Registration for '21-'22 is ongoing. Please return your packets if you have not already done so, thank you. Remember our referral discount is still active. Scholarships are available if you are experiencing financial difficulties.

Though our **PIP hours** opportunities have been limited, you may still receive hours for helping with our Spring Rummage Sale (April 7th-10th) and helping hands are ALWAYS needed with our '50's Sock Hop Auction. It is important to volunteer to make these activities a huge success. All monies go directly to help with the operational vitality of the School and your children.
