

Electric Committee Meeting
Tuesday, April 30, 2019
5:35 PM – 6:30 PM

Present: Verbal Blakley, Amy J. Tarr, Brenda Phillips, Max Tedford-City Attorney, Marleen Harris, Gayle Glumac, Larry Brooks, Melissa Brooks, Robert Reisner, Matt Tarr, Raymond Reynolds, Mark Bolander and Rosetta York

- Verbal Blakley, from BHMG, discussed updates needed to the City's 2009 Net Metering Policy for residential and commercial electric customers. The City Attorney was requested to write a Newton specific updated policy to be reviewed by the departments. She also spoke on the terms of the power purchasing agreement the City has with Vistra (formally Dynegy, Ameren and CIPS) for wholesale electric.
- Raymond Reynolds discuss the City owned street light practice and policy since 1984 being 500 feet apart. But if someone wanted a light in their area they can install one at their expense.

Meeting adjourned at 6:30 PM.
