SUBJECT: Decry 16th Level #14B

Chreation order, Nurses Pay Raise, Job Experience, Commercial Bank

TO: Governor Andrew M. Cuomo Office
New York State Executive Chamber
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

THIS IS A 16th Level DECRY CALLED A DECRYMIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM. THIS LEVEL IS HIGHER THAN THE DECRYMIUMMIUMMIUMMIUM AND HIGHER THAN A DECREE

I PAULETT ANGELLA HEMMINGS EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, ESISTENCE, AND ANYTHING INBETWEEN DECLARE THAT:

DATE: July 8, 2017

1. The right name for this Earth we are in is: JAH CHREATOR KINGDUM NATURAL EARTH CHREATIONSZZ 16TH THRILLIANTH DEGREESESZZ.
2. All Earth documents say: PAULETT ANGELLA HEMMINGS JAH CHREATOR KINGDUM NATURAL EARTH CHREATIONSZZ 16TH THRILLIANTH DEGREESESZZ.
3. On the outside of the Earth I did not want my name to be there, so it says: JAH CHREATOR KINGDUM NATURAL EARTH CHREATIONSZZ 16TH THRILLIANTH DEGREESESZZ.
4. The many devels who came into these Earths at various different times in the past, removed the right name and put their version of a name. Sometimes these Earths did not have any name as they removed the outside covers and put plastic covering with no name on it. They also know how to erase the name and to cover over it with their version of a name.

The Order of Chreation

There is a creation of Life and there is a process for the Chreation of Life. I am the first Chreation of Life for my time period. There have been other prior time periods, and when those periods end, another starts. There are ten (10) different regions in the Chreation. I am the Head of the Chreation and the Head of and over the Regions. Each Region has a Head Chreator, and they Chreate their Spectres according to the order of Chreation. The Interlope Maker is the region with the main devels. They corrupted all the other regions over time. Barak Obama is from the Interlope Region. The devels used all regions to help him. My Region was the last standing. The Interlope corrupted the Gurners and all others. The Interlope uses many of the higher order of the Chreations in the Gurner and many other regions to help them as they expand with wickedness. The Gurner where Donald Trump is from, has many who the devels use to destroy, and to do many wickednesses.

Earth Queendum

Before this JAH CHREATOR KINGDUM NATURAL EARTH CHREATIONSZZ 16TH THRILLIANTH DEGREESESZZ, we live in, I Chreated another Earth named the JAH CHREATOR QUEENDUM NATURAL EARTH CHREATIONSZZZZ 16TH THRILLIANTH DEGREESESZZZZ. The skin type of the Lifes in the Queendum is different from the Kingdom. The Queendum was a giganamonous Earth, and I live in the Earth for a long time. The devels used scanners, microscopic lenses, drones, vectors, and zoners to find me. They cut out the earth with large machines and I didn't know. They cut me out of the Jah Chreator Creations, and the cut was so large it looked like the shape of Africa. They cut out the area so deep that it cut right through almost all the elevations and levels of that area they cut out. They took me, the chreations, all the lives, and killed us many times and removed our power and authority. I eventually got out of it, and then I created this JAH CHREATOR KINGDUM NATURAL EARTH CHREATIONSZZ 16TH THRILLIANTH DEGREESESZZ in a smaller size than that Queendum.

Federal Government

Is the US Federal government living in my community after I have moved there? Why is this so?
Is the US Senate living in my community and torturing me and sucking out the power from my air conditioner and electricity and all my neighbors?
Is the US Congress living in my community and helping the federal government torture me?

The Jah Kingdom Natural Earth

The Jah Kingdom Natural Earth we are living in today, has changed cover (outside shell) many times, and the inside have been cut out, cut up, gutted out, and removed. The outside has been destroyed by many explosions, dents, cracks, damages, corrosions, deterioration, and erosions. Many of us do not know where most of the Earth has disappeared to. The many different devel leaders removed the Earth states, towns, cities, and places. They dumped many of it into the oceans and seas and take many parts of the Earth, its elevations, and levels out of (unearth) the entire Earth. The Earth also fell from the devels and cracked and was in water a long time rotting until they found the Earth.

