Anger

~ Jesus Teaches on Where Anger Comes From – July 13, 2017

synopsis:

- **Clare:** I've been a little testy lately, and I realized what was really going on – **a deliberate attempt on the enemy's part to make me angry.**
- Jesus: People are so important to Me. **My highest goal is for you to bring them to Me, to help them not be afraid of Me or hearing Me.** Of learning Who I truly Am. I'm NOT a harsh taskmaster that wants My own way. I want them to understand how damaging sin is to them.
- **Always be suspicious of anger or righteous indignation.** Many times that is the enemy provoking you to correct someone – and they are already broken inside.
- What you **DON'T see are the devils poking you** with their tools and weapons – provoking you to wrath.
- **Each day I test you** – to see how you will respond. Will you take the bait – or will you wait?
- If you are still responding in **judgment and criticism**, it opens you up to be opposed by the demons. The media in particular exerts mind control over you – eliciting anger. **The demons literally feed on anger and fear.** It's like an electrical source of energy for them. NOT responding to these cut them off. You literally wouldn't believe what all happens in stalled traffic!
- **Respond in Love to situations**, knowing that only I understand what is truly happening, what is truly going on in a person's heart and mind.
- You see this is where the **gossip chain steals the most energy from My people.** A juicy piece of news is spread and the demons follow the trail as if it were dripping blood. They suck it all in and walk away from the gossipy phone conversation rejuvenated and re-energized to go out and cause more trouble. That's how they work. They take what you had and provoke others to anger with that, then they feed on that anger. It is a never-ending cycle. That's why I tell you not to listen to the media, not to gossip. That's only one facet of these deadly habits.
- **Be observant and clever as snakes – but remain so gentle that, like the dove, you flee at the first sign of dissension and negativity.** And by all means, spread My healing and unconditional love to those who are wounded and broken, and aren't able to function the way they should.

Children

Our Children, Physical and Spiritual

~Catch Them When They Fall – July 28, 2017

synopsis:

- Clare: I have come to the point where I've done all that I can **to influence good people that there is a need for purity and abstinence before marriage.** I cannot say another word, yet I am hurting, seeing that my entreaties have gone unheeded.
- Jesus: Clare, I see your pain. I honor your prayers and I intensely dislike head-on collisions. Yet **there will be circumstances that will cause them to come to Me.** Circumstances that only I can change. In that moment they will come and repent, and I will answer their prayer. From that point on in their lives, I will be consciously in partnership, in charge of their life and destiny.

- But I have My ways of driving home to them just **how serious I am about a marriage**. Just as they found each other, they can lose one another. I will not contend forever. I am a holy God and I will not contend with men or women forever. I will act on their behalf.
- I am the perfecter of your faith and your children's faith. I know how to bring them into full-time devout service to Me and **there is an intricate plan laid out for every one of them**. So, what you are struggling with now, I have control over. No more struggles, only faith.
- And for you all, My precious ones, don't fret over temporary set-backs. If you could see the real picture that not even they see; they are on a giant conveyor belt that loops around when lessons have to be experienced again. They only see current circumstances, but My conveyor belt of grace is carrying them closer to Me—yet they don't perceive it. Overtime they make plans out of My will, and I have a loophole to get them back on track. **So they go round the long way and end up right back where they started until they choose the correct path**.
- I say this to all of you. Clare is not the only one experiencing the plight of her children. Many of you are struggling in the very same way with your loved ones and I want you to know that I am still in control. Just as you have given yourselves to Me as a love offering that I may do as I please with your lives—I, **too, have committed Myself to rescuing them at the appropriate time**. And sometimes that is a painful turn of events that you cannot shield them from. Do not stand in My way and prevent those circumstances. If they are heavily committed to their own way, let them go, stand back in charity, in love, in patience—and wait. Be loving, be supportive and be there for them in a non-threatening way.
- Stand back, wait on Me in the posture of complete, **unconditional love and catch them when they fall**. Not with condemnation but with comfort and a word of encouragement.

