Employment Opportunity
For
Service Technician

Hiring Range:	\$21.35 to \$31.54	Classification:	Classified
Reports To:	Manager/Supervisor	FLSA:	Non-Exempt
Posted:	October 31, 2018	Department:	Service Department
Working Hours:	40 Hours Full Time	Status:	Full-Time

General Statement of Duties and Distinguishing Features of Class

This work calls for the use of advanced maintenance skills acquired by experience or on-the-job instruction. Position requires more than usual physical strength and endurance. A Service Technician will work under the supervision of a Service Coordinator or a Manager/Supervisor who issues oral or written work orders and inspects work. Service Technician is required to be able to complete tasks with limited supervision while working independently or with other workers. Employee is proficient at responsibilities of Service Worker and able to train others on those responsibilities. Employees are required to be available for work after hours, weekends, and holidays when needed.

This is a public service job based in trust, credibility, and competency. It is a critical requirement of this position that the incumbent displays the desire and ability to perform and behave (on duty, as well as off duty) in a manner that does not damage or endanger the loss of trust with the public, co-workers, and other public safety forces. Candidate must meet the following qualifications and requirements at time of appointment.

Examples of Work (Illustrative Only)

- Performs manual labor of more than ordinary difficulty; this will include work needed for the City's streets, properties, facilities and other areas as assigned;
- Ability to work independently or individually depending on work assignment;
- Ability to operate a wide variety of vehicles (large and small) in a safe manner;
- Lifts, carries and operates materials, tools, and supplies to perform assignments;
- Operates power tools, hand tools and variety equipment in a safe manner;
- Actively participate in snow and ice removal operations including load and unload salt;
- Assist with Leaf pickup duties to include ranking and using the vacuum truck;
- Ability to perform landscaping needs and operate mowers, trimmers and other equipment;
- Performs fire extinguisher or City siren inspection and testing;
- Install accessory equipment on vehicles as assigned, example: brush boxes, plows etc.;
- Fells trees, drags and loads brush into a brush chipper or onto truck;
- May be trained to operate front-end loaders, bucket truck, backhoe, street sweeper, vac. truck trailers, rollers, light tractors and other applicable equipment;
- Performs vehicle inspections;
- Prepares facilities, sports facilities and parks for events;
- Repairs potholes throughout the City;
- Assist with the City sign installation and replacement;
- Repairs vehicles and equipment as assigned;
- Digs, spreads, and levels dirt, gravel, mulch etc.
- Performs landscaping duties as well as plants or trims trees and when assigned may include pesticide application;
- Hang City banners or Community Garden needs as assigned;
