## IMPORTANT NOTICE

This is our last Newsletter until September.  
We hope everyone has a safe and fun Summer!

### Creekside Intersection

At our January neighborhood meeting, we voted on and approved a motion to file a formal complaint with the City regarding the changes to the intersection at Coronado Hills & Creekside. A letter has been sent to Gordon Derr, Assistant Director of the City Transportation Department, and we are waiting for a response. We are hoping to get this intersection changed to something safer and more amenable. In the mean time, we encourage you all to directly voice your opinion to the City. Take five minutes to call 3-1-1 and let them know what you think about the changes to the roads in the neighborhood. The people who answer the phone are friendly and knowledgeable and will get you in touch with the Transportation Department. The more individual people the City hears from, the more likely we are to get the changes we want. As they say, "The squeaky wheel gets the grease." **Thank You All!**

### Bike Austin

Bike Austin made a presentation at our April 18, 2017 meeting to discuss their advocacy for bicycle and pedestrian safety improvements for Cameron Road and Rundberg Lane to Austin City Council members. We will have a brief discussion at the May 16<sup>th</sup> meeting on whether we want to lend our neighborhood association support with the other neighborhood associations.

We have set the date for the next Neighborhood Garage Sale!

It will be on **Saturday, September 30, 2017.**

This gives us all ample time to clean out and prepare! We will advertise this in the paper and on Craig's list. *There will be a reminder in September.*