~Handling Children Who Are Not Living for Me – July 26, 2017

synopsis:

- Clare: **dealing with grown children**, new employees and hard situations looming because of it all. Judgment had crept in, making the situation worse.
- Jesus: **Pray – don't judge!** I am in control of all.
- Both have lessons, both have opportunities, both need great wisdom. You backing off until you are really needed is a good thing. It will make for more peace in the house and work environment. Don't you see how tied into this drama you are? **I want you to stay as a neutral observer, one who prays the burden away and then moves on**. When you feel this sadness and burden, come to Me and allow Me to lift it off your shoulders and onto the Cross.
- You cannot handle the pain you feel and you become too interior to the situation. Then it interferes with the work you must do. **Step back and realize: I am in control**. Because you are Mine, because you Love Me, because you serve Me, I am most solicitous for your children. You see, when you look after My children, I look after yours. And you will never be capable of looking after them as well as I am.
- Clare, I need someone to **stand up for what is right and moral** or how will they ever learn. You have done well to explain consequences. Now step back and watch what I do with the situation. Allow characters to come to maturity and motives to be exposed. Allow them to grow up. Be the loving mother and allow them to work through their passions and life decisions with your prayers behind them. Always being loving, cordial, understanding,

supportive but moral and standing for what is right in My eyes. That is the very best witness you can give.

- My people, **ignoring the sin your children choose to get involved in is not the right way.** Compromising your morals and faith is no way to lead them. Be strong in your love for Me and fearless in laying forth the truth, WITHOUT condemnation, which will only drive them further into their own will.
- **I am with you with your children.** Love them no matter what, but do not soft pedal the truth.

Decision Making (best with Jesus)

~ Correspondence with a Struggling Young Woman – July 15, 2017

- I have seen your **struggles and cries for help** in your life. You are a talented, determined young woman, much like Clare. But that means you are the beautiful horse that is still green and not yet trained to pull the King's Carriage.
- I have waited for **this time of wisdom in your life.** I am opposing you when you use your own wisdom, your own way – for My way is perfect and will guide you into wonderful joys.
- If you are willing, **I have brought you to a place where there is much wisdom,** much help for you. Only accept it. Don't be afraid to ask and receive counsel. I love you so dearly and nothing I ever say will be harsh or cruel, because I know the tenderness of your heart.
- Clare also wrote: The Lord wants to be more a **part of your decision making.** (full synopsis under **Guidance**)

Demons:

Demon Attacks

~ Stand Firm in Me & Defend My Honor – July 10, 2017

- You all are under continual attack. **The greater your gift is going to impact the kingdom of darkness, the harder they will fight you with poisoned tipped arrows.** And they have your number. They know where you stand and where you fall. So, you cannot stand on your own, you must stand in Me. They will never overcome Me. But together we will keep on going without a flinch, let alone a wishful look back behind the plough. (full synopsis under **Unbelief**)

Demons: How They Work

~ Jesus Teaches on Where Anger Comes From – July 13, 2017

- What you **DON'T see are the devils poking you** with their tools and weapons – provoking you to wrath. (full synopsis under **Anger**)
- **Each day I test you** – to see how you will respond. Will you take the bait – or will you wait?
- If you are still responding in **judgment and criticism,** it opens you up to be opposed by the demons. The media in particular exerts mind control over you – eliciting anger. **The demons literally feed on anger and fear.** It's like an electrical source of energy for them. NOT responding to these cut them off. You literally wouldn't believe what all happens in stalled traffic! (full synopsis under **Anger**)

Distractions from the Lord

~ Epidemic of Distractions and Discouragement – July 18, 2017

synopsis:

- Jesus: This is a good topic. My people, **what has been burdening your minds lately?** Clare is not the only one—she is but one among My children in an epidemic of unbelief and discouraging lies has been launched against you all around the world. This is a giant move of the enemy. See, they transfer their poison to you by thought and unless you are aware of it, they can keep heaping it on until you want to give up.
- My people, please **beware of the tactics of the enemy to pull you away from that sweet spot** (of worship and communion with Me). I have given you things to do that may seem extraneous and unnecessary, but those are precisely the things you should be doing for the sake of others. The enemy is trying to convince you that those are pleasurable things, and you can only do them after your work is done.
- But I say you have duties—**and duties come FIRST**. Your duty is to love the Lord your God with all Your heart and all your mind and all your strength and your brother as yourself. And this perfectly fits the profile of anything that can be used to minister to others. First and foremost: more important than the air you breathe, is prayer, worship, Bible study and holy reading. If you find pleasure in that, Satan will try to pervert it and tell you it belongs after chores, because you love to do it.
- **Martha** had all the help she needed to take over so she could sit at My feet. But like you can be sometimes, My dearest, she **chose to perfect everything**...adding jots and tittles and time wasting frills when all the guests needed was already prepared for them. Martha had all the help she needed to take over.
- So now you have it. You can **see and react responsibly to what the enemy is doing** when you are tempted to go beyond the demands of simple hospitality. I will impart this blessing to you, My precious ones. I bless you to see through the tricks of the devils to deprive you of your calling. I bless you to act upon that and put him in his place, while you refocus your entire being on what I have called you to do.
- **May you respond faithfully to My warnings when you are going off track**. I love you all too dearly, and daily I am by your side and at times I sadly see the enemy—the way he is stealing from you without your knowledge. My prayer is that you will hearken to My admonition now and fulfill your callings without allowing him to pull you off with false guilt and distractions. God bless you, My children. I am walking with you, and I will let you know when you are going in the wrong direction. Please respond.

DuPlantis, Jesse

~Is the Bride of Christ Ready for Glory? Single-Mindedness – July 24, 2017

- Clare: When He said that, I was reminded of a video I watched of **Jesse DuPlantis** last night. He was talking about people arriving in Heaven in the tram-like vehicles. Some came with just gowns on—they immediately went to the trees growing alongside the River of Life, and began eating the fruit from the trees as they waited to be healed inside and could come before the Throne of God. They were all lined up to finally reach the Throne of God. Others arrived with a beautiful gown and a cloak over it. These overgarments had beautiful embroidery on them. They did not have to get in line with the trees by the River—they immediately went straight to the Throne of God. This was because they had made the most of their lives and not wasted any potential, rather they had fully given themselves over to

God, living for Him and not themselves. They had no need of healing. (full synopsis under **Jesus/Bride**)

Gifts/Talents from the Lord

~ Preparations for War?? – July 7, 2017

- Graces to overcome old problems and setbacks are being released. There is excitement within the Body of Believers that truly has their finger on My pulse. **The gifts are multiplying.** Those who have been faithful and persevering in the little things will be given more. Barriers are being overcome with grace and I am rewarding My faithful ones. (full synopsis under **WWIII**)

Gossip

~ Jesus Teaches on Where Anger Comes From – July 13, 2017

- You see this is where the **gossip chain steals the most energy from My people.** A juicy piece of news is spread and the demons follow the trail as if it were dripping blood. They suck it all in and walk away from the gossipy phone conversation rejuvenated and re-energized to go out and cause more trouble. That's how they work. They take what you had and provoke others to anger with that, then they feed on that anger. It is a never-ending cycle. That's why I tell you not to listen to the media, not to gossip. That's only one facet of these deadly habits. (full synopsis under **Anger**)

Guidance

~ Correspondence with a Struggling Young Woman – July 15, 2017

synopsis:

- Jesus: I have longed to speak to you, My sweet Child. I have many things to tell you.
- First, NOTHING in this world you can do will make Me love you more – **I am way over the top in love with you!**
- I have seen your **struggles and cries for help** in your life. You are a talented, determined young woman, much like Clare. But that means you are the beautiful horse that is still green and not yet trained to pull the King's Carriage.
- I have waited for **this time of wisdom in your life.** I am opposing you when you use your own wisdom, your own way – for My way is perfect and will guide you into wonderful joys.
- If you are willing, **I have brought you to a place where there is much wisdom,** much help for you. Only accept it. Don't be afraid to ask and receive counsel. I love you so dearly and nothing I ever say will be harsh or cruel, because I know the tenderness of your heart.
- Clare also wrote: The Lord wants to be more a **part of your decision making.**
- Clare shares the story of her own upbringing, her young life and how she 'fought' the Lord with self-will.
- **If you confess to God that you can't 'do it'** – He will rush to your side with help and direction. He opposes the proud and self-confident, but gives grace to the humble.
- I would like to **see you take advice, instead of having to suffer** the hard lessons I went through. And my own children are going through.
- **Judging our parents opens the door for the Lord to oppose us, and the devils to sift us. Don't go there!**