The news reporters, weather reporters, states, senators, congress woman and man, speakers, presidents, mayors, governors, fire department, emergency medical technician, police, military,

secret service, justice, department of interior, department of agriculture, water service, cable and wireless, electric and power, gas and oil, and movie makers and others know these terrible events, and they sealed, blocked, and conspired not to disclose the information to the Earth Peoples, Persons, Ranks and above. Our computers, telephones, and electronics have been removed from our knowledge, so the Earth went backwards for many hundreds of years. The many governments have removed our interconnections to outside of this Earth, to other Earth elevations, and levels, and other places through web, net, intranet, and computer connections from this natural earth, to block our knowledge.

Only the governments, federals, states, city, republics, some organizations, and those trusted ones they can control, know of the usage and can use them. We therefore, live in lie and lack of knowledge of who we are and who our Chreator and GOG is, and who the other women Leaders are who come from time to time to the governments and inform them that they are able to lead the Earth states. The governments have killed and destroyed their lives, because they do not want the women to lead the Earth. The governments want the men who are not Chreators and who are not entitle to any part of what belong to the women or the Chreator.

The devels destroyed this Earth many times so they can get in. They lifted off the top of the Earth and come in at times by the Thrillianths. They stormed us for lengths of times, and we have had to use the ganja, marijuana, poppy, and sense melia and other protections to clean the air, and we also use the leaves smoke and the chlorofluorocarbon to drown them out and to drive them out. Sometimes, they come in and they are searching for my offices and to locate me. I had to remove certain word and marking from the outside so they do not know what are my personal areas. I do have authority over many Chreations, as this Earth is not the only chreation that esist. I have to be in other places, and the devels know the routes. The routes are not that easy to change, as we have had to make many changes in order to survive in the existence of devels. The devels are always stealing from others and using stolen properties to advance devel wickedness, and they eventually killed me.

There are many rules and plans to esist in this Earth when I am absent, as I am not the only leader in the Earth. The devel targeted my women leaders and killed them. The devels killed the many Chreations and the many places in these Earths for a long time. They wiped out many Chreations and generations and destroyed the many elevations and levels to stop the process of live from the natural normal manner they are to esist. They stopped many lives from transcending from one life to another when you are dead, and many times you are dragged from out of these Earths by many ropes and attachments they connect to you while you are forced dead in your tombs or when they cut out your inner selves. Many coroners that work for the devels force you to be dead, and many doctors who pronounce death are plastics and rubber, and you do not know and many do not know. When you are forced dead, these devels remove many of your intestines before it rots. They remove many parts of your eyes, teeth, lips, nose, hair, fingers, toes, arms, legs, head, memory, and your body even before you are cold, and very few in this natural earth knows that is what is going on because of devel government leadership.

Some of the churches know of these wicked acts of the devels, as they work with the federal devels. Many of the pastors, temples, and religious ministries you see on TV, are working for the devel federal government, and they get financial allowances that you do not know of. You are to

get three allowances per month and you are entitled to them. Your allowances are not your pay or salary. It is much larger per month than sometimes your yearly pay. Many of these pastors, Popes, and others they are used by the federal government to terror you and to kill you when they take the allowances, as the federal tells them they owe it to the federal, and the federal traps them into working wickednesses on you to assist the federals. Many of the Pastors, Bishops, Popes, Rabbis, Caliph, Imam, who work for the federals are plastic terror criminals, and when they do not continue to work for the devel, the federal take them over and kill them.

