

Ashtead All Stars 2023-2024 Update No.8, Thursday 14th December 2023

Dear all,

Christmas marks the half way point in our playing season and AAS celebrates in style. We have had Secret Santas, fun games, lots of chocolate, the Christmas 5-a-side tournament and a Christmas meal out for the adult teams. Please take a few minutes to visit our social media sites to enjoy some of the photos. All the committee and coaches are now enjoying a well-deserved rest!!

I would like to thank Becky and Jaylynn for their amazing work organising the Christmas tournament. The tournament took place in the wind and the rain but that didn't deter the smiles. Our U8s to U11s took part, ably guided by our older girls (U13/U14) who took on the roles of team managers. All the umpiring was done by our junior trainee umpires who did a terrific job. What an absolute spectacle of netball and amazing resilience to the elements it was. The girls had a ball, supported by plenty of hot chocolate and cake, and Father Christmas was there to present the medals and treats. Well done to teams A3 and B2 for winning their tournaments.

Well done to Eva and Trixie for winning the Shooting Competition, and well done to some very cheery team managers and scorers who sum up the atmosphere perfectly.

Food Bank Donations

Thank you to all those who contributed to the Food Bank during the last week of netball. All donations were very well received, and Ashtead All Stars did themselves proud. Thank you for your generosity for this worth while cause, and thank you to Helen for organising the collections and delivering the goods.