Holiness

Mountain of

~ Promotion is Coming – A Light on a Hill – July 11, 2017

- The more you **release the world from your lives**, the lighter and freer will be your steps as you **ascend the mountain of holiness and brotherly love**. Attachments weigh you down, so you are constantly looking behind yourself to make sure those things are secure and maintained. Oh, how much better off you are when you have NO concerns of this world to entangle you.
- **You must fight against the lusts and attachments** you have to things, continually. If you give ground back to the enemy, you will have to retrace your steps all over again. It is so much wiser to purpose in your hearts that once you have made yourself free of something, you will never go back to having it again. (full synopsis under **Promotion**)

Isolation

~How Our Thinking Can Isolate Us from Reality – July 21, 2017

synopsis:

- Jesus: My Love, you have much need for patience. They are a handful. It's like a drain...a vortex that sucks everyone and everything down into it. On the outside, beautiful—but inside, turbulent. And that has affected the peace of the house. **Some are gifted at using their beauty and charm to cover that vortex up**. But I brought them here to expose and heal them in My loving arms, if they are willing. Yes, the centrality of their life must be Me, and that is not happening in the sense that they are holding their life closely and protective of any intrusions. The problem with that is they are a whirlwind of self and not about to relinquish what they consider to be their only protection.
- **Just love them as you can, but do not allow them to suck you into their reality.**
- My children, you will meet **souls along the way who are very confused and live in continual confusion and chaos**. They go from one situation to another, bringing with them tremendous disorder. They can be very charming and loving on the outside, but within they are captive to a spinning vortex of problems that they never seem to be able to get free of.
- **The issue here is willingness**. Can they turn their lives over to Me to be recreated and truly born again? Or are they so wounded that they trust no one and hold onto what they have for dear life.
- I have tried over the years to help these people, but truly **unless they are willing, it is futile**. And eventually they move on to another situation until others tire of them there, as well.
- Each of you are created to be different and it is in those differences that I bring about a largeness of heart and prepare you for Heaven. **But when a soul will not yield control to Me, they will also not yield control to their spouse and you will find yourself in a continual life-and-death struggle just to breathe, until you are totally burned out.**
- Clare: The Lord showed me a vision of them: as a person who has a spinning cloud made up of rationales, excuses and human reasoning. As they get older and things fail they become more protective and locked into a cycle with an ever rising vortex of thinking keeping them isolated from the outside world. **The demons feed into this an attitude of superiority**, which further isolates them and keeps them dependent on their own thinking. And the new situations bring new defensive reasonings that further isolate them from help. New encounters bring new rationales and the old ones collapse into the vortex, keeping it spinning. That's what I am seeing.

- Jesus: And what I am saying is that **the demons have planted these rationales to isolate who you could be, what you have been created to do**, while at the same time building you up in confidence that you are always more intelligent and right than others. Therefore you do not need to listen to their counsel. This is how they isolate you and make you want to control others to look at life from within your vortex. **This is why marriages fail.**
- **What is the solution? Pray** for these souls that they finally recognize their sickness and isolating lifestyle and have the courage to allow Me into their lives to take it apart, piece by piece, and reconstruct it with My wisdom and the good reality of who they are to Me. Thus setting them on the right path to fulfillment in their relationships and destinies. Pray and treat them with great love, not judging, but knowing that any of you are capable of going astray in this very same and tragic way, even tomorrow.