1. States where are the 34 levels and the 99 elevations/height, for the Natural Earth and the other Earths. Also, where are they in the Flesh Earth, the Mercury Earth, and the Real Earth? For each of the levels, we are to live 20 years in the natural time, never to die, and never to get old. We are to transcend from one elevation to the other when we reach the age of twenty. There are 34 levels and 99 elevations in the natural earth. As we transcend, we go up in the elevation and each time we go up in an elevation, we are transformed and become brand new, not in a baby form, but in an adult, baby, youthfulness. Each level of each of the four Earths, has 99 elevations.
2. There are four types of natural earth: Natural Natural Earth, Natural Flesh Earth, Natural Mercury Earth, and Natural Real Earth. In this Natural Earth there are a mixture of many different spectres. We have the Natural Real Lives and they are the very thick skinned. The thickness is not visible it is the sensitivity of their skin and the heaviness of their hands. Realeamos are the very thin-skinned peoples who are very sensitive to touch and their touch are light.
3. Then there are the Reality spectres who are thick and denser that the natural and not very sensitive to touch. They will pinch and hit very strongly as they have density to their skin.
4. Then there is the Natural and the Naturealeamos. The Naturealeamos is thinner than the natural but not thin like the Realeamos.
5. The Mercury are killed and the Mercureamos are a very few and they are thinner only to touch. They look thick but they are sensitive to touch and have a little mercury protection.
6. Where are the Mercury Earth Lives? Why did you kill them, as you cannot penetrate them and cannot get into their skin, so you killed them and killed the many Earth elevations.

Threat to My Life by Federals and Others

The US federal government and other devels told me over and over again since 2013 that they are going to kill me. My life today is threatened every day by the federal and other government leeders who want to leed when they are not leaders of my Earths or any place. In the past, they have killed many of my other ones who are born into this Earth and they go to the District of Columbia and informed them of who they are. They tortured them, killed them, and destituted them, and some of them live on the street even today, like a vagrant, because that is what the federal governments and the others do; they destroy our lives, stop us from working,

there is no financial allowance to help, and they use the sorcery halo and the hand over our heads to control us as no protection is in this Earth and these Earths anymore.

These federal devils use many electrical tools to sting, pinch, bite, burn, pierce, and destroy us so we cannot stay in a house and we then have to live on the street, as that is where they want us to live, while they enjoy our properties that we cannot get from them or use. In the country of Chili, there is a memorial place undisclosed that they buried one of my other ones whom they killed. In the Falkland/Falknor Islands, they killed another one of me, in Jamaica West Indies, they killed many of me and many other women leaders who are to lead. In many other States/countries they also killed many of me who are to lead, and they are found dead, dismantled, missing, and of unknown death.

My Job With Homeland Security/TSA Miami International

I have been explaining in my Articles since January 8, 2017, how the federal government, republic governments and monarchy governments, State governments, City governments, Department of State, Department of Homeland Security, TSA, Police Department, Secret Service, County governments, Microsoft, FBI, Senators, Justice, and others have been destroying my life, and they have used the vectors, scanners, drones, microscopic lenses, the hand, created by the Interlope Makers and the Gurners and others Existence to terrorize, horror, unprotect me, go into my brain, go into my eyes, nose, throat, ears, vagina, bottom, foot bottom, mouth, tongue, teeth, speech, thinking, body, and disrupt my life, travel, movements, sleep, and my physical fitness/health, my job, destroy my vehicles, destroy my homes, destroy my future and killed and destroy my children, and they have not stopped. From the above connections to AOL, you do see that the many devil wickedness tools do exist in this Earth, and the devils are in control of our life, our medicine, research, our body genetics, communications, web sites, web links, emails, and our money.

While working for the TSA, Miami International, the Federal government devils injured me on the job, and I have had to stop working.

