

The famous Model 122 takes everything that's great about our cab-high caps to a higher profile. The oversized door and added clearance mean more capacity and headroom. If you need to protect, secure and transport bulky items, the high-rise design of the 122 can do things no other truck cap can.

MODEL: LEER 122

PRICED FROM \$1729.00 TO \$1863.00
