“A GREAT CHURCH IS A HUMBLE CHURCH”

‘Experience The Spark!’

John 13:34-35 A commandment from Jesus.

Humility is not self-debasement or a sense of inferiority.

The true meaning of humility is knowing that the personal self is a vehicle of a greater power than that of them selves..., it’s from God.

Jesus himself said, *“It is not I but the Father within that does the works.”* John 14:10.

“Self” consciousness and “God” consciousness.

- “Self” consciousness contains how we see ourselves.
- “God” consciousness starts with a *“spark of the Divine.”*

When we humble ourselves, slow down and *experience the spark...*, we communicate with God.

For each of us to grow in spirituality, it is important to free ourselves of self-will and seek God’s will. God’s will is called UNITY!

God is good! God is great! God is glory!

John 13:34-35 Jesus commands.

Jesus has called us, not to the high and mighty, but to the invisible.

Humility rewards itself.

Being humble admits we have *more to learn of God and God’s will* for our lives.

“A humble church can do great things with an uncommon perfection,
Because we are no longer concerned about accidentals,
Like our own interests and our own reputations,
And therefore, we no longer need to waste our efforts in defending them.” T. Merton.

“Today is the day of salvation, if you will humble yourselves and hear my voice..”