The federal government, TSA, and the Department of Labor removed me from Workers Comp illegally, for no reason as they can do whatever they want, with anyone they want, anytime they want, any how they want. They left me destitute, with no means of supporting myself and sick. While recovering, the federal government further continued to destroy my life, and in January 2013, Barak Obama and many others including the media opened my body and killed me many times, since then, they have not stopped. I have many authorities, and there are many levels and elevations of places in one Creation, so I must have many types of me in my body for the different elevations, different levels, different Creations, and different Existence. The devils Leaders know this, and so they keep on killing and destroying me so my other versions do not exist and therefore, I am in constant pain and terror every minute of the day.

While living in Miami, Florida in 2013, the federal government and the others destroying me and my life, told me that they are going to destroy my finances. I didn't understand what they meant but over the years since then, they make sure that they did just what they said. The Interlope MAKER are the ones who makes things happen any way they want, anyway they can, with anyone they want, any time they want, in anyplace they want. The Makers are the Any, Any; they are the Make it Happen.

Because of the daily, nightly, hourly, minutely, and secondly terror, horror and disruption of my life, I couldn't live in my home in Miami. I had to live in hotels. I stayed in many hotels in my community and other close communities to get away from them so I could sleep a few hours. I had to go back and forth from my home to hotels, as the terror on me and my home gets higher and higher. I spent a lot of money from my savings living into hotels and buying restaurant foods just to get away from the devil terror in my home. The devil terror was so bad that they burned down my home in the federal cut out and in many other level and elevations. They destroyed the electricity in my community and we had a number of black outs in my community. They brought the heavens down into my community. The federal government brought many other creations down into my community and they brought space ships down into my communities. They have used the many creations and heavens to terror me day and night while in Miami. They know how to use the sorcery and they know how much water and food I need to have in my body so their terror can get higher and higher and stronger and stronger on me. The federals know how many days my body can do without water and food so they can terror me more as they stopped me from eating and drinking, so they can terror me and use the sorcery on me. I didn't know what or who they were. They told me that they cannot tell me who they are, they cannot tell me what they want, and they cannot say why they are destroying me.

The federal devils and the others killed me in the natural, and in the many levels of his Earth in 2013 when my car crashed during the night while they were terrorizing me night and days for about a week long with higher and higher intensity without stop, and I had to leave my home. My car was completely totaled. They also took me to a hospital they wanted me to go to as they visit that hospital weekly and removed the patients to unknown place they call planets. They took me to one of these unknown planets while I was in the hospital, and the hospital staff gave me water to drink that caused me to have diarrhea. Years later when I had the opportunity to find out who transported me to the hospital, I found out it was the Secret Service. They used an open space ship to transport me to the planet they took me to and they terrorized, tortured, and tormented me there.

In 2013 and up to leaving Miami in 2014, I owed no credit card debt. Therefore, my credit was extremely good. I had to go to other cities far away from Miami to look for a place to live. Because of the terror by the US federal governments and others and I couldn't sleep and live in my Miami home anymore, I had to move away and I found a place a good distance away. The federal destroyed my furniture with the movers, they stole my furniture with the movers, my furniture didn't arrive when I got to the new home, the federal unloaded my furniture in Fort Lauderdale. I couldn't get my furniture, so I had to sleep on the floor with no soap or bath towels to use for days. I eventually had to spend money to buy these necessities, when my home delivery was to arrive on the same day and about the same time as I did. I eventually had to find another mover, and pay him to go to Fort Lauderdale to get my furniture. When I got them, many of them were badly damaged, broken, and stolen.

I had insurance on my furniture and the movers had insurance. When I tried to get the reimbursement from the movers and the moving insurance up to today I received nothing, as the federal government is in control of these organizations and they use their sorcery powers and other powers to prevent me from getting reimbursement for my stolen, broken, and damaged furnishings. When I tried to replace some of the needed furniture that were stolen and broken, I

paid for them beforehand, and they came broken in pieces by the US federal government and others, and I had to return them. I lost a lot of money in this process.

