McCaw School of Mines

57 Lynn St.

Henderson Nv.

MINUTES June 5 , 2019

The GSSN met on Wednesday July 3, 2019 at the McCaw School of Mines in Henderson Nv. The President John Anderson called the meeting to order at 6:35pm and led with the pledge of allegiance. Officers present included the President John Anderson, Treasurer Mark Hedges, Secretary Melinda Woolman, and the Membership Chairman Eric Smith. John welcomed all 47 signed in with 2 guests. (A quorum was verified). Attendees were again reminded to check their emails and the GSSN website for changes in meetings and outings. John asked for a motion to accept the minutes as published in the June 2019 Highgrader. Wendy Hulse made such motion and was seconded by Roger Chavez. All were in favor and the motion passed. The treasurer Mark Hedges presented the treasurers report for the month of June 2019. Roger Chavez made a motion to accept the treasurers report and was seconded by Wendy Hulse. All were in favor and the motion passed. John reminded the attendees that tickets for the Garrett A T Gold metal detector are still for sale. There will be no club sponsored outing for the month of July. John discussed the attachment to the riffle tray on a Keene 140 drywasher. The attachment was in reference to the presentation the prior month by Alan Guthmiller. Gold was found under the attachment. John passed a vial around the room showing the gold found. Next month we will start a special raffle for first time new members attending the GSSN meeting. Doug Parker gave a short presentation regarding his teaching experience at the McCaw School of Mines and showed some of the letters he has received from some of the students. Ken suggested having a common dig using wet sluices at the lost change claim during the upcoming mining season. Most of the attendees were in favor of the idea. George showed two short videos and then gave a short preview of the raffle table. After a short break the raffle was held. Wendy Hulse made a motion to adjourn and was seconded by Don Goodwin. All were in favor and the meeting adjourned at 7:55pm.
