

**WORLD WIDE PRINTING**  
AND PUBLISHING INCORPORATED

DALLAS, TEXAS • MINSK, BELARUS

## OUR FOUNDER,

Gilbert Lindsay, started working in the printing industry in his father's print shop. Today he leads one of the most unique printing companies in the world.

## WORLD WIDE PRINTING

has been operating in the USSR/CIS since 1990. We have developed a full service printing company that makes timely worldwide deliveries to over 110 countries.

World Wide Printing headquarters and sales office is located in the suburbs of Dallas, Texas. Our production facility is located in Minsk, Belarus, where 350 people are employed with 7,000 square meters of production area. WWP specializes in producing luxury bound books printed on thin paper, and economy editions at very competitive prices.

DALLAS, TEXAS  
MINSK, BELARUS

## CUSTOMER SERVICE

We are able to communicate proficiently in several languages: French, Russian, and English. Our staff is very friendly, and ready to work with complicated jobs.

## QUALITY

We are committed to producing quality products by using quality materials and maintaining a well-trained staff.

## RELIABILITY

We give our customers honest answers and deliver the job when promised.

OFFICES / STAFF

Printcorp employs 350 highly skilled workers who have had advanced training in technical procedures and quality control.

EQUIPMENT

EQUIPMENT

## THIN PAPER

Our web presses print on paper as thin as twenty-seven gram sometimes referred to as "Bible Paper".

World Wide Printing and Publishing produces quality Bibles, catalogs, hardback, perfect bound, and saddle-stitched books. Our quality enables us to print for every regional market, and our prices let us compete in every market place. Our quality is achieved by highly-skilled operators, reliable equipment, quality components and supplies.