In 2014, when I arrived at the home for the first time and looked around at the empty home without my furniture, I realize that the washer and dryer were missing in this new home, and it was there the last time I was there. They were both stolen by the federal government set up, and I couldn't do my laundry for weeks. A few months after I moved in this new home, on January 1, 2015 at about 12:15 AM, I took a bath for the first time in my bath tub. While I was in the tub the federal delevs and the others who had been terrorizing me all day and torturing me, destroyed the bath tub as they had the vigilantes on me with heightened terror second after second. They tore down the bath tub and flooded my home from the second floor to the first floor. When I got out of the bath tub and aware that something was wrong and went to check, the water had flooded my home inside and outside, and it was like a pool.

I couldn't get my Miami home rented as the rent market was low and so for about seven months I had to pay for the two homes from my savings. I had to reduce the rent and then I got a tenant. I have had to pay portions of the cost for that home, as the rent is not sufficient to cover the cost of the home, the many insurance and protections that are a must, home maintenance cost, and the home owner association fees. I am doing these all from my savings. The tenant has missed several rent payments, and it is because of the federal interfering and destroying the tenant's job and life so it affects me. In June 2017, I sent the tenant a package, and it never got to the tenant. This caused a delay and so the US federal and others are doing whatever they can to destroy my life and my properties. This is the second time since April 2017, that the federals have gone into the federal post office and intercepted these types of mail belonging to me. I have purchased other items and they were returned to the sellers and they never got to me from the post office as well this year.

Financial Status

I have had to use my retirement funds for my daily living, and I have no more retirement fund because the federal governments, the banks, others are destroying me. I do not have any money to live on. I have tried to help myself in many different ways, and every step of the way, the Federals are there with many obstacles and they have giganamous power from the heavens, the TVs, the moving pictures (movies), many spares, and many outside places that they use to control what I do and how it is done. I lived independently with not asking for help from any form of governments, private, family, or parents. Since the Federal destroyed my job, in 2010, and my body, it is difficult for me to do my regular work. The federal inject my body with a lot of fluid to suit their needs. Sometimes, I do not have much to eat, and my body is bloated. When you look at me you will see a lot of injection tubes on many parts of my body as the federals inject me and pumped their devel liquids into my body, it makes me look bloated.

Financial Credit & Abduction

Since I moved in 2014, my financial credit has been declining, as I have had to borrow from credit cards in order to pay for my daily expenses and to use my savings as supplement. The federal continue to torture and destroy my life daily. They worsened this terror on January 1, to January 4, 2017 when they removed me illegally and abducted from the Miami International Airport connecting from one American Airlines flight to another to go home after returning from

a trip outside of the USA. The federal government devils told me in 2013 that they own the TSA and the airports. I didn't understand what they meant, but I later found out that they were the ones who bombed my properties in the September 11, 2001 attacks in the USA, and the federals had planned to bring in from the Heavin the TSA and Homeland Security into the Earths to give them jobs, and to continue more disasters and to control the airports they will destroy. Some of these wickednesses by the devel governments and leeders were put together to stop me from thriving and from being who I AM.

Therefore, while I was in the airport they took over, in the American Airline they own, and while I was going to their TSA security, they can do whatever they want, with anyone they want, at any time they want, and any how they want. They did these wickednesses to me to stop me from doing what I must do, and to show me that they can destroy my name, my life, and my physical wellness, and I cannot stop them. They were able to do these things through Rick Scott the governor of Florida approval.

Since January 1, 2017, Miami International Airport Abduction and terrorist attack on me by the US federal government, I have been living in extreme pain. They tore off my left shoulder, my left arm, my left side when they jabbed me in my left shoulder continuously during the abduction to get me to resist them. They dropped me several times on the ground breaking and damaging me inside and outside. They rape and sadomized me; they cut me out of myself; they tore me out, cut me out, and killed many of me inside of me. They starved me in the natural for days without food, water, or liquid. They released me from abduction on January 4, 2017, without my bag, without my IDs and passport, without my luggage, without any money, and like a destitute person left on the street at about 4:00 am in the morning in the darkness of the night. I had to cut and carve my way in order to get home.

