

Today's meeting began with biz leading us in the pledge of allegiance and a moment of silence for our troops. Following I read aloud our regions minutes report for January. Connie made a motion to accept biz second it all approved. Connie then read aloud our treasurer's report. Terry made a motion to accept I Francesca second it all approved.

Before I go over the meeting with you I wanted to bring to attention that we are no longer hosting our meetings at Rosco's anymore. We have moved just down the street to Jack's bar and grill in Roscommon Michigan. Although our meeting location has changed our time and date remain the same. First Sunday of every month @ 1pm.

Ok so back to the meeting. We now have field meet tickets available. For those of you who don't know what's going on about what the state of Michigan wants to do with the funds we would use to spread safety awareness. WE CANNOT LET THEM GET AWAY WITH THIS. WE NEED TO COME TOGETHER AND STAND UP FOR WHATS RIGHT. WE NEED TO ALL CALL THEM AND LET THEM KNOW WE WONT BACK DOWN WE WILL NOT TOLERATE THEM TAKING ADVANTAGE OF THE MONEY WE ALL USE FOR SAFETY AWARENESS. HERES THE NUMBER TO CALL AND BLOW THEIR PHONE LINES UP. DONT BACK DOWN. 517-335-3269.

I also wanted to mention if you know someone who's really wanting to attend a meeting or even a seminar or one of our outing bring them along help them out you never know the reasons why they have such a hard time with transportation. Some may need assistance walking or getting into a vehicle. We can come together and help. You never know it could make somebody's day.

On behalf of region 22 wanted to give a huge shout out to Terry and Connie and most of all Abe & Sheila for all their hard work and their dedication. You all a truly some awesome people.

This part is touchy for me. But.... most of you know that one of our regions members has passed away Oct 25th 2018. He was also nominated to be our regions member of the year. Daryl William Seder Sr. Since he is no longer with us on behalf of Abe and Sheila they gracefully went to the seminar on his behalf and accepted the award. Our members came together and we decided to honor his son with his father's award. Daryl William Seder Jr. tearfully but honorably accepted the award in honor of his father. Daryl William Seder Sr would have been so proud of you Daryl Seder Jr. Daryl Sr. Rest high on them black roads riding through the golden gates. We love and miss you every single day.

Thank you all so much and we will see you next month. Keep up all the wonderful work and remember our meetings are at Jack's. Also I have attached a picture of my husband Daryl Jr. Accepting the award from our regions RC. Terry Bruce.
