

## Minutes of CSSMGA Meeting on September 25, 2012

1. The YTD financial report was posted for review. This report included the YTD payouts to members for tournament winnings. There was also a summary of members who needed additional tournament rounds to qualify for the club championship.
2. The club championship will be played on November 6 and 13. This will be an individual low net flighted event. There will be \$1660 of prize money allocated to this event. There will be 8 places paid in each of the 3 flights and a single prize for overall low gross.
3. The Christmas party will be on Thursday, December 6, 2012 in the Canyon Springs pavilion. This event is open to CSSMGA members and their guest. The details on menu and cost will be posted for member sign-up. It is anticipated that members will receive a \$25 credit towards the cost.
4. Members were reminded of the need to sign-up for tournament events by the 8:00pm deadline on Sunday evenings and to contact Board members when changes need to be made for late sign-up or cancellations.
5. Tee box changes will be allowed starting in October. There will be a 3 stroke adjustment up or down for members moving from silver to black or black to silver. There will be a 2 stroke adjustment for moving from silver to copper. Members need to contact a Board member via email to indicate a desire to change tee boxes.
6. Members who would prefer to play with "relaxed rules" (i.e. bumping the ball, playing out of bounds as lateral hazard, etc.) can contact Jack Driskill to indicate their preference. If there is enough interest (at least 12 members), CSSMGA will set-up a separate tournament for this group.
7. Elections for the position of Secretary and Vice President are scheduled for this year. Nominations will be taken for these positions in October. A ballot will be posted in November to elect members to these positions.
8. Our annual meeting will be held on Tuesday, November 27, 2012.
