HAPPY ★ **NEW** ▲ **YEAR**

A Note from our President: Helau and Alaaf! Welcome to 2026! Before we start on all the fun things we have in store for January and February, let's talk about the fun in December we had! On St. Nikolaus day we had S. T. Prinz Pete I and I. L. Prinzessin Sue I along with (our members) German American Society (G.A.S.) Ambassadors David and Allyson Kletz in the West Allis Christmas Night-Time Parade! Because it WAS at night, all floats HAD to have lights! This was so very cool to see 80+ floats **PLUS** 40+ marching groups in the parade! It was cold...brrrr....so afterward, we needed a bowl of soup to warm up to...first holding it, then eating it! Haha!

Also, I would like to thank all the people who made our combined Rheinischer Verein and DANK Weihnachtsfest a great success! It's always fun to have a party with our friends at Christmas time! Along with their members and our members, the party was another hit! The choir sang and so did all of us along with the accompaniment of our Nicole Kramas on guitar, our 50/50 helped a DANK member have a 'better' Christmas season, our gift exchange is always a hoot (or squirrel as the case may be!) special thanks to our special guests from the North Pole: Santa, Mrs. Claus, and young Santa for picture opportunities along with many royalties that were in the house as well! The Kaffee und Kucken are always 'lecher' and the Bingo always "spot on"! **Vielen Dank** to all who made our afternoon Christmas celebrations memorable! Look below for pictures from our fun event!

Weiberfastnacht: Don't forget to mark your calendars! Thursday, Jan. 29 from 5:30-8 is our Ladies night...men, you can come – if you dare- but you may need to sneak in disguised as a woman... if you don't dare and come in a shirt and tie – be prepared to have your TIE CUT OFF AT THE KNOT!! Look for emails with more information as this date nears!

Getting the float ready for the **West Allis Night-time Christmas Parade!** Yes, even our banner!

A little liquid warmer-upper never hurt anyone! But afterward, no one could feel their feet!

Even as Prinz or Ambassador, you need to walk back and get your 'horses' or in our case, cars.

No better words but to say this was **THE END** of the parade! 😊