The State of Florida is responsible for the abduction and destructions in my life since I moved to Florida. Governors Charlie Christ, and Rick Scott, of Florida who are all man, are responsible for killing, terrorizing, and destroying my life along with the US Presidents, the federal governments and others.

Since the terrorist abduction of me by the US federal government on January 2, to January 4, 2017, I need to see many physicians. The US federal and others took everything from inside of me during this abduction, and so I am left with nothing and cannot survive financially. I have tried to go to the physicians, and I need to do many follow up treatments, and I cannot do them, as I do not have the money to do so. I have had to take out all my retirement savings, and there is nothing left. I am unable to pay for my homes, as I have no money and the tenant cannot keep a job and cannot pay the rent because of the federal. All these financial problems are the result of federal destruction of my life and interruption of my life. The many wickednesses the US Presidents, their wives, the federal governments and others have put on me are affecting my family members as well. They killed them young, put them in lack, and have started to terror some of them.

All the credit cards that I have had to use to pay for my daily expenses and things that I need, have been calling my home sometimes more than 30 to 40 times a day from Sunday to Sunday. I live in terror from every angle. While I have to live in terror, hunger, lack, and without sleep, I

have many Chreations that I have to take care of, and I do take care of them. I have Chreator work to perform that I do every day. The Chreator work that I have to perform is not anything that you can understand or should know, as that is for me and not for you. A woman Chreator, Paulett Angella Hemmings Earth, as only a woman gives life, and brings forth life, put this Earth together and put your generations in it, and that is how you are here today. You did not put yourself in this Earth. You are not to be responsible for your life and living; I AM. I AM the Provider of this Earth, and these Earths, whether I AM here in the natural or not.

This Earth has been destroyed by these wicked devel leeders in many ways that you cannot understand or see with your eyes. That is why many things I cannot do in this Earth, as it is not in the shape it is to be in, and this natural Earth level is not where it is to be. Additionally, my power and authority are being used by the federal governments, the republic governments, the monarchies and many other devel leaders in this Earth and these Earths.

I have contacted the credit cards companies by letter and inform them of who I am. I have contacted the Banks by letters and inform them of who I am. I have contacted the credit cards and banks by telephone and inform them and have them to put the information on my accounts. However, they call me several times a day from Sunday to Sunday and also on holidays asking for credit card payment and giving me deals to pay them monthly when they already know who I AM. The banks send me email and even found private telephone numbers that I have not given them to track me and to terrorize me for my own money, in my own Earth. Many of the callers are my own children and many devels outside of the Earth.

TSA & Office of Personnel Management

I got injured on my job at TSA in 2010 when the federal government and others destroyed my body, killed me many times, destroyed my job, my colleagues, the supervisors, managers, and directors. My injuries were severe, and I could not work anymore. I was on workman's compensation and the Federal government continue destroying me, so I couldn't recover. The TSA terminated my employment because I was being terrorized by them and other federals and many others. While the TSA, Federal government, and many other terrorisms continued while I am at home, the Department of Labor terminated my workman's compensation saying that my injuries do not need to be covered by them. They stopped my workman's compensation, and they refused to give me the reimbursement for prior months that were not sent in to them before they cut off the compensation.

The department of labor sent me to a few experts to get their documentations that they can use to disqualify me. Those planned reports are directed by the federal governments, Florida state, and many others, to say that I am not sick. All those expenses far away from my home, I had to spend to transport me to see their experts, they never reimburse me not even one penny. Maybe about 2012 or 2013, the Department of Labor and the federal governments and the others disqualify and left me sick and battered without any money to support me, and I had to begin using my savings to pay for my medical, my medical transportations, medications, and my personal home expenses. I wrote to the Department of Labor and requested a review of their decisions and they said I should have gotten an attorney to write to them instead of me writing to them. They did not reinstate my sick benefits, and so I was left to survive on my own with no money.

