

PROJECT HUNGER HALL COUNTY FAIR

CANNED FOOD SCULPTURE COMPETITION

RULES & REGULATIONS

Project Hunger will be hosting the Annual Food Sculpture Competition at the Hall County Fair again this year. This competition will provide much needed food for the Grand Island Community Food Pantry. Your group or organization has the unique opportunity to join forces with Project Hunger and create a canned food masterpiece to be displayed and judged by the public at the Hall County Fair. The winning sculpture will be awarded a plaque. Each participating entry will be given a 5' x 10' area for their display. Each group will need to furnish all necessary food items and structural supports needed for their display. Thanks for helping us raise community awareness of the need for food in Central Nebraska!

RULES FOR ENTERING:

1. Fill out an entry form and return to Project Hunger three weeks prior to the open of the Hall County Fair to secure your place in the competition.
2. All food material used need to be dried, canned, or boxed items with the original labeling intact. Do not modify labels in any way.
3. If you create a sculpture that required adhesion, please use clear double sided tape.
4. Framing or shelving material will be required for support and safety of the sculptures. Wood, plastic, or other materials of your choice can be utilized. Glass in NOT allowed.
5. All items will need to be brought to the Exhibition Building on the Wednesday before the opening of the Hall County Fair and set up for display by members of your group.
6. An unlimited number of food items may be used in your display. However, there cannot be any fresh, frozen, or perishable items used in the display.
7. Any questions or modifications of these rules must be approved by the committee at Project Hunger. Contact Doug Winder at (308) 391-2341 with any questions.
