KIWANIS MEETING OF August 6th, 2018

We welcomed August with a peppy group of 13 members and guest Betty Tilton. We even had a chance to sing “Happy Birthday” to Betty who has an August birthday along with Lorna Wood. Everyone enjoyed birthday cheesecake after our lunch of grilled ham and cheese sandwiches, fries, and salad.

Additional songs were “Smile Sing a Song” and “Stodola Pumpa”. Today’s prayer came from Emmet and then we took a few minutes to meet newest member Tia Bismonte-Duncan, who is now the Black & Tan Grille’s general manager. Tia and her husband came to Green Bay from Cumberland, WI where they owned a bed & breakfast. We’re so happy to have Tia in the club ... she even bussed the dishes today!

Lots of happy dollars to report! Betty because she will soon be a great great Grandma, Dave for his family trip to Yellowstone and the Grand Tetons, Anne because she was happy to see Betty and to attend EAA, Doug for his Florida and New Orleans trip plus his Boy’s Life joke, and finally Dal because he woke up this morning with no aches and pains! Dal also shared a photo of a mother turkey (hen) and 14 babies (chicks or poults) on his deck ... truly amazing!

Today’s speaker was Dee Austin, a volunteer with the Aging and Disability Resource Center. Dee retired from NWTC where she was a nursing instructor. Today’s presentation was one of the “Medicare Minutes” that ADRC offers to organizations around the community. Her subject was

Durable Medical Equipment (DME) that is covered by Medicare Part B. Examples of covered equipment are wheelchairs, walkers, power scooters, portable oxygen equipment, and hospital beds. These are items that are used repeatedly (should last three or more years). A doctor visit and certificate is required to get Medicare coverage for your DME. ADRC volunteers can answer more questions at 448.4300 or go to their website which is www.adrcofbrowncounty.org.