I sent a document in to the Office of Personnel Management (OPM) for early retirement. They took a good amount of time to research my file, and they sent me a letter stating the amount of money I am to get when I retire per month. For federal, retirement is connected to the years of service, more than the dollar amount anyone contribute. I didn't retire at that time and about one to two more years when TSA terminated me because I am sick, I completed the application form and sent it to them. They approved my early retirement, and they gave me a monthly retirement allowance about two thousand dollars less than they had projected. This was illegal and deceiving because I had accrued about two more years and so the amount should have been much more than they had projected instead it went down about two thousand dollars.

I wrote to OPM about their error and they replied saying that was the amount I AM to get. I was left with not much to survive on and a growing medical expense. I had to use up my savings monthly to supplement the great loss of income while I am being killed, bitten, stung, hungered, thirsty, lack of food and water, destroyed, tortured, burned, branded, choked, dosed with acid, pierced, chewed, broken glass thrown in my eyes, face, and all over my body, and much more I had to endure by the second, every day, every week, every month, every year up to today.

Is the department of Labor doing illegal experiments of many varying degrees on my children and their species?

Are the department of Labour reports based on many illegal experiments they used to pervade and peruse my children brain attaching many instruments to them from the federal devils to know many things about how our brain works, our stress levels, what stimulates and continue anxiety, and that helps the federal to terrorize us at work more and more, and they then terminate or disallow our sick and injury benefits?

Is the department of labor using a lot of illegal outside the earth underground power in their labs? The Department of Labor is illegal in this Earth, and like the other federal agencies must get out as already directed.

Motor Vehicle Accident

The terror, torture, wickednesses continued to the point where they tried to kill me with vehicle accidents a number of times since I am living in Miami to the point that my car was totally crushed and went over the road embankment and into some trees, as the thousands of devils took control of my vehicle. I don't know exactly what happened in the accident, as I believe the devils cut the time and did many things. I was picked up by an ambulance and I told them where to take me to the hospital, they knew the address and they never took me there. At some point the ambulance became an helicopter, and the attendants were unusual looking police, secret service, or military. They were able to know my name, address, where I work without looking at my driver license, and I did not have any documents with my job information on it. I was taken to an hospital, and at some time later the devils took me out of the hospital and put me in an open space ship and took me away. I was unaware of how they got me out of the hospital and up in the air. The sound of the travel through the air was zugu zugu zugu zugu, as the space ship did not go straight, it went zig zag. While they were traveling with me, they told me that I must close my eyes and they told me what to expect. They said I will see flashes of light, many stars, go

through the milky way and many other things, as I believe, they did not want me to scream out. There was a fight with two of these devils. One wanted to take me to the heaven and the other wanted to take me to his place. Many other devils were there and some came after the space ship they put me in, by foot. I could see them running in the air like on steps moving in the direction of the space ship. I did pass through those places and saw what they told me I would see with my eyes closed. They took me to an hospital, and I was put in a bed, and I could see the room, and the nurses and even outside the room. There were about three nurses. They were African looking nurses, Spanish looking nurses, pink skin looking nurses. They spoke many different languages. English is the dominant language. While I was there, I even heard a radio broadcast ongoing, and I remember one segment of it they had a famous poet (Mayo Angelo) poetry reciting or reading, and they were speaking about her work. The nurses had cell phones and they speak with their families as they call them. I ate my meals and the food tasted like our food and very tasty. I had chicken and mashed potatoes, and I was so tired I couldn't eat all the meal. I drank orange juice and water I think, and they fed me, as I couldn't help myself. I remember that most of my teeth were missing, and I put my tongue and felt my gum and they were missing.

