

ASTRONOMICAL RAPTURE OF THE BRIDE

The purpose of this illustration is to depict the notion that the end of Church Age is encoded in the very depiction of the Astronomical Sign in the Heavens of Pisces. This investigation will attempt to show that the typology of Pisces is prophetically measured to the timing of when the Church Age commission is to end and thus when the Rapture of the bride is to occur. This corresponds Astronomically with the 'Rapture by Pegasus of the Chained Woman, Andromeda, a type of the Bride of Christ. She is rescued by the Prince, Perseus from the Sea Monster Cetus that Binds Pisces. One of the main suppositions of this study is that the constellation of Pisces will be likened to the trajectory of the coming Tribulation Period after the Rapture as one of the Fish of the constellation that is going up, Israel. The other Fish depiction will be likened to that of the Bride of Christ, escaping as the Fish ride the back of Pegasus. As the Astronomical Age of Pisces has come to an end, it is just that close that the Rapture of the Bride of Christ is to coincide with the end of the Church Age with a 'swift' Escape of the 'Bound Bride', that has been as Andromeda for over 2000 years and will occur and that it is based also on the phi ratio of time since Jesus that produces a Vesica Pisces type of Space Distortion when the Constellations are set to each End Gate of the Cosmos.

TYPE OF THE GREAT ESCAPE OF THE FISH AND WOMAN TAKING FLIGHT

The Constellation of Pisces is Aligned Horizontally with the Ecliptic using the Mercator Distortion Point of View. The Mercator Projection is one of the most used World Map Projections. It preserves Direction and Shapes but Distorts Size, in an increasing degree away from the Equator. The 2 Fish of the Constellation Pisces make-up the entire Segment of the Mazzaroth that also Encompasses the Band, which is the Chord that binds the 2 Fish together at the subjugation of Cetus, which is Leviathan or a Depiction of Lucifer, the God of this World.

The Disciples catch exactly 153 Fish in the Net that did not break at the Command of the Resurrected Jesus. It is a 'Code' for the complete 'Catch' during the entire Church Age that will End with the Rapture.

[120 Cycles of Time x 50 Pentecosts] = 6000 years

Fish caught 153 code: [153 Fishes - 120 Disciples] = 33

153 = 1 + 5 + 3 = 9 or (3 + 3 + 3)

153 + 120 = 273 - 265 = 8

(8 = Resurrection within 2 'Circles' of Vesica)
