May inspections will include checking the **canopy heights of trees** along the streets.

Please trim trees over the street to 15' and 7' over the sidewalk.

Please visit our website, CreeksideHOA.org, to join the mailing list for periodic neighborhood updates from creeksideBOD@creeksidehoa.org

Pressure washing sidewalks is very important to prevent a slipping hazard and is required for general home upkeep. Please check your sidewalks and clean if dirty.

Parking Amendment

The amendment to our documents has been filed and finalized. It is posted on our Creekside website. The number of permitted vehicles to be parked overnight in the driveway is limited to three. Please make arrangements over the next month to comply with the new rule.
