September 2025

Hey VPE Dads, We need you – Yes, YOU!

Message from Dad's Club President

Hello VPE Dads! My name is Justin Gilbert, and I'm thrilled to introduce myself as this year's Dad's Club President. This will be my fifth year at VPE, and over the past few years, I've cherished the opportunity to volunteer and be a part of the VPE community. I'm married to my lovely wife, Monica, and I'm blessed to be a proud dad to three beautiful daughters: Peyton, who's starting 4th grade, Anabel, who's heading into 3rd grade, and Olivia, who's joining TK this year.

I'm eagerly looking forward to meeting both returning and new VPE dads. My goal is to foster a sense of camaraderie among us dads, enabling us to support our children and the school, and most importantly, have a blast along the way. Whether you have ample time to dedicate or simply want to contribute whenever possible, we'd be delighted to have you join the Dad's Club community. Let's make this year unforgettable! Looking forward to connecting with you all soon.

Best regards, Justin Gilbert

VPE DAD'S CLUB GET IT DONE!

The Dads' Club has completed scores of work projects. Repainting classrooms, repairing lunch carts, MPR upgrades, plus improving campus landscaping and playground areas. We also have raised thousands of dollars for needed classroom technology and other school improvements through Bobcat Poolza, our fun annual year-end campus event. Dads' Club members are active on-campus volunteers, too. VPE has a fantastic tradition of not just Moms, but also Dads, helping inside the classroom and with our campus activities throughout the year.

VPE DAD'S HANG OUT!

It's not all work... We like to have fun and have some events throughout the year like Poker tournaments and meetings at local establishments. Plus, we help with set up and tear down at VPE events all while having a good time. It's always great to see a familiar face on campus when your part of the Dad's Club.

Time Commitment? Not Much!

Can't make a meeting here or there? - no problem! We'll take your assistance whenever you are available. If you can fit in a couple of hours this school year, you'll make a difference.