When the nurses stopped feeding me the devils took my mind and body over and began to terror, sting, burn and do many unbearable wicked things to me. The water I drank caused my stomach to growl and I felt diarrhea coming on me. I told the devils that I needed to use the toilet many, many, many, many times. They ignored me while they spar and played with each other, as it seemed they were two lovers and both men. I had to pass my feces on myself and even my intestine came out. Something happened and someone they said, after, sealed my body up. Many other bad things happened, and they eventually brought me back to the Earth and into a different hospital as it seemed. Later, they cut out the hospital room and took me in the hospital room going to another planet they said. While was on the way they looked at the TV, and I saw a woman reporter saying that some people were abducted. Then one of these devils told me that the person the reporter is talking about was to be my doctor the next morning when I wake up. On this long journey, they said to Venus, they got information that there was a problem, and they couldn't continue on the journey, because the doctor and others who were to work on me were disoriented and they couldn't do the work.

They then decided to return, and they brought me back to the hospital. I stayed in there in terror more rapidly than before, as the devils could not get what they wanted done, so they put higher intensity of terror on me in the hospital and no sleep, and much more unusual situations. I do not know how the hospital got my sister telephone number or my cousin telephone number, as I did not give it to them and my cellphone was stolen or lost. After I got out of the hospital and found where my vehicle was, and looked at the police report, it said my car hit a dumpster and the dumpster got dented. They showed a picture of my car close to the dumpster, and I know that I went into many trees.

Free Home for Parcel Lands/Plots/Lots

JP Morgan chase, Chase Manhattan, Chase, Wells Fargo, Nationstar Mortgage, Citibank, other banks, Lennar home builder and other Builders, since about 2012, in the Perspective, Parletas, Federal Cut-Out of this Earth, those parcel lots/plots/lands already developed, were given to the Home Owners, and their mortgage moneys returned, as the lands were not to be developed, as they are mine. In the State of Florida, as you have it, Home Owners were given these free homes. Why in the Natural you have been charging us and me for our home when a decree had been sent out, and it is for all the Earths. Because we do not have the interconnection, you have been robbing all-natural lives without stopping. The Cutler Bay, Florida and Brandon Points are among the communities that the banks returned their mortgage money. The homes must be given free to the home owners in this Natural Natural Earth, just like the other elevations of the Natural Earth.

Police Murder Police

There have been many reports of civilians or a person who is not a law enforcement killing a police woman or man. These are lying stories. The police, news medias, the federal governments, FBI's, Governors, Mayors, Military, country leeders, and others do the killings of police officers, so they get rid of the real natural flesh officer, and there is room for the plastic police that the federal have equipped to replace those killed. There are many plastic police officers that do not look like plastics. Their features are well formed, and they look better than real natural flesh Lives. Sometimes some of these well-formed plastic persons have a real life inside them that was not made in this Earth, and the devels are able to use them inside the plastics and get the outer effigies or statue with similar quality as the inside, so that is why they are so well formed and look so real. They abduct real peoples or a ranking or others and they tear the person down and they give police lying stories and then they terrorize the victim and the news media write all sorts of lying stories about the person while the federal and others get into the family and neighbors to tear them down, so they can say things that are not accurate about the person or so they can find a person from the community to tear down, so they can get that person

to be a neighborhood witness or to say something inaccurate about the victim they are parading as a criminal. These are all well practiced recurring crime report and parading of innocent persons as a criminal to please the federal and the republics and others who are the devils.

JBC TV and Radios

Jamaica Broadcasting Station (JBC) TV, Radio etc., must return immediately.

OJ Simpson

Since the January 8, 2017 Article 1, I have commanded OJ Simpson and others released from Prison. Why are the news media and the Courts parading a plastic or rubber OJ Simpson on the TV and news reports? Where is the real natural flesh OJ Simpson? Where is all the money to be returned to OJ Simpson the federals and republics and others stole from him and accusing him of doing things that are not true and even if true are not criminal or illegal?