Jesus

Bride(s)

~Is the Bride of Christ Ready for Glory? Single-Mindedness – July 24, 2017

synopsis:

- Jesus: I know the longing of your heart is to bring Me happiness and you are right to keep your focus on what I have asked from you and not what you see the others, who are great saints, to see what they did. **What made them great was their unflinching obedience and single-minded focus.** The single-minded soul turns their attention away from anything having to do with their own desires or wishes. They look only into My eyes, to know what My good pleasure is—and then they do it, without complaint or looking back.
- **I need you to pass those tests of charity as well.** Can you do this for Me? Can you just stop in mid-track, recognize your impatience and frustration with others who are demanding more of you than you have to give, and call on Me to make up the difference?
- **So often you see these things as injuries.** They are not injuries, they are opportunities to exercise your great love for Me by kindness and patience with others.
- **My Brides, those with a single eye are those who enter into My glory.**
- Clare: When He said that, I was reminded of a video I watched of **Jesse DuPlantis** last night. He was talking about people arriving in Heaven in the tram-like vehicles. Some came with just gowns on—they immediately went to the trees growing alongside the River of Life, and began eating the fruit from the trees as they waited to be healed inside and could come before the Throne of God. They were all lined up to finally reach the Throne of God. Others arrived with a beautiful gown and a cloak over it. These overgarments had beautiful embroidery on them. They did not have to get in line with the trees by the River—they immediately went straight to the Throne of God. This was because they had made the most of their lives and not wasted any potential, rather they had fully given themselves over to God, living for Him and not themselves. They had no need of healing.
- Jesus: **To the single-eyed soul, there is nothing outside of Me worthy of their attention.** They spurn all outer things, not because they are evil. Not everything beautiful is evil. But because they want more from life than those transitory created things can give them. Those creations are so limited...and when you come to their limits you seek the deeper things.

Judgment

Our Judgment of Others

~ Correspondence with a Struggling Young Woman – July 15, 2017

- Judging our parents opens the door for the Lord to oppose us, and the devils to sift us. Don't go there! (full synopsis under Guidance)

~ Jesus Teaches on Where Anger Comes From – July 13, 2017

- What you **DON'T see are the devils poking you** with their tools and weapons – provoking you to wrath. (full synopsis under **Anger**)
- **Each day I test you** – to see how you will respond. Will you take the bait – or will you wait?
- If you are still responding in **judgment and criticism**, it opens you up to be opposed by the demons. The media in particular exerts mind control over you – eliciting anger. **The demons literally feed on anger and fear.** It's like an electrical source of energy for them. **NOT** responding to these cut them off. You literally wouldn't believe what all happens in stalled traffic! (full synopsis under **Anger**)

~How to Foster Trust in a Soul – July 23, 2017

- Therefore, little ones, **if you wish to foster faith and trust in the heart of a soul, you must first Love them with My Love and never judge, be harsh, or critical. Never.** By the time they reach you, they have already had a lifetime of criticism which did them no good, only to drive them further and further into a pit. Go forth therefore, My chosen vessels, and Love as you have never loved before. Give until it hurts, encourage and build up. Then the soul will be hungry for what you have to say about Me. They will see Me inside of you. (full synopsis under **Love/Brotherly love**)

Love

Brotherly Love/Love of Each Other

~How to Foster Trust in a Soul – July 23, 2017

synopsis:

~Jesus: I am your Father. Whatever your need, I am not limited like your earthly fathers were. No, I have total control over everything that happens or doesn't happen to you. What I permit is always for your best; always and forever. Many of you have made agreements with Me in your spirits and yet are not aware of them in your intellect. That can, at times, be painful—when you don't understand why I permitted a terrible circumstance. Remember that when an event occurs you are not the only one impacted by it. There are many layers to your circumstance. If you have given your heart over to prayer on behalf of another soul, many times that event pertains to them in their serious need and you are moving mountains.

~Love is the safest way to the hearts of men. Once My love has touched a soul, how easy it is for them to trust Me. It goes so far beyond words; it is more a magnetic force. Just as iron shavings are drawn to a magnet, love is drawn to the heart of men and their My love seeks out the most wounded areas to heal. Once the Love relationship is established, we can move into Trust. So, rather than treating the symptom, you treat the disease.

