass Support Brackets for additional support (318SC or 7318SC).

Optional Hardware:

Overlap Master Carrier Set

- Works with center open draperies and rings for complete drapery closure in the front (MCS-IA or MCS-IT).

Overlap Master Carrier Set with Rings.

Batons

- Easily open and close draperies while minimizing handling to keep them clean (1015-1020 or 1014).

Measurement Guidelines:

- Order your rod length tip to tip.
- Order your front panel rod extension length up to 24".
- The U-Bend projection is 3½".
- Two Straight Master Carriers and four Bypass "C" Rings are included in the set.
- Two 3D319DC Support Brackets are included in the set.

Order These in Addition to the Kit:

- 1" diameter Smooth Round Hollow Rod
- Finials
- Rings for front panel
- Unique Collection Bypass "C" Rings for rear draperies (330C or 7330C)
- Unique Collection Bypass End Brackets (1028SE or 7014SE)
- Optional Overlap Master Carrier Set

Manual and Motorized Traversing

Orion's traversing systems come with many great features, plus plenty of options to choose from.

When using traversing, draperies will open and close easier than traditional rod and ring combinations through the use of heavy-duty glides, tracks and pulleys. With these heavy-duty systems you can safely hang up to 62 pounds of drapes on a 16 foot track; great in these days of lining and interlining. Single or double track systems up to 30 feet in length allow for a wide range of drapery styles. Front tracks are available with or without rings.

Our cord or baton drawn traversing collections include Designers' Choice (Iron, Wood, and Italian fascia styles), Tuscany Traversing (lightweight embossed metal rods), and Deco Lite Traversing (lightweight embossed metal panels). All these collections can be motorized with Somfy.

Orion offers nearly 200 different finials and 52 beautiful finishes to compliment your traversing system. You can even do your own custom finish. With so many options to choose from, you're sure to create that perfect design!

New Finial Designs

3 New Designs for the Italian Collection

We've expanded our Italian Collection with three new finial designs for you to choose from. These modern styles combine the sleek sophistication of plated metal with the timelessness of wood. Finials are available in two different sizes. Choose from six Italian finishes for the metal and three wood finishes for the insert. Interior fit only. Available for 3/4", 1", and 1 1/4" diameter rods. Not available for Traversing Rods. Available While Supplies Last.

Finial 7070L
 3 3/4" Long x 1 3/8" High
 Shown in Polished Chrome (IT 206) on a 1" round rod with Walnut stained wood insert.

Finial 7070
 3 3/8" Long x 1" High
 Shown in Brushed Nickel (IT 201) on a 1" round rod with Oak stained wood insert.

Horizontal Lines

Finial 7071L
 3 3/4" Long x 1 3/8" High
 Shown in Polished Chrome (IT 206) on a 1" round rod with Natural stained wood insert.

Finial 7071
 3 3/8" Long x 1" High
 Shown in Brushed Nickel (IT 201) on a 1" round rod with Walnut stained wood insert.

Slat Lines

Finial 7072L
 3 3/4" Long x 1 3/8" High
 Shown in Polished Chrome (IT 206) on a 1" round rod with Oak stained wood insert.
