B & J Environmental is actively looking for a Water and Wastewater 1 Operator to join our team in Northeastern Ohio. Our company has been in business for 25+ years. The operator will be responsible for operations of water and wastewater plants. This position requires considerable driving from one location to another. A clean driving record is a plus. The ability to complete written reports and document results and submit them to our office. The candidate must be physically fit and able to lift and carry 50lbs. We ask that the candidate has great customer service skills and willing to stay till the job is done. Uniforms are provided to maintain professional appearance. You will need to manage your time and have maturity, integrity, and a high degree of ethical behavior.

Pay will range from \$18.00 to \$25.00 an hour based upon qualifications. You will receive paid vacation, sick leave, and a vehicle to drive to locations for the right candidate. Please email resume to [jeanne@absolutesepticllc.com](mailto:jeanne@absolutesepticllc.com) or fax to 440-543-2585.