~Therefore, little ones, if you wish to foster faith and trust in the heart of a soul, you must first Love them with My Love and never judge, be harsh, or critical. Never. By the time they reach you, they have already had a lifetime of criticism which did them no good, only to drive them further and further into a pit. Go forth therefore, My chosen vessels, and Love as you have

never loved before. Give until it hurts, encourage and build up. Then the soul will be hungry for what you have to say about Me. They will see Me inside of you.

News/Media

~ Preparations for War?? – July 7, 2017

- Heartdwellers, I want to be you 'channel' – **you don't need the news or the 'collective consciousness' prophets out there who all listen to the news.** Stirring up emotions is of no help. I need you to be working for the Kingdom, using your gifts while there is yet time. Many are still ripe for the harvest for the Kingdom. (full synopsis under **WWIII**)

Promotion

~ Promotion is Coming – A Light on a Hill – July 11, 2017

synopsis:

- Jesus: **many are praying for you**, Beloved. And your prayers for them are effective as well.
- **I am getting ready to promote you.** Prayers may not always be with great feeling. Sometimes no feeling will be there. You are learning to walk by Faith. As I promote you, you will have to go deeper and deeper in My Heart, with no concerns about your own interests. When you do this, NOTHING is impossible to you. Nothing.
- The more you **release the world from your lives**, the lighter and freer will be your steps as you **ascend the mountain of holiness and brotherly love.** Attachments weigh you down, so you are constantly looking behind yourself to make sure those things are secure and maintained. Oh, how much better off you are when you have NO concerns of this world to entangle you.
- **You must fight against the lusts and attachments** you have to things, continually. If you give ground back to the enemy, you will have to retrace your steps all over again. It is so much wiser to purpose in your hearts that once you have made yourself free of something, you will never go back to having it again.
- I want you all to know that **your hearts are beginning to shine in the darkness**, as never before. Truly, you are becoming a light set on a very dark hill, and what you don't realize in your day-to-day doings is that people are affected by you. They are feeling your holiness, noticing how they feel around you and becoming hungry to have it. This is my ideal of evangelism, living a life so circumcised to Me that you shine and stand out of the crowd as something different in a wonderful way, and people are drawn to Me living inside of you.
- This is sound advice for all of you. **Be inspired, but don't imitate**; rather work and discover your very own uniqueness that we will cultivate together.
- So in short, **don't worry about looking good. Concentrate on My presence within you and bring that to others.** Then you will have fulfilled My deepest desires for you. You are all coming into a season of reaching out, going out to others. Be authentic, be Mine and all the rest will fall into place.

Rapture:

Waiting for:

~ Rapture Soon!!! What Will You Be Doing When I Come? – July 3, 2017:

- **Clare: The internet is a-buzz with rumors of the Rapture again**, Lord. What do You have to tell us?
- Jesus: **The awareness needs to stay current** – or people tend to forget and get buried in their work and go back to the world. The alarm needs to be sounded – time IS short. We ARE in the season.

- For those who are working hard for Me, yet knowing I am coming 'soon' – you are doing the right thing. **Keep working.** I wouldn't have given you assignments if there was no time to substantially complete them.
- For those sitting around looking at the sky – this is JUST what I warned against. **Stop waiting, put yourselves to work for the Kingdom!**
- **Please, My People, I am gathering fruit from your efforts.** You are presenting a priceless example to the world. 'Yes the Lord is coming soon, and I am doing all I can for Him until He takes me from the Earth. I am working like I never have worked before, because I know He would not assign this work to me if it was going to be fruitless. I'm not stopping to look up at the sky. I am looking at the souls that will benefit from my work for Him. And this keeps me going.' That is precisely the attitude you are to have in this hour. To a tee.
- **However, if all you do is to tell people the hour is now, He is coming—you are adding to the discouragement and disillusionment of years of prophetic words that never came to pass and are making a laughing stock of the faith.** No, it is not your fault they do not believe but the urgency with which these messages are put out leaves no room for delays and many are so disillusioned—they ignore you.
- But if you are **totally committed to furthering the Kingdom,** both in good deeds and applying yourselves to your gifts in ministry, writing, exhorting and spreading the word on the Internet, in turning out inspirational materials to draw all men to Me—then they will look at the work you are doing, your commitment, your hard work, the way you use your time, and they will believe you. 'He is coming soon or they wouldn't be this dedicated to their work for Him. We'd better listen.'
- **I will reward the ones who worked tirelessly for Me with a pure heart.** Those who were half-hearted and didn't both to complete their work will be like the servant who buried his talent—while the other fruitful servants will be acknowledged and given even more exciting work to do.
- Take My words to heart. They are Spirit and Life. **Do not waste time, make it count.** Forewarned is fore-armed. Make it count. Do not look back on your laurels. It is what I find you doing when I return that will have the most substantial impact on where you go and what you do - and whether or not you're taken.

