

ATTENTION

[effective June 1, 2020]

Because of the continuing health concerns due to COVID-19, we ask that you abide by these three simple rules:

1] MAKE AN APPOINTMENT.

Make an appointment before entering the Public Defender Office.

2] WEAR A MASK.

All persons entering the Public Defender Office for any purpose are required to wear a face mask, a policy in line with current edicts of the Louisiana Department of Health.

3] MAINTAIN A DISTANCE OF 6FT.

We require social distancing, meaning keep six feet of physical space between you and others to help to prevent the spread of illness.