Unbelief

~ Stand Firm in Me & Defend My Honor – July 10, 2017

synopsis:

- Jesus: **stand firm in Me.** Many are beginning to see forward movement, and the enemy is out in full force.
- What can cause you to **lose the ground you have been given by steady work and perseverance? Unbelief, laziness, judgment and pride.** By the way, **Pride always proceeds Judgement.** When you look upon others and find fault with them, you open the door for opposition in varying degrees. If you are highly critical and without charity, you will encounter rough winds dead ahead. If you are slightly critical and catch it, repenting immediately, you will immediately close the door.
- **Laziness quits prematurely.** And last, but **truly worst – Unbelief.** This is the demons telling you that I am a liar.
- Once you have discerned a thing, a word, a work, a gift is from Me – the demons set to work to lie you out of it. **DO NOT LISTEN AND CHANGE COURSE!**

- Rhema from Carol from Father Nickolai – 2 confirmations of the same rhema to Clare: the worst sin is Unbelief.
- You must stand firm in the Faith. Understand that there are Liars over your shoulder, whispering in your ear. Uphold My Honor! Tell them to take their lies and go back to where they came from!
- But it's not by your power, your might, your own steam you can do this. It's by My power and anointing. So, **your problem is unbelief—in Me**. How long will you allow this to snag you???
- You all are under continual attack. **The greater your gift is going to impact the kingdom of darkness, the harder they will fight you with poisoned tipped arrows**. And they have your number. They know where you stand and where you fall. So, you cannot stand on your own, you must stand in Me. They will never overcome Me. But together we will keep on going without a flinch, let alone a wishful look back behind the plough.
- **I am defending you every step of your way. Where is your defense of Me?** It is as I have said before: your sword—the Word of Truth in one hand, your gift in the other. I am sending out angels now, as we speak, to defend you against these attacks. And My Spirit will impart a greater zeal in you to protect My honor. Do so with great dignity and resolve. I am counting on you.

WWIII

~ Preparations for War?? – July 7, 2017

synopsis:

- Jesus: **your military needs to be revamped** – they are in no position for an attack right now. I am holding my finger in the dyke right now, preventing many, many plans being made against you. As long as you are praying and living a life-style of carrying your cross with thanksgiving, I will not give the word for permission.
- Heartdwellers, I want to be you 'channel' – **you don't need the news or the 'collective consciousness' prophets out there who all listen to the news**. Stirring up emotions is of no help. I need you to be working for the Kingdom, using your gifts while there is yet time. Many are still ripe for the harvest for the Kingdom.
- Graces to overcome old problems and setbacks are being released. There is excitement within the Body of Believers that truly has their finger on My pulse. **The gifts are multiplying**. Those who have been faithful and persevering in the little things will be given more. Barriers are being overcome with grace and I am rewarding My faithful ones.
- **Clare tells that moving her house around has gotten her into the 'world' too much** – getting her mind on orchestrating and organizing instead of Jesus. Drawing her out of dwelling prayer. She is seeing the connection: too much time in the world 'unplugs' us from our Energy Source and we begin to run dry. Lesson: stay out of the world!
